2008 Preparation for Contact

Welcome to the 2008 Edition of the BOOM SIGNAL! The past year has flown by quicker than I imagined, but as always with the pace of the Boom Operator lifestyle, it's no surprise. Congratulations to all Boom Operators who've competed and earned promotion since last year. The Air Force finally announced the bid on the new tanker aircraft, the KC-45A based off the Airbus airframe. Hopefully, when Boeing finally gets done with their protest of the contract, we'll get our badly needed new tanker. From a purely spectator stand-point, (not an AF stand-point) I hope the crying is over with quickly & they move forward putting aircraft on the ramps and the next generation of Boom Operators trained to fly them. The Center of Excellence (CoE) has been a resounding success at Lackland AFB teaching our new enlisted aircrew members the Air Mobility Culture. Also, it is refreshing to see that we finally have an updated 1A0X1 Career Field Education and Training Plan (CFETP) on the streets; now if we can just start utilizing it like the other enlisted career fields as a master training record, we'd be all set! Like I stated in last year's SIGNAL, the ultimate goal is to embrace the concept that a Boom Operator is a Boom Operator, regardless of whether they serve on a KC-135, KC-10 or the KC-45A.

With the BRAC process building momentum, the make-up of tanker units will remain unique. Following the successful mold of McConnell, McGuire, Travis, etc., Seymour-Johnson has re-activated the 911 ARS as an Associate Active unit, to the Reserve Wing. This only reinforces one thing, it doesn't matter whether you serve on Active Duty, Guard or Reserve, we are One Team. Plus, the cross flow of experience & information will only enhance the Boom Operator force. Regardless of the unit make-up, our mission remains...getter the fuel-to-the-fight...whether it's supporting Operation IRAQI FREEDOM, ENDURING FREEDOM or still supporting Operation NOBLE EAGLE in the NORTHCOM AOR.

For those who aren't familiar with the BOOM SIGNAL tradition, it is a compilation of Unit inputs. It is the only one of its kind although several attempts have been made to copy it, without success. The intent of the BOOM SIGNAL is a communications link between *each* Boom Operator, past, present and future. It's a historical document which started in 1979. We, as a community, need to ensure this tradition lives on. We owe it to ourselves. With that, I am profoundly grateful that I have the opportunity to continue this history. I firmly believe that the BOOM SIGNAL goes hand-in-hand with the many traditions we uphold. As I've stated on more than one occasion; "Boom Operators are like one big family; no matter where you go; no matter whether you are Active, Retired, Guard or Reserve, you are *always* welcome and you always have something in common and you are *family*."

I'd like to extend my thanks to the following: CMSgt Dan Repp at HQ AMC and other senior booms for assisting me in getting the word out for this year's SIGNAL. Without their help, the SIGNAL would never get wheels in the well. Mr. Jim Reese & Mr. Steve Tuttle at Flight Safety, Altus, for supporting the class rosters section. Most importantly I'd like to thank the Units for their submissions despite their hectic pace of operations. And, as always, publishing the BOOM SIGNAL is the *very least* I can do for the Boom Operator family that I've been a part of for the majority of my Air Force career. Legacy and heritage is a large part our family. Please enjoy the 2008 Edition of the BOOM SIGNAL and I look forward towards 2009!

ALTUS AFB, OK
“THE KC-135 SCHOOLHOUSE”

Hello from the schoolhouse. We held our last-ever Basic Boom Operator Course at Altus on 5 Oct 07; we got rid of the C-5s and we now have the 1st Boom Operator Weapons System Trainer in place. It will not be up and running until later this year, but we're getting close. Flight Safety is also spinning up teaching pre-flights for our Initial Qual students, which should reduce our pain during flightline training...perhaps we'll only have to demonstrate a proper interphone & oxygen check 20 times before the Airman gets it.

We're always looking for quality instructors, but will certainly take the tired, poor and huddled masses yearning to be free. If you're interested in a schoolhouse tour, please visit the AMS site and push "The Button," update your dream sheet, ensure your CCAF credits are properly reflected and give me a call if you have any questions. We're projecting to be 11 booms short by Dec 2008 and have 23 booms leaving here in 2009, so see you soon my non-vol brothers!

CMSgt Nathan "Peach-man" Peachey: Shut up! There is nothing wrong with owning a 1967 Ford Mustang for 21 years and 7 colors of primer is going to be really hot for new cars this season...you'll see; you'll see...shut up!

SMSgt Lonny Hall: Inbound from 19AF in July and soon to be the #1 SMSgt this wing has ever seen (I'll make sure of it). I plan to pass him the Boom Functional responsibilities; hopefully, he'll be on the next Chief list.

97OG/OGV

Greetings from the happiest OGV in the Air Force, and the garden spot of Oklahoma!

MSgt Michael Ward: Still loving life in OGV. I am having a blast answering the questions that everyone else could find, if they would only look. Always looking for someone to take my job...you get to keep the swear jar permanently attached to your desk.

TSgt Tim Mitchell: On loan from the 54th as a glorified SELO. Tim is doing a great job picking up the jobs that were done by a Loadmaster and Flight Engineer that are no longer in the shop since the C-5s left. Tim's gregarious personality and tact is a perfect match for the job. He will be going back to the Forks in August to be near his daughter and close the base.

SSgt Ken Williams: Also on loan from the 54th and doing a great job in the Pubs Shop. IF he can ever finish his CCAF he will go Blue-to-Green. Thinks he can be a Warrant Officer and fly helicopters. I guess someone needs to be a target.

CURRENT OPERATIONS

Land of the misfit TSgt toys. We love to rib these guys, but they really do a great job.

TSgt Brett Prothe: Brett will continue to hone his flight planning resume at Scott. He is fully healthy at this point and actually smoked his fitness test. We are going to miss his talents here at Altus.

TSgt Tom Glosser: Working on getting a high-tech knee replacement. He took his 6 Million Dollar Man lunch box to the surgeon and asked if he could be the next Steve Austin. The surgeon is thinking Austin Powers at best.

TSgt Steve Jones: Flew for awhile and now is back in the familiar territory as the CANN bird and full time Hanger Queen. Hopes that the new steroids will help his situation...we all hope he grows bigger boobs!

ALTUS AFB, OK

97 TRS/TRQ

MSgt Dave Foster: Trying to fill every position Altus has to offer. Started out as the CDC guy, moved to the student superintendent, washed the KC-10 stink off (sorry Chief Drummond, but the KC-10 really stinks) and got qualified as a KC-135 instructor. Plans to be a full-up FTU schoolhouse instructor and take over a squadron soon.

MSgt Frank Antonsen: "Angry Frank" is now "Farmer F@%#&%* Frank." He bought a place out in the boonies with 10.5 acres. He says it's nice and quiet; doesn't have to put up with the punk kids with their cars "Thumping." Leaving Group Training to replace SMSgt Ballentine over at AMC Det 2.

MSgt Walt Markwas: Don't know when this guy sleeps; he has a hand in everything (when not scratching his junk)! He's just about to finish his BA., a Top 3 Guru, just became a CFIC instructor, referees basketball and works at the local race track. Hopes he's going to Mildenhall for his next assignment and has a bargain on some JET-SKIs for ya. DSN 866-6806

MSgt Marvin "Roggy" Kennedy: One of the last SAC warriors. Retiring very soon, but still the king of Frederick OK and an informal broker for the corn futures market. Dean Pickering loves to spin him up and then remind him to watch his blood pressure. We'll miss ya Rog!

TSgt Keith "RANGER" Brodie: Still missing the north country and all the adventure! Not a narcoleptic any longer; still working @ Trader Toms and given dance lessons at Scooters now and then. Dreaming of A Phat Civil Service position here at Altus by the sea. DSN 866-7984

Mr. Tim Ablay, MSgt Retired: He's still a Project Officer for C-17 training. Tim spends his time riding his Harley and silhouette shooting. He had his wonderful wife moved up to the third floor so they can smile at each other during the TRQ staff meetings.

Mr. Dave Francy, TSgt Retired: Dave moved to Lawton after he retired and opened a retirement village! He teaches masters courses at Embry Riddle UNV. Presently works for the Quantadyn Corp., developing the BOWST visuals, so we see him quite often in TRQ/DET2. The guy always has a smile on his face! d.francey@quantadyn.com

Mr. Dean Pickering, MSgt Retired: Dean is the team leader for the courseware dept, and the "Go-To" guy for HQ AMC. He built a beautiful new home over in the good section of town. DSN 866-7181

“HOME OF THE JESTERS”

Greetings to everyone from Southwest Oklahoma and the 54th Air Refueling Squadron. We have seen quite a few changes since the last version went to print but the Jesters continue to produce the best Boom Operators in the business. MSgt Frank Antonsen departed for the 97th TRS in August but still graces us with his presence on a regular basis to scare the hell out of the students. With the Code 50 placement on the assignment a few years ago the turnover rate is a constant but that does not detract from Altus being a great assignment for our young instructors to grow their skills. The TDY workload remains virtually nil with a few air shows now and then along with a seldom available deployment opportunity. As always, if you are interested in becoming an FTU instructor please visit the AMS site and push “The Button”.

MSgt Don Breitreutz – Squadron Supt/1st Sgt: Took over for “Angry” Frank Antonsen in August and usually found in a meeting with no idea of how he became involved in the process it involves. Will be departing for Wright Pat in the October-November timeframe.

MSgt Justin “JoJo” Johansen – Ops Supt: Recently traded his travel trailer for a fifth wheel, his truck for a bigger truck, his wife’s (yes he finally got drug down the aisle) car for a bigger car. And with all of that upgrading forgot a bigger gun and didn’t kill a damn thing all year. Doing great things as the Ops Supt and can be seen on any given day with his hand ready to push the Predator assignment button. He is just waiting on words of whether the Sensor Operator gets to shoot things too.

A-Flight

TSgt Jayson Chatham – Flight Chief: Jayson is still walking on cloud nine with a new baby in the family and the fact he got his assignment to “Shady J” North Carolina. He did a ton of great things for the schoolhouse while at Altus and will be a great asset to the war fighters out there.

SSgt Jason “Brain” Burianek – FTU/CFIC Instructor: Brain just finished his CFIC upgrade and almost made his candidate leave without completing the program. He is one of many who have arrived, excelled at their duties and is now looking at extending for a year.

SSgt Bruce Berglund: Bruce just arrived from The Forks and is currently in upgrade training. He says he arrived with hesitation about the place but has been pushing hard for an early FTC completion. We expect Altus “stole” one of the good ones from the field that will excel in the schoolhouse environment.

B-Flight: Due to a recent manning drawdown at the schoolhouse as well as reorganization within the squadron B-Flight is no more.

C-Flight (Scheduling)

TSgt Jason Larimore – Flight Chief: People used to laugh when he drove his golf cart from home to the course to play. Now he laughs at everyone pedaling bikes to work due to gas prices. Lining out the folks in scheduling to keep the student line running smoothly.

TSgt TJ Sinclair – FTU Instructor: Ask TJ to tell you a good story and he will tell you ten. We figured with that kind of talent scheduling could use a good “Horse Blanket” negotiator. Still learning the ropes as a newbie in the shop and hoping it all works out on the day of the flight. Was also a recent convert to the “I must have a bigger truck with more power” club and complains constantly about the drive from Olustee.

SSgt Tim Carden – FTU Instructor: *Still* finishing his CCAF degree and pushing student lines. Tim has the uncanny knack to disappear from the middle of an empty room so we put him in scheduling and the amount of work seems to drain his escape artist abilities.

SSgt Neil “The Goob” Godwin – FTU Instructor: Passed the Japanese linguist exam only to find they didn’t have a manning position for him to fill. Still here at Altus trying to find a way to anywhere in the Far East to ply his trade all while wearing the Purple Pimp outfit. One thing is for sure, the annual Boom Symposium will not be the same if The Goob isn’t here.

SSgt Jesse “Can I be in the Army too?” Wright – FTU Instructor: Jesse was looking for a way to get to the desert for his re-enlistment for the extra dough. Well, he reenlisted in Southwest Oklahoma and is still in the desert albeit making a little less than expected without the tax free re-enlistment.

D-Flight (CFIC)

TSgt Dan “The Man” Beecher – Flight Chief: Just about to head off to the NCO Academy with hopes that Justin Poteet and Doug Boren can pick up his slack. Still up to no good but does it quietly enough (he is hard to catch). CFIC will not be the same when the day comes that Dan departs the fix.

TSgt Justin Poteet – FTU/CFIC Instructor: Justin still drives an oversized truck (compensation?), wears way too tight of a flight suit (yes we have instructed him they are issued and free), and just bought a motorcycle to ride around with the other cool kids. Another benefit to schoolhouse duty is the instructor pay is real good.

SSgt Doug “E Fresh” Boren – FTU/CFIC Instructor: Not sure if the Rap Star thing didn’t pan out but if Doug isn’t harassing (read training) a candidate he can be found at various venues around the Southwest singing the National Anthem. Still a little upset that the Basic Boom Operator Course graduation went to the COE at Lackland.

E-Flight (Student Training Management)

MSgt Joe “R.O.A.D” Wilkins – Flight Chief: Joe has more TALCE, I mean CRW stories than should be allowed by law. Just ask and you can hear them all in one sitting with the same inflection he has told all of them to us with. Doing his best to keep “folder criminals” at a minimum and still graduate students as fast as the machine can send them to us.

SSgt Shonna Calisi – FTU Instructor: A newlywed with Matt from the 55th upstairs. Shonna has definitely lined out the Student Training process as well as the Altus Boom Association account. While she does that she lets the instructors know she doesn’t want any whining when they are placed as an instructor for a new class.

SSgt Jeff “whaddya mean I can’t have a new house” Sparks – FTU Instructor: Jeff has been hard charging with student lines since his arrival. Now he has decided to take on the privatized housing system due to a termite infestation. He has been told those bugs aren’t new they just transferred from government bugs to privatized bugs but he wont listen. Was last seen attempting to “make a deal” to move into a brand new home all while searching for a downtown residence.

F-Flight (Training Flight)

TSgt Ralph “Still Security Manager” Hoffmann – Flight Chief: “No-No boys there’s two n’s in Hoffmann. Ralph has just acquired two new understudies for the here’s how you reach your gate months and be DNIF program. Ralph has finally come to the conclusion that getting olds sucks and he might as well just fly and enjoy it. Spooled himself up the other day and didn’t even know what for. Like everyone that knows Ralph hasn’t seen that before.

SSgt Raphael “My hats in my car” Cruz-Ovola – FTU Instructor: Fairly recent arrival from Kadena. I guess that entire base is a no-hat area as he walks his dog through Altus housing in a flight suit to look cool but forgets his hat in his car. Assisting with the spin up of new FTU instructors if we ever receive any inbounds for the eight we are losing.

SSgt Rob “You can’t find me” Hansen – FTU Instructor: This guy learned how to stay low by cheating at Marco-Polo as a kid. We didn’t have a position in Scheduling so we let Ralph Hoffmann keep tabs on him. Partly because we think he can do it as well as to see Ralph spool up if he can’t. Rob has done a great job with the mobility requirements in the 54th.

G-Flight (Stan/Eval)

(M)Sgt Rich “Show me a volunteer opportunity” Martin – Flight Chief: Waiting for July to sew on MSgt and begin his change the world process. If you can’t find him in Stan/Eval look at any of the volunteer orgs on and off base and eventually he will turn up. He must have a personal assistant to keep all of those tasks in order.

TSgt Shane “I can fit both my feet in my mouth” Haney – FTU/CFIC Instructor: If there was ever a person who could walk in a room and shock and appall everyone with one word Shane would be the man. Has the uncanny ability to say the wrong thing at the wrong time every single time he speaks. He was in charge of the symposium golf tournament and probably got all of the gifts from vendors just so he would go away.

TSgt Ted “Bundy” Buit – FTU Instructor: Bundy recently got his wish to return to Fairchild. So excited he has been selling off items in his house left and right so everything he has left can fit on the Harley when he rides out of town giving one last salute to Altus. Still has the 5 gallon coffee “cup” telling stories that start and end with “Dude”.

TSgt Dave “Honest it’s a hernia” Stadnicki – FTU Instructor: Recently returned from a “hernia” operation. Stads never wanted to leave Scheduling and then one day the “get me outta here” plea was heard. Went to Stan/Eval kicking and screaming and either lost his voice or is beginning to enjoy the work.

SSgt Ben “Can I live next to the Command Chief” Cobb – FTU Instructor: Ben arrived from McConnell and became fast friends with housing due to a daily flood of sewage in his home. After the fourth mini Katrina hit his personal belongings Ben ranted and raved enough to get a four bed room on “Chiefs Street”. Now the rumor is him and the Command Chief hold burger burns at each others house.

On-Loan Folks

TSgt Tim “That’s a B***t call Ref!” Mitchell – OGV/FTU/CFIC Instructor:** Mike Ward found that if he brought another Boom to OGV he wouldn’t have nearly as much work. Tim fell for it. Worked his dream assignment to “The Forks. Bet nobody ever thought they would here that in the same sentence. Tim will be leaving us to harass any officiating crew within 100 miles this summer. I’ve heard of getting banned from a drinking establishment but they tried to do that to Tim here (at the Gym)!

SSgt Ken Harwood – NCOIC Base Honor Guard/FTU Instructor: Still making sure all base events are represented with sharp Honor Guard troops. Ken comes by every now and then to fly when he has the promised number of troops to perform ceremonies.

SSgt Ken “Blue to Green” Williams – OGV Pubs Office/FTU Instructor: Ken is still repeatedly hitting the “Blue to Green” button hoping for manning to improve. So upset over the way the process works he has taken to buying big guns and shooting animals. Drives a Toyota that isn’t quite as tall as the last Jeep. Maybe all of the Code 50/manning discussions are mellowing Ken out a bit.

SSgt Joe “Hello Kitty” Callahan – FTU Instructor: Joe has moved over to the Wing Protocol office to assist with the care and feeding of all of the DV’s who visit Altus. Happy to be out of Scheduling but doesn’t to get to show the students his Hello Kitty adorned IB note taker. Strange story, don’t ask.

Recent Departures

MSgt “Angry” Frank Antonsen – FTU Instructor: Departed the squadron for the TRS when he finally let it sink in that SAC was not returning. Should have seen him come unglued when Cyber Command unveiled their new patch. He doesn’t talk like Shane Haney but there were still words needing to be deciphered to the English version.

TSgt Drew Sottovia – FTU/CFIC Instructor: Finally sewed on TSgt so we couldn’t give him the tag line of “Oldest SSGT in the Air Force”. Drew departed in April for McConnell. He left with a good 1042 saying he was medically cleared to fly but we can’t promise what condition he will be in upon arrival.

“HOME OF THE MONKEYS”

If you are interested in working for the best damn squadron in the Air Force, then come to Altus and learn what being a “Monkey” is all about. It will be the most rewarding and satisfying instructing that you will ever do. We are always looking for self starters who are highly motivated to come here. You will not find a better bunch of booms to work with and associate with than here. If you would like to apply or are interested in applying but have some questions, call or send me an e-mail. Now for your starting line up:

Sq Superintendent- MSgt Lance Quenga: lance.quenga@altus.af.mil Hoping to get orders to leave Altus for the last time, of course that is what he said when he left the last time too. Finally took over the squadron this year even though the old CFIC candidate CCTS duty recommendation book says “hell no, never!” Still riding his Harley and playing as hard as he works.

Ops Super – MSgt Robert “BK” Broliar: robert.brolliar@altus.af.mil Just moved into the office after making MSgt last year. Quickly learning the student flow and the Altus style of scheduling/staff meetings. Also inherited the best damn squadron snack bar. Wife wants a new truck, but he won’t budge. She even worked out a “deal” if he does go get her a new truck. Just ask him about it!

CFIC

TSgt Daron Talsma: darron.talma@altus.af.mil The fastest boom in the squadron, even after having knee surgery. Likes Altus so much volunteered to stay another year.

TSgt Jimmy “Cheetah Boy” Andrews: james.andrews@altus.af.mil Proud new home owner, just needs to get Jason Hall out of his house. Also a member of the likes Altus so much volunteered to stay another year club. Known to “do a little dance” and tear his clothes off. Resident producer of high class videos too!

DOV

NCOIC - MSgt Randy “Biggy Biggy” Kay: randy.kay@altus.af.mil “The Don” of the Randy Kay Mafia, just ask Rob Jepson. Won the ATA Young Leadership Award, still can’t figure that one out. Loves the base legal office, divorced one wife and married another one from it. Leaving Altus heading back to McConnell.

TSgt Jason “Stuttering” Hall: jason.hall@altus.af.mil ABOA President, put on a hell of a Boom Symposium. Just scared to get up and do the MC duties. Stutters when he’s frustrated and has to call his wife to come up with witty come backs. GPA still lower than Randy Kay and Walt Markwas now. Also leaving Altus and heading up to McConnell.

TSgt Jaime “JL” Smith: jamie.smith@altus.af.mil Getting ready to takeover Stan/Eval. Just complete his B.S. Makes a mean malted vinegar pickled egg. Guaranteed to turn your stomach in 3 seconds flat, they were so nasty the raccoons wouldn't even eat them. Dressed like a south Texas rancher at the campout.

TSgt Nate Hackney: nathan.hackney@altus.af.mil Just moved into Stan/Evil to take over Jason Hall's job, we can't wait to finally have work completed on time. Nate and Sabrina just had another little girl she is 7 months old and already taller than him. Also got another addition to his family when his mother-in-law moved in, he was so nice that he gave her his jeep and just walks to work.

SSgt Kate Shoemake: katherine.shoemake@altus.af.mil SELO Trying to Palace Chase to Illinois guard, either way she says that she is getting out in December and going to the guard. Makes some mean chocolate and peanut butter brownies! Does a good job with any task (as long as it's not a TAPR).

Scheduling

NCOIC MSgt Donnie “Trailer Park Lead” Lambert: donnied.lambert@altus.af.mil President of the Camelot trailer park greeting committee. Did such a good job Izzy and Randy moved next to him. Headed to TACC at Scott. Finally giving up the trailer life for a brand new house. Almost had heart attack thinking about the mortgage. Sure hope the neighbors are ready for him.

TSgt Izzy Hanks: israel.hanks@altus.af.mil Finally got the 5th wheel of his dreams, plans on using it as his retirement home. When he first got it you had to take your shoes off to come inside. After some of the parties he has had I think shoes & clothes are optional. Spent a night in the pokey, luckily never dropped the soap.

SSgt Terry Brown: terrence.brown@altus.af.mil Showed up to WAPS testing this year, has a shot at TSgt now. Finally manned up and bought a 4x4 truck. Tells us for sure he knows he is not gay? We all told him that's good to know, because we aren't sure if we are. Ask him about his tramp stamp. Still can't win at horseshoes, but plays a mean game of ladder ball?!

SSgt Jason Whiting: jason.whiting@altus.af.mil Getting married soon, that girl has him on a short leash but we are certain it is made of elastic. Did a rain dance a Scooter's after the symposium, you had to be there. Learned to never tell your bride to be you're not going out drinking and then leave you cell phone in the AADD van. So when she calls the driver answers it and tells her “oh he's ok, he was so drunk we had to carry him to the door”.

SSgt Tom Long-Coyle: Just started his terminal leave and is heading back to Mexico (N.M.) in a few weeks. Some how talked a Texan into becoming a Texican, Brandy will be in tow shortly. Still not married, last time she asked he said “No”. They do have joint custody of the dog though. Owns a Harley, but it hasn't been ridden in over a year. Something about insurance and registration. Good luck Tom!

STM

TSgt Ernest “Burnsie” Burns: ernest.burns@altus.af.mil Pissed in somebody's corn flakes, moving him to the kiss of death... scheduling (he isn't even DNIF). Hoping he made Master this year, but he is expecting one hell of a Passover party, AGAIN! Hell has frozen over! He actually attended a Boom Symposium and enjoyed it! Newly elected ABOA president because of it (damn you Spud Micklich).

TSgt Matt “The Author” Calisi: matthew.calisi@altus.af.mil His TAPR's are somewhat of an art, that's why we call him the author. He did get them down from six to three pages. Makes the best Chief Mormon imitation around. He is taking over STM because he has no additional duties to keep him busy. Got the B team stirred up about a bending a penny. Way to go Matt!

FTM

TSgt Clinton L. Slick: clinton.slick@altus.af.mil Returned to the squadron after being a Battle Deployment Trainer for the last year half. Now trains the new arrivals and prepares them for life in the squadron. When asked why they have to wear flack vests and chem gear in the office—he promptly yelled at them to give him 20 push-ups.

Resource Advisor

TSgt Warren “Com” Weldon: warren.weldon@altus.af.mil Warren enjoys taking on the challenging students. Warren can now officially fly airplanes, just not for the government. He is currently setting the ground works for a run at Mayor of Altus. Models himself after the movie “Ladies Man”.

SSgt Brandy Coyle: brandy.coyle@altus.af.mil Keeps the RA office stocked with boom goodies. Brandy is looking to make her exit from Big Blue and moving on to greener pastures. Still waiting to go for a ride on Tom’s Harley. Think the only way this is going to happen is she drives and he rides b*#ch. Makes a mean coleslaw. Still the friendliest boom in Altus. Good luck Brandy!

SSgt Ryan Perry: ryan.perry@altus.af.mil Came to us from Mildenhall. Ryan is the lead trainer on the new coffee machine, but can’t get certified on the popcorn maker—something about the three step process eludes him. Went to his first Animals and had one to many beer bongs. Picked up some campout additional duties now.

Safety

TSgt Nancy Primm: nancy.primm@altus.af.mil Fresh into the squadron safety office. Still has yet to fly with a student all eight rides. Enjoys causing everyone’s mailboxes to close due to the emails she sends out. Has a shot at MSgt, yes she showed up to the test this year.

“A” Flt

SSgt Aaron “Wild Bill” Widener: william.widener@altus.af.mil Our resident SIM scheduler and new CFIC instructor. Bought a new boat last year, ran good till he hit a rock. Have to ask him what a \$10 beer in Thailand at a tall bar will get you. Came to us from Kadena with a tramp stamp, but his isn’t as big as Terry’s.

SSgt Nathan Gibbs: nathan.gibbs@altus.af.mil Just in from El Forko Grande. Moved down here, bought a house, new truck, and a new motorcycle. Sure hope mommas RN job starts paying soon. He was more than happy to give up the title of FNG after only a couple of months of getting here.

(S)sgt Jeff Moore: jeffrey.moore@altus.af.mil Just moved in from McConnell. Decide that life in Kansas was slow and moved here for the scenery.

“B” Flt

SSgt Cliff LeClerc: eric.leclerc@altus.af.mil Currently deployed to Iraq watching TCN’s. Was Airman of the Year last year...(our only SrA). For his reward he is moving to scheduling when he gets back. Lifted his two wheel drive truck, but couldn’t make it up the muddy hill to get to the campout. Says he is buying tires with his tax free money, told him to buy a 4X4 instead.

SSgt Daniel “Meow-Mix” McCrillis: daniel.mccrillis@altus.af.mil Dan has definitely made his mark on Altus in a really short time. Forgot his line badges and ID card, received a free ride and tour of the Security Forces building. His uniforms finally have the right rank and patches on them now too. Makes some good Cornell chicken, doesn’t taste the same after a beer bong though.

SrA Ben Davis: ben.davis@altus.af.mil Our only true airman boom in the squadron, besides the students. Should clean-up Airman of the Quarter and Year pretty easy.

Departed/Departing:

SSgt David “Baby” Hust: Finally got out of the Air Force to become an officer’s spouse club member. Now following his wife to Keesler where she will be a nurse.

SSgt Jon Groleau: Picked up by Ohio as a part-timer for now. Ask him about getting stuck in the hell hole and on a flight with students.

MSgt Robert Jepson: Our resident Yeti. He’s been spotted in various places, but he is hard to catch and very elusive. Has some medical issues and should be retiring in a month or so. President of the “Anti-Randy Kay Mafia”.

HQ AMC Det 2, AMCAOS

SIMCERT

Greetings from AMCs KC-135 Simcert detachment! Our primary mission is certifying all KC-135 Operational Flight Trainers (OFT), Boom Operator Part Task-Trainers (BOPTT) and Cargo Load Trainer (CLT) simulators for AMC. Eventually the Boom Operator Weapon System Trainers (BOWST) will be certified by Det 2.

A brief update on the status of the BOPTTs, CLT and the BOWST programs. The two BOPTTs at Altus are the primary trainers for the KC-135 Boom Operator qualification courses. Both devices are currently still in use for training and are expected to be replaced by the Boom Operator Weapon System Trainer (BOWST) this fall. The CLT continues to provide an excellent platform for BIQ cargo load training.

Future training devices. AMC is finalizing the process for acquiring BOWST #3 for McConnell AFB, which should be operational by 2009. AMC is also pursuing the opportunity of acquiring eight additional BOWSTs for various bases. Finally AMC & AETC are looking at the feasibility of acquiring a ground based boom operator pre-flight trainer for the BIQ course. The trainer would be used to teach BIQ students how to pre-flight the aircraft/equipment and manually lower the gear & flaps.

This is my last Boom Signal input for Det 2 since I have PCS orders to the tropical island of Okinawa.

Cheers,

Tim

Tim Ballentine, SMSgt (AD) – PCS Kadena, Aug 08. “No my 1989 Dodge Ram Charger is not for sale” Looking forward to leaving this dreadful place and getting back to the real tanker mission.

ALTUS AFB, OK

Greetings from the Civilian Boom Association.

Updates: BOWST, Block 40 (GATM) and Contract Extension

KC-135 FlightSafety Services Corporation is now in our 15th year, having initiated boom operator academic training back in January 1993. We are currently under a three year contract extension which will expire in 2010.

February 2008 saw the initial BOWST shell arrive at Altus and be installed in our sim bay. We are awaiting more parts and further installation. The timeline has been changed and updated so frequently that we are currently using “summertime” as a reference for the first device and “wintertime” for the second device (no specific year). We’re still not holding our breath, but are enthusiastically looking forward to utilizing the new device which we hear is awesome. We did get to move our present BOPTT’s down the road to a different building in anticipation of the BOWST arrival (what genius decided on such an early move?). We still get Instructors across the street confirming what building to go to because they remember them being here in our building.

Block 40 training will be fully implemented starting with the 09-02 class in October 2008. The academic training schedule for Block 40 will be increased by 4 days to accommodate 4 preflights and 5 extra BOWST missions.

Our Current Roster

Phil Blaisse – If you ask Phil about house problems and country living, be prepared to be amused for hours. Between septic systems, air conditioning/heat problems to Buffalo in the back yard, it just doesn’t get any better than this! The new FlightSafety “15 minute break” policy is loved by all the smokers. Phil says if he could just smoke at his desk, all those problems would be alleviated.

Eddie Cole – His new motorcycle is turning Eddie into a hard core biker. He comes to work wearing leathers now (well, maybe not). Eddie enjoys the new e-pubs (or might if they ever get it sorted out). Teaching publications in the interim is sort of a comedy of errors but as Eddie is fond of saying “we can only teach what the book says.”

Terry Daffern – Terry finds humor in just about everything (we all need humor). If you need a sports statistic, Terry has one. There still doesn’t seem to be enough time to golf as much as he’d like. We recently got an e-mailed video instructing the proper way to throw a golf club, Terry is still using the “single-handed throw” though (refuses to learn the new technique).

George Dion – George has been studying the property values in the local area recently. We think he’s planning on retiring in “say it isn’t so” Oklahoma!!! George (being an East Coast Team sports fan) had a great year in 2007 with the Red Sox and Patriots. The Celtics are looking great so far this year as well. George thinks that the full social security plus full salary combination is awesome.

Chico Gallegos – Chico still keeps his Jeep spotless, but actually drives it in the rain now. He has been teaching classes a couple of nights each week up at the Vo-Tech. His vehicles are still among the cleanest in our office. He is eagerly awaiting release of the new Dash-1 change so he can redo his weight and balance courseware.

Roger Gossett – Roger finally got his “workshop/garage” to use his tools in. Ask Roger about table saw safety and “strap in” for a story. The students even teased him about it for awhile. He still has the same truck as last year but we figure he’ll trade it any day now since it has a dent in it.

Brad Hamann – Brad has stayed “smoke free” for almost a year now (but as some of the guys say – “nobody likes a quitter”). He rides his motorcycle in almost every day and thinks everyone who doesn’t is a wimp. Brad uses his power tools at home too, but so far has escaped injury. Brad pretty much quit the golfing scene, as his shoulder has been bothering him recently (that’s his excuse anyway). He stays busy modifying courseware and writing 847’s with Al (must be a competition thing between them to see who can write the most 847’s). The two of them seem to think there is a bonus if they write more 847’s than anyone else.

Al Miller – Al is still racing motocross all over the state, he’s finished 10th in his class the last two years – an awesome accomplishment (yes there are a lot more than 10 guys in that class). So far, so good – no racing injuries yet. Al is trying to stay ahead of Brad by finding more errors and writing more 847’s (way too much time on their hands). Al bought a Diesel truck just in time for the outrageous diesel gas price increases. His new GPS takes him to all those “out in the boondocks” race locations he goes to so he uses less diesel than driving all over trying to find them. Al still looks for mistakes in AFI’s and such (if only his TAPR’s reflected such scrutiny – this is another story obviously).

Rick Raprager – Still in a constant battle with the other agencies about keeping “his” cargo load trainer clean and secure. The weather has been much better this year for riding his motorcycle so Rick is a “happy camper”. He’ll probably have to buy a Corvette now since Marty did (hey, maybe we can all get a group discount on Vette’s).

Jim Reese – Boom Supervisor. The little red car actually gets driven to work almost as much as the truck (unless it’s raining of course when the car stays neatly tucked in at home). Jim still brings in home cooked meals for us from time to time (like some of us actually need more food). He tried out a convertible Corvette a couple of weeks ago but didn’t purchase after discovering it shimmied a little around 150 mph (it did fit in his garage just fine he says). It’s been a good year for golf so far with his golf winnings increasing all the time.

Marty Sabourin – Marty bought that convertible Corvette after they fixed the 150 mph shimmy, says it’s quite a rush to be going 200 mph and still be on the ground (I’m sure he misses all that active duty “transition”). Marty and computers – he’s so much fun to watch when something doesn’t go right. He still rides his Harley most weekends even though he has a Vette (I’d drive the Vette and sell the Harley). We probably need to send him to sensitivity training so he won’t make his students cry.

Chuck Stewart – Chuck has only golfed a handful of times this year, something about redoing bathrooms at home. Now he went out and bought a new car (Marty must have started something). Actually Chuck’s old car got rear ended and ended up looking like an accordion. We’ve been keeping Chuck busy teaching the new Block 40 courseware. How he manages to golf two or three times and still beat us is beyond me. His most recent golfing excuse is lack of hearing in one ear (and that affects golfing how???)

Lew Timbrook – Lew got a new car a few months ago and his dog liked it so much that he jumped all over it to check it out, Lew was not pleased but the dog is still living (most of the scratches buffed out). Lew volunteers time as a paramedic on weekends but his bedside manner leaves something to be desired “you’re gonna die”. Lew is a “testing” fanatic, if there is a test to take, Lew wants to take it. Now he’s taking his passenger test to drive the church bus (we need to send him to “testers anonymous”). Lew has another new little horse this year – he does manage to stay busy.

Steve Tuttle – Continues to supply Jim with money from “golf lessons”, could be a tough contender if he ever gets his putting game together. There’s never enough time for golf though. Still accumulating power tools and plans on using them eventually (needs to justify collecting them). His diesel truck is costing him a small fortune, but at least he gets to use it for what he originally purchased it for – to haul his new fifth wheel. Has a dual monitor setup on his desk now (tries to make others think he’s doing twice the work, but we know better).

Joe Surovy – Joe still collects courseware and publications on his desk (tough to find his desk under all the stuff though). Joe actually reviews courseware prior to teaching classes (makes us look bad). Ask Joe about his softball team; be prepared for a lengthy response (there are no bad players, only bad coaches). Joe has also been busy with the new Block 40 classes. He is another diesel truck buyer this year, trying to take advantage of the “low” diesel prices.

Mitch Malseed – Mitch still rides his Harley and is looking for a new “toy hauler” for his yearly Sturgis pilgrimage. The “Sturgis” beard is back, I guess it’s getting closer to that time again. Mitch has a couple of new horses too, must be something in the water up where Mitch and Lew live. There is also a barn full of Banty roosters and hens, not sure of the story behind that acquisition.

Losses

Greg Wheeler – Greg retired to California and promptly found himself a job working for an Indian casino out there. Wow, Greg as a security guard – with actual bullets no less. And you retired for what reason????

Bill Baker – Billy is now working down in Greenville, Texas working for 3com writing courseware for various military systems. Bill has been a grandpa since January and just recently has a new bride. He bought a new travel trailer (toy hauler) to carry his toys around. Billy comes by occasionally to say hi since his folks and his boys (and their families) are still living here.

Other Retired Booms in the area

Dean Pickering – Dean is still civil service and comes down here all the time to keep tabs on us. Not much to report, I asked him for his current happenings and he couldn’t think of anything – I told him he leads a boring life and he agreed.

News

Even though our throughput continues to be below the PFT projections, we get extremely busy during the Instructor course BOPTT’s. There are still a few foreign nationals coming through training in fact there are two Aussies here right now (May 2008). Whenever we discuss something in the future, we refer to “BOWST years”, since the BOWST timeline has been revised so many times we aren’t sure if any of us will ever see it. We hear there is a new Tanker coming on line soon (how many BOWST years away is that?). Great Boom Symposium this year, the associated golf tournament was awesome except for the lack of beer (how can you play golf without beer?) out on the course. Apparently somebody got the guest speaker all fired up about some friendly rivalry between 135 Booms and KC-10 Booms (like this is a new revelation?) and we had to hear about it during his speech. There’s always been good-natured banter between 10’s and 135’s; I hope it always stays that way (friendly). Maybe we can get the speaker signed up for sensitivity training the same time as Marty. What the heck, let’s all go to sensitivity training – “can’t we just all get along??”

“The MAINEiacs”

Greetings to all in the career field. It truly has been a very busy year for all of us, and here at the Maineiacs, there has been no exception. Lots of flying to go around. This year we finished conversion to “R” models. The only thing we booms got out of it was an extra APU, and keeping the pilots from thinking they are still in an “E” model at certain critical times, like full stopping, or fuel balancing. We have had some additions to our beloved “office” as The Chief refers to it, as we also have lost some folks too. Three former Booms that deserve a special place in our section of the signal is CMSgt Jim (Winch) Winchester (ret), MSgt Roger Macleod, and MSgt Tom (Beacon) Jones (ret). They all have passed away this last year due to illnesses. Their departure will be considered a loss to us as comrades and good friends. The rest of us are rolling along in our careers and lives and trying not to max out the ORM worksheet in our lives too much.

The Full Timers:

CMSgt Robert Phair (Slick) – The Boss got to go camping this spring. Too bad he had a criminal number to go with his sleeping bag and pack. We are sure he got to rub elbows with at least a couple of old heads that were just dying to get out in the wilderness.

CMSgt Bruce Geroux - Stan-Evil guru. When Bruce isn’t keeping us all in line, he’s either planning or executing a trip. He’s probably the only boom to have been into the flight levels without being on an airplane.

SMSgt Jay Ellingsen (Schmeg) – Training Flight guy – Cargo loading guru, is always busy riding fast things in his spare time. You suppose he isn’t compensating for a lack of something?

SMSgt Cheryl Martin (Skid) – Cher is busy recovering from back surgery, and counting her future retirement nickels.

MSgt Dan Benner (Dano), Miniteman, Pinky. Dan is our scheduling guy and does a great job at attempting to appease 80 some odd 8th grade mentalities. He is still convinced there is a place in the NASCAR Hall of Fame for Rickey Craven. This spring Dan gave the “walk of Shame” a whole new meaning .

MSgt Jim Dickson - (Jimmy D’Vin) Jims our SELO guy, and our newest AGR Boom. We send him out at 0800 for noon coffee. Rumor has it, he has had a close encounter with a White Rhino at one time or another.

MSgt John Haney – Still our Tanker Task Force Boom. If you haven’t run into him in the field as a mission planner, you haven’t flown a Coronet mission in a while. His suitcases get worn out quite frequently. Every day John looks more and more like the bouncer on Jerry Springer.

MSgt Fergus Kenny – (Boggy) Ferg has been working our Current Ops section for a while now. He has quit smoking for several months now and hasn't killed anyone yet. He still has an occasional long in tooth story about Donny. Who's Donny? Oh yeh, his buddy, and if you've got a couple of hours, he'll tell you about him.

MSgt Gerry Martin – Scheduling guru and our newest evaluator, on his off time you'll find Gerry roaming the Northwoods hunting down innocent young Grouse. He often forgets what the daily bag limit is.

MSgt Ray Rauscher – (Ray-Ray The Belly) is one of our Current Ops/TTF guys now. He got his first taste of snowmobiling last winter with the boys. He found himself chest deep in the white stuff more so than he was on the trail.

MSgt Ed Seymour – (Sped) Who doesn't know Sped. No intro needed. Sped works in Tactics/Wing Plans (the Chapel) and lately does a good impression of Sgt Hulka with the big toe.

The Part Timers:

MSgt Chris Boucher – (Bushy) Stealth boom. Seldom ever seen and hardly ever heard plugging away at his active duty retirement.

SMSgt Carla Cyr – Carla spends most of her leisure time on her pontoon boat, when she has leisure time. Hopefully she'll be flying again soon.

TSgt Mark Doughty – (Stretch, Chuck) The man with the most toys wins. Hello, my name is Mark Doughty, what can I do for you today? Also goes by the moniker "superboom".

TSgt John Fidler – (J.J. Buzzsaw, Shocker) John learned how to whisper in a saw mill.

SSgt Josh Grant - Who?,,,,,,Stealth Boom.

SSgt Paul Harriman – (Paul A. Moochie, Booze Bag, now Booze basket) There are defined zones we all encounter in life. We now have "The Paul Zone". He's now on the Blue Angel's hit list.

SMSgt Scott Hesselaine – (Mr Hydro) Round 2 at the local power company, working for The Chiefs brother.

TSgt Asa (Miso) Honey – Still working part-time at Margarita's Restaurant (Maine/Mexican?) and is always searching for his favorite beverage as he calls it, "delicious Bud Light".

TSgt Laurie Karnes – Laurie has a very full plate with three kids, husband, managing property, working at a local hospital. She does find time for the guard.

TSgt Ronald Martell – (Viet-Ron, Joe Peschi) My cousin Vinnie. Straight from Vietnam to the Boom Shop.

TSgt Andy Robichaud – (Robi) Is getting married to Ms. Loveless. Now he will have someone to give him a trim.

TSgt Shawn Stroup – (Stroupy, Stroupaloup) We finally lost our smartest donkey to the civilian world.

Squadron Leadership:

SMSgt Steven “Opie” Flax – Squadron Superintendent (EB): Our Chief Boom/Squadron Superintendent/whatever they want to call it now. Likes to talk about the A-Model days and how he flew with 1Lt Curtis LeMay.

MSgt Mark Lett – Operations Superintendent (IB): Loved the Boom career field so much that he decided to come back to be one, leaving his previous life of Flight Engineer on AC-130’s. Still haven’t convinced him the boom isn’t a 105 howitzer.

A Flight:

SSgt Joe Koch – NCOIC A Flight (IB): Our resident Rainman. Just got out of CFIC and is destined to marry Joe Blakely’s hot older sister.

SrA Shawn Thurman (MB): CMSgt(s) Thurman was busy getting married, then busy deploying to make money cause he found out his new wife liked to speed (\$\$\$). Constantly confused (even by his wife) for another boom in the squadron.

SrA Leighann Ray (MB): When you see Leighann, remind her that R is for reverse and D is for drive. Aaron’s truck and their garage door learned this the hard way.

SrA Justice Coker (MB): Justice recently got married and is finding out how blissful marriage is...by volunteering to deploy every two months.

B Flight:

SSgt William Perdew – NCOIC B Flight (IB): Dirty Will couldn’t figure out if he liked Mildenhall or Fairchild better, so he went to both of them twice. Not surprisingly the teenage pregnancy rate dropped in Spokane or New Market every time he left.

SSgt Aaron Leal (MB): Aaron has been anxiously waiting for summer to arrive so he can go”camping” again. Also Aaron recently became a daddy of a beautiful baby girl.

SrA Lainey Light (MB): Lainey got promoted to her current rank in May. We’re rewarding her with her first 60 day+ trip to the Deid. Congrats Lainey!

SrA Andrew Valence (MB): Probably one of our tallest booms. He is the same height as the rest of his whole flight’s combined height.

SrA Bryan Wilson (MB): Bryan and Craig Niswender have a contest going on to see who can deploy the most to see who can buy & fix their cars up faster. Bryan is currently in the lead since his car has paint.

C Flight:

SSgt Brandon Johnson – NCOIC C Flight (IB): Brandon has been busy trying to convince the rest of us that an apple-tini “is” a real mans drink and when he isn’t doing that he is arguing with Niswender on whose car is better. Brandon always wins this argument because...well his car has paint.

SrA Aaron “Manray” Ray (MB): Manray finally deployed, been there, done that. Paid back his wife for crashing his truck into their garage by pushing her car out when she got stuck and putting a dent in her bumper. It’s a Dodge Neon so a new bumper was \$5.

A1C Cameron “Patch” Murray (MB): Cameron is still looking for a dance partner. He prefers someone who knows how to salsa dance and we prefer he starts finding dance partners of the opposite sex.

A1C Larry Hamel (MB): Larry was the guy who sourced new PDA’s for the 92 OG to use for Form F’s (yeah, just Form F’s, riiiiight). Ask to see his “horse instructional video”....it’s a spinner!

Readiness Flight:

TSgt Lee Adkins – NCOIC Readiness Flight (IB): Lee recently Q-1E’d his recent check ride and became the 93d’s SME on right side hydraulic failures. About to get married this fall to a great woman. Congrats Lee!

Scheduling:

SSgt Aaron McLaughlin – NCOIC Scheduling (MB): Don’t worry Aaron still hasn’t forgotten that he used to be a U-2 crew chief so he knows more about the jet than anyone else does. However, he still can’t figure out why the KC-135 doesn’t have cameras mounted everywhere.

SrA Jamie Almquist (IB): Jamie confirmed the squadron’s belief in karma when he had a beautiful baby girl. We look forward to see what he will do as a new instructor. Ryan Soule is counting down the days till she turns 18.

SrA Luke Lawson (MB): This year Luke proved to us that he is not afraid of the ladies, but then again Luke is not afraid of anything. Chuck Norris bows in the presence of Luke Lawson.

SrA Michael Russell (IB): Mike recently graduated CFIC and then deployed to the Deid. He didn’t know which one was worse.

A1C Aaron Tessmann (MB): Aaron found out earlier this year he is not Jeremy McGrath by shattering his pelvis (you didn’t need that anyway) and breaking his arm in a motorcycle accident. He was so drugged up on medication he also thought he wouldn’t be deploying in 2008....BWHAHahaha!

UDM:

SSgt Ryan Soule – NCOIC UDM (MB): Been busy deploying, taking on 10 more additional duties, and still has time to B.S. most of the work day away. He’s the only person to ever come back from the Deid pastier than when he left.

A1C Justin Thompson (MB): If you fly with him don’t open the sextant port, because he will fit and get sucked out. Somehow proved he was reliable by coming into work daily, so we gave him 5 additional duties.

A1C Dirk Vanderlaan (MB): Dirk takes his additional duty as UDM very seriously. In fact so seriously he’s recently been sending out Myspace bulletins and instant messaging people to turn in their new shot records and vRED.

Training Flight:

SSgt Joe Blakley – NCOIC Training Flight (IB): Joe is doing well since going to instructor school, but he is still the only one we know that owns a suburban and has a baby seat in every seat of it. We are trying to pitch in and buy him the old 16 pax alert van... Just in case.

SSgt Ken “Special K” McLeod (IB): Been a rough year for Ken. He fought his way through Qatari police, found out you can't keep your foot on the clutch pedal while driving your new truck and expect the clutch to last more than 4,000 miles, and still finds time to lock new copilots in the bathroom on local training sorties.

SrA Craig Niswender (MB): Craig proves his manhood in the squadron daily when he pulls up in his primer gray Miata. When we give him grief about being a 6 foot tall male driving a Miata, he fires back in retaliation, “This is an 81’ Mazda! How dare you!”

SrA Joe Webb (IB): After going to the Deid for his whole career Joe finally found out that you can still wear your desert flightsuit and boots in an area that looks like Spokane (Manas). He is currently dating the entire female Eastern Washington University soccer team.

Stan/Eval:

TSgt David Nixon – NCOIC Stan/Eval (EB): PCS'd from Kadena and took over the Stan/Eval shop. Had a contest with Lee Adkins over who's the tallest Tech in the squadron. He beat him by a few inches, but he's still too short to ride the rollercoaster.

SSgt Lindsay Moon (EB): Lindsay decide that there are more bases in the Air Force than just Fairchild (his only one) and that he'd like to PCS to something new, diverse, and exciting....so he's going to Edwards to be a test boom.

SrA Dan Ragone (EB): Dan will be moving into the office when Lindsay leaves. However won't talk about all the “videos” the prior Kadena guys say he “directed.”

On Loan:

SSgt Oliver Mendoza (OSS) – (IB): Currently deployed, but then again he works tactics so that's explains it.

SrA Toni Fly (OG) – OG UDM (MB): Toni is still running around screaming and yelling at people and telling them what to do. We are trying to talk her in to going to anger management classes since she's a pissed off Chatty Cathy.

Attached:

MSgt Scott Smith (92 ARW/XP) – (IB): We're not really sure how MSgt Smith got put in the boom signal. No one has seen him fly in a really long time and he has some kind of BDU/ABU love going on. We all thought he cross trained to Loadmaster.

TSgt Chris Rueckert (OSS) – NCOIC Aircrew Training (IB): Chris is doing well since moving over to OST a year ago. He's currently the best Boom in the OSS who's a TSgt (since he's the only one).

SSgt Casey Darst (OSS) – (IB): Casey came up from the reserve unit at McConnell to help us out in OST. Great guy, except when he takes four hour lunches and his active duty counterparts go the vault for training and attend wingman and safety days.

Departed:

SMSGt Dan Michener: PCS'd to Seymour Johnson. Fat-bottomed girls of Goldsborough, look out. You make his rockin' world go 'round.

MSgt Robert "BK" Broiler: PCS'd to Altus.

SSgt Mike Brooks: PCS'd to Kadena.

SSgt Tim Carden: PCS'd to Altus.

SSgt Casey Killian: PCS'd to McGuire/CRW/Separated

SSgt Don Killian: PCS'd to McGuire/CRW.

SSgt Thomas Wright: Separated in April.

SrA Roberto Izzumni: Palace Chased to March ARB.

SrA Lonnie Mast: Separated in October.

Retired:

Mike "Sweaty" McPhee: Resident Flight Scheduler/Handlebar Mustache Club President. Sweaty is always out by 3:00 p.m. to warm up the van, open a new bag of candy and comb his molestache by the time school's out.

“Home of the Red-Headed Step-Kids”

Greetings fellow booms! Contrary to popular belief, the WA ANG is alive and well! It's nice to be able to send an input to the Signal despite the fact we sent our last "unit assigned aircraft" to Sioux City in October. We are still going through growing pains "associating" with our Active duty brethren here at Fairchild but at least we're still flying! Like every other unit out there, it's been very busy maintaining two alert lines, CCAB (Control Column Actuated Brake) FCF's, and deployments all over the world. In February, we received some sad news that one of our long time members, MSgt Sam Via died of a massive heart attack while playing rec. league hockey in Spokane. Sam retired as a technician about 5-years ago and was just 2-months shy of his 60th birthday. Goes to show you that the people who chose age 60 to start receiving our Guard/Reserve military retirements were hedging their bets pretty accurately. That's about it from the WA ANG. “FIRST IN REFUELING”

MSgt Dominic “Dom” Peterson: Dom is still at Fairchild and running the show here at the WIC as the Chief Boom. When not keeping the books in order and the budget straight he likes to take long walks on the beach (or the strip of Las Vegas) and curling up with a good book dealing with the larger things in life. He is not too sure what the future holds but an assignment at the local AARP branch looks favorable.

TSgt Phil “Mongrel” Landram: Mongrel is at Fairchild as the NCOIC of the scheduling shop. When not flying or pulling his hair out trying to get jets on the schedule he can be found tinkering under the hood of his shaggin wagon or out flying radio controlled jets (E’s will be flying them soon enough).

TSgt Jeremiah “Doc” Docken: Doc is the 509th king of Stan Eval (aka Maj Pagets cabana boy) and the squadron lawyer. Doc is looking at going to the CRG at Travis next year to see if he can solve the problems of the world and figure out a new way to deploy (i.e. RV’s for all!).

SSgt Brian “Seamen” Holbrook: Brian is the 509th training guy, money guy, travel guy, Zarkos annoyer, and usually gets all the other tasks that no one else wants to do. He has finally given up on making TSgt and is looking into joining the Navy as a Medical Officer or a Cruise Director on the love boat (hence “travel guy”).

SMSgt (Ret) Jim “ODB” Zarkos: Z is still here, still grumpy, and still thinking we are in SAC. When Z is not running the syllabus he can be found inventing new ways to pass gas (on the ground). Z’s bio can be found at the Smithsonian Aeronautical Museum right next to the KB-29 display.

OPS GROUP CEM / OGV

CMSgt Gary Elliott: Completed transition to the Ops Group CEM. He loves to get out and fly with the young boom operators to ensure they are doing things right! Doing an outstanding job managing the chaos that is the BRAC draw-down (e.g. assignments, squadron de-activations). His leadership will take us in the next direction for Grand Forks' Boom Operators. Chief takes great pride in Grand Forks AFB, this is his third assignment here. (On a personal note, he kind of reminds us of CMSgt (ret.) Dalton Pratt Jr., mind like a steel trap and he doesn't forget anything!)

CMSgt Matt Tafoya: Chief Tafoya stepped aside as our Ops Group CEM. We retired Chief Tafoya on 27 June 08, after more than 23 years of outstanding service. He came to the Boom Operator career field as a Cross-Trainee from Special Ops AC-130 Gunners, during the Command-Leveling of CMSgts a few years ago. He gave the Booms of Grand Forks a different approach and style to flying and deploying. Good Luck in your retirement Chief!

SMSgt Jeffrey Sidles: Taking the reigns as the new OGV Superintendent! Jeff is moving over from the 906 ARS and will bring a fresh set of eyes and a new perspective to OGV. Don't let his mild manner fool you, he's a stickler for the standards and will make a great OGV evaluator. His biggest task is getting ready for next year's ORI. Jeff brings a great deal of experience to the Group, KC-10, CRW, A-Staff at HQ AMC. Congrats on the move Jeff!

MSgt Paul Greene: The "Black Hat" of the Ops Group. Paul's been our OGV Superintendent since December 2006. His singular focus and drive successfully guided us through completion of the 2008 ASEV, where we received a "Mission-Ready" Excellent grade under the new criteria. He's had a lucky year, selected for promotion to SMSgt and received an assignment to Randolph as the next AETC Boom Operator Functional. Thanks for the hard work and for keeping the Boom Signal alive as Editor over the years. Good Luck at Randolph! (Hey Boys! The Bionic Emu is still kicking! They'll retire him from the USAF in a pine box! He wishes that SAC would make a comeback!)

HOME OF THE DAKRATS

Good day from the land of hockey, mosquitoes, and road construction! Until you've been here, it really hard to get a genuine feel for -60°. Although Grand Forks will likely lose all their tankers soon, we are still here carrying on the proud tradition of flying, fighting, and freezing. Most of us don't mind the weather because we're rarely home to loathe it. We've got quite a few new folks and a couple not so new ones too. The herd is thinning and there aren't any more booms forecast in. I'm not sure what assignment they'll threaten you all with once we close, but it honestly will be a shame. Despite the weather and deployment schedule, we have a great community and an even greater squadron. As I write this, we are currently the Air Force's submission to the Department of Defense for the David C. Schilling Award for contributions made towards national defense in the area of manned flight. We just finished our ASEV and UCI and received an Excellent rating on both of them! Although it's fun to poke fun at Grand Forks, it's genuinely a great place to be (closing). We'll be closing next year, but should have one more submission next year before we close up. The squadron came to Grand Forks from Minot and will surely end up somewhere else. We're all hoping for an associate unit basing at Hickam, but none of us are lucky enough to go with it. I can't imagine a Dakrat in a hula skirt.

The crew line up:

Staff (A.K.A. Old Dudes)

SMSgt Jeff Sidles	Squadron Superintendent	Jeff came back to Grand Forks and found it just as he left it; ice cold. Digging life and purchased a new Harley to celebrate the mid-life crisis. Fool me once, shame on you. Fool me twice, shame on AFPC.
MSgt Rod Viallon	Program Manager	Rod is smiling a lot, now that he has an approved retirement date. He's been a great contribution to the tanker community and squadron. He will be missed.

A Flight

SrA Paul "Augie" Marshall	Flight Chief	Paul's a recent ALS and CFIC graduate, flight chief, and dad. Ain't growing up fun! He's doing great things and has applied to go to Altus. It'll be their gain.
SrA Jerome "JJ" Jefferson	Flight Boom	JJ made SrA BTZ and is at CFIC now and will hit ALS when he gets back. He lives in a pet store/bachelor pad downtown with 2 other booms. He never forgets his IPOD or PDA, but the checklist, helmet, and boots are usually an afterthought. He was the University of North Dakota's Martin Luther King Young Leadership Award winner.

SrA Samantha Converse	"Sam"	Flight Boom	Sam has been working hard as a SELO in Stan/Eval and provided some much needed stability for the office. She has a great attitude, just don't tick her off. She got tired of guarding the pubs kits and volunteered to fill a couple deployed lines for us.	
A1C Levi	"Knife"	Knepper	Flight Boom	Levi's on his first deployment and was still smiling when he left. I hope he's still smiling when he gets back! Call him "Knife", he <i>really</i> loves it.
A1C Shane Williams			Flight Boom	Shane's still getting checked out in OST and will be joining our ranks soon. He'll likely have the distinction of being the last baby boom at Grand Forks AFB, ND.

B Flight

SrA Josh Martini			Flight Chief	Josh is one of our permanent deployed/TDY guys. He's really been doing a great job as a new flight chief. He can usually be found riding one of his two Harley's when he's in town.	
SrA Nathan Raab			Flight Boom	Nate's another pet shop boy that lives with JJ. Actually called me to say he may not make his check-ride because his roommate's ferret was sick. Cross my heart, you couldn't make up a story like that! He's at ALS this week and should be back all bright, shiny, and blue!	
SrA Lamar Daniel			Flight Boom	Instructor	Lamar made SrA BTZ and is our newest instructor. He's been tearing it up around the squadron. He's been working in scheduling so he can enjoy a bit more time home with his new baby, but is currently deployed. He's also an Altus volunteer and will be a great asset to the schoolhouse.
SrA James Hagene			Flight Boom		He's back from a tour in the Honor Guard and has just started working as a scheduler. He's looking for a Palace Chase assignment, so if you're looking for a good boom...he could help you find one. Another sharp kid with tons of potential.
A1C Nicholas Madsen			Flight Boom		Nick came to us after trying his hand at being an airborne linguist. It wasn't challenging enough, so he became a boom! He and his wife have a new baby, too. He's a great asset to the squadron and is looking forward to his first deployment.

C Flight

SSgt(S) Jered Danielson			Flight Chief	Jered was a DG and the Academic Award winner at ALS, but still goes by the nickname "Sniper". I'm not sure why, and that's just the way I like it.
SrA Jorge Rodriguez			Flight Boom	Jorge is another new dad in the squadron. He's been here about as long as anyone and is ready to leave. He's also been helping out in scheduling when he's not deployed.
SrA Titan Miller			Flight Boom	Titan was our boom for the Rodeo Team and is a really sharp troop. He doesn't say much, but has a super attitude about everything he does. He always gets a 100 on his PT test and should since he doesn't have a car and walks everywhere.
SrA Joanna Zagajewski			Flight Boom	Another super sharp BTZ winner. She was just selected for a Palace Chase assignment and a pilot slot to boot!

Others:

CMSgt Gary Elliott	319 th OG/CEM	Chief Elliott keeps us underlings hopping and comes to help us out on the schedule more than he probably should. He's missed here in the squadron, but is still an attached EB.
MSgt(S) Tom Ireland	319 OSS/OST	One of our attached dudes. Super asset and a soon to be SNCO!
SSgt Blake Powell	Squadron Boom	Blake is smiling even more than Rodney Viallon. His DOS is next month and is parting ways with the AF. He'll be in the local area finishing school but will also be missed.
SSgt Samuel Carter	"Wayne" OSS Scheduler and Honor Guard	Wayne's DNIF, but has been a great asset to the base honor guard. He was one a few that weren't fired following a drinking incident on an Honor Guard TDY.
Mr. Rod Cline	Retired boom/squadron scheduler	Rod is off to Hickam, now that he's an AF retiree/spouse. He's threatened to ride his Harley to the enlisted spouses meetings, but I know he won't go. He's been a huge asset to the squadron and is sorely missed in the scheduling office.
SSgt Jake Dieter	McGuire CRW	Jake departed earlier this year and is enjoying the new assignment at McGuire. He's soon to be a dad as well.
SSgt Nate Gibbs	Altus Schoolhouse	Nate's enjoying being back home in OK. His vacancy is another void that others are scrambling to fill.
SSgt(S) Bruce Bergland	Altus Schoolhouse	Bruce is going to be a dad soon as well. He was a great asset that is missed.
Kenny Bumgardner	Civilian	Kenny has moved home and doesn't miss the deployments much.

“HOME OF THE VIPERS”

Greetings from the Great White North,

As the BRAC process is starting we here in the 912th are planning for the squadron closure. We have been very lucky with assignments for the boom in the squadron. We have had 2 booms get UAV's and they seem to love it. We are also having luck with the PALACE CHASE program. We are still very busy, but the booms are doing great things all over the world. If you are ever in town, stop by because there will be a cold one waiting.

MSgt Sean Rix- Sq Superintendent- Still enjoying North Dakota

MSgt Chris Hargett- Ops Superintendent- Moving to Hurlburt, via a 4 month trip to the CAOC

A-Flight

SrA Joe Parker - Flight Chief- Hired by March AFB....he is happy. Doing great things with all the young booms. Did you know he was a male model?

SrA Jon Fleming - Always on the road....did you hear about the F-16 at Nellis. I bet it will not talk back to him again. Minus one TACAN antenna, four more and he is an ace.

SrA Alan Champagne - Always going to school. A ghost in the squadron. The only full time UND student that lives in Al Udeid.

SrA Zachery Chamberlain - P-Nut...do not ask why. A brand new boom doing great things.

A1C Shawn Racchini - Another new boom already in the desert and loving the job.

Amn Greg Bush - Our youngest boom! Almost 21, just ask him. Doing great things and getting ready to deploy. TDY to Grand Forks from Canada.

Training Flight

SrA Chris Ramey - Flight Chief- Chris is allergic to CFIC....a brand new dad. Finally got married to Melanie, she is keeping him straight.

SrA Curtiss Mills - The world's greatest airmen. He will tell you what is wrong with the Air Force at any given time. He is separating in Sept. We wish him the best.

SrA Ben Gagne - Sharp young boom. Always on the road either flying or on his VROD.

Readiness Flight

TSgt Ed Smith - Readiness Flight Chief- Just made MSgt...you should see his face. Still full of stories about the TALCE....move on Ed....the only mentor for in the world for Curtiss Mills and our resident light pole killer.

SSgt Paul Frey - Currently in BALAD as a TCN monitor.

SrA Goligowski - (Bankston)-Recently married a cop...yes a cop. Just found out that she is a mom to be. We are proud of her.

STAN/EVAL

SSgt Dave Thoresen - Recently received orders to Altus. He is looking forward to the move. He will do great things at the schoolhouse. He will be missed.

ATTACHED

SMSgt Dan Smith - HQ AMC/A3V-still regulating things.

SrA Kamisha Smith - OSS Tactics boom-still doing awesome things. She is busy with school and working the ROBE issues.

DEPARTED

SSgt Andy Holthaus - moved on to the civilian world. Shucks.

SSgt Creston Saul - got picked up by the Reserves as a Command Post controller. More time for him to watch TV and eat his KFC.

SrA Aaron Christensen - PCS'd to Cannon as a sensor operator. He is a great loss to the squadron. Cannon just gained another "Redneck" from Lake Tahoe.

SrA John Ertle - PCS'd to Nellis as a sensor operator. Another great loss to the squadron and to crews on the road. Always jumped on the hand grenade for his friends, we hope he takes it easy on taxi cabs in Vegas.

SrA Keren Rodriguez - Separated when the baby came. Great boom that has left big shoes to fill.

SrA Bob Haymond - Separated when his baby came to be a Reserve Loadmaster. Our loss is their headache. Let's hope he can find the time to deploy with all his drama and have his Mom call the Commander's Hot Line when things don't go his way. (No Joke)

SrA Adam Smith - PCS'd to Nellis. I hope him and John take it easy on the locals. He will be missed.

INBOUNDS

TSgt Tim Mitchell - inbounds from Altus. Looking forward to his arrival.

“HOME OF THE LEAD GEESE”

Well, it has been a very busy year here in OST, but things are now slowing down in order to start transitioning to the departure of the KC-135s from Grand Forks. During the year we graduated 8 new mission-qualified booms and immediately sent them to the desert! How's that for a graduation gift? I was surprised to get so many new booms with the mission leaving, but I guess they are here to close the 905th down and let those who've been here for a while finally leave. Thanks fellas! We keep our pre-CFIC candidates busy as well, giving them a taste of the good times to come down at Altus. They really enjoy having to go through CFIC twice... really.

Seriously, we were very busy with training, deployments, exercises, and an UCI/ASEV this year. We would not have been successful without the help from the folks listed below. I had the pleasure of serving with these fine young instructor booms and appreciate the outstanding work and professionalism they brought to the training shop!

Disclaimer: Nothing is too cruel if it's funny enough.

TSgt Tom Ireland – NCOIC. My time in OST is up - I will be moving on to take the reins at the 906th ARS. I had a great time here at our own little schoolhouse. Hopefully we prepared our instructor candidates for the worst and readied our young mission booms for whatever these 50 year old jets and new FPQ pilots throw at them.

SSgt Robert Willis – Cargo Training Manager/OST IB. I fought to get an IB back in OST and ended up with this guy. What?! No seriously, Willis is all over it! From cargo, to MCT, to pre-CFIC, to holding down the fort, he's got it covered. Now if I can just keep him from running off to Vegas to get married!

Red Nordick – Civilian Scheduler/Former IB. This guy kicks @\$\$! No joke; this OST house-of-cards would come crashing down if it wasn't for him. He did get a haircut, but the red-haired Norwegian lumberjack look is still kind of there.

SSgt Dave Thoresen – OST IB, on loan from the 912th. Dave made SSgt and immediately the 912th wanted him back to head up Stan/Eval. We also had the opportunity of working staff together at the Deid when just about every -135 crew in AMC showed up in a matter of about 24 hours. Good times. Hey Dave, still working on that novel?

SSgt Nathan Gibbs – OST IB, on loan from the 906th. Gibbs headed down to Altus to create more booms in his likeness. He will do a great job!

SSgt Kurt Hinson – OST IB, on loan from the 905th. Kurt made SSgt and the 905th immediately wanted him back to be a flight supervisor. I hear he's doing good work over there!

SrA Adam Smith – Tactics IB. Adam loves ROBE! I don't think we ever did get that system to fully work. Adam headed up the OSK Tactics shop and did a great job tackling the monster known as ROBE. He's now out at Creech blowing stuff up with the Predator.

SrA Kamisha Smith – Tactics IB. Despite the striking resemblance, she is not related to Adam. Kamisha is finding out why the ROBE system is so much fun. We're glad to have her on board!

I can't pass up the opportunity to mention our new MCT booms that came though this year. We had way too much fun with these guys!

A1C Levi "Knife" Knepper (906th ARS) – He said, "the K is silent, like in knife"... it just kind of stuck after that.

SrA Zach "Peanut" Chamberlain (912th ARS) – Do your parents know you're playing soldier?

A1C Shawn Racchini (912th ARS) – Tore thought MCT like it was nobody's business. It just earned him a trip out on the road sooner. Wow, the tan color of that flight suit really brings out your eyes.

A1C Dylan "McLovin" McMullen (905th ARS) – He had this nickname before he ever arrived on station and it fits perfectly. Yes, we even made him the Hawaii ID.

A1C Nick Madsen (906th ARS) – The "old man" of the group is passing his vast knowledge and experience to the young'uns. Valuable life lessons like beer before liquor, never sicker...

A1C Patrick "Pockets" Booth (905th ARS) – Dude, the stuff in the vault needs to stay in the vault!

Amn Greg "The Eraser" Bush (912th ARS) – Making paint disappear from the top of an F-16 is just one of his tricks.

A1C Shane Williams (906th ARS) – I wish his Altus instructor had done his job! I'm kidding Jason, but damn, that is funny!

Hello fellow Booms and greetings from the racing capital of the world. It is our pleasure to publish our signal, which was written by some of our talented TRs. If you are in town please stop by for a visit and maybe we'll take you to Bertie's.

CMSgt Jeff “Heffe” Maier (*ART and Instructor*) - Chief has been in power for a year now. His tear ducts have been surgically removed and his heart filled with antifreeze. Heffe lives to torture us all about how important it is to complete our CDCs and PME. “Stibbe you got course twelve done yet?” All kidding aside we are very lucky to have “Heffe” as our chief boom. “You have to spend money to make money”, right Chief?

SMSgt Paul “Doggie” Houser (*ART and Evaluator*) – Doggie is the training flight NCOIC. Whatever you do don't call Doggie on the Block40 SAT phone; his first words will be “How much is this phone call costing me?” In other words you just woke poor Doggie up from his nap.

SMSgt Jim “Booger” Maxwell (*TR*) - Booger just put on SMSgt, which the extra strip you would have thought he could afford to buy the Booms some beer, no of course not he's “cheap”. Like most commuter pilots, when they see a quarter in a urinal, they ask themselves do I pick it up, or leave it. Well let me tell you Booger wouldn't hesitate he would pick up the quarter with his bare hands, not thinking twice. “Hey Bogger where is our beer?”

MSgt Jerry “Shoe” Schumacher (*ART and Evaluator*) - Shoe has final moved out of the scheduling shop; he's now in the Safety office, where we never see him anymore. Shoe is a regular Elmer Fudd, "Shhhhhhhh, be vewwwy, vewwwy quiet; I'm hunting elkssss, heheheheheh"

MSgt Bryan “Dork” Hettinghouse (*ART, Evaluator /Flight Commander*) – Dork in the planning/scheduling shop; however, if you need Dork don't look for him at his desk, instead go out to the smoke pit your guaranteed to find him there. Dork has now recovered from his torn rotator cuff, and is back up in the air driving Booms crazy with his useless pieces of Boom knowledge. “And you wonder why they hire young guys?”

MSgt Tim “Monkey” Stibbe (*ART, Senior Evaluator/Flight Commander*) – Stibbe's still doing the body scheduling for the boom shop, where he drives Chief crazy with his lack of computer skills, and incomplete time-cards. “You need a pie chart? How do you do that Chief?” “Time card how do you do that?” Stibbe loves last minute PEX changes, mission changes, filling out his civilian time-card, and phone calls from Mud's wife. Don't you Stibbe? We all love Stibbe; around here he's a legacy. “Can I drink a Budweiser yet?”

MSgt Doug “Mud Vein” Preece (*ART, Cargo Evaluator/Flight Commander*) – Mud is the ground scheduler for the boom shop, he takes care of the TR’s between his busy schedule involving: personal emails, phone calls from his lovely wife Gloria, taking his boy to baseball, karate, or any other sport he makes his son pay for with his allowance. All kidding aside Mud does a great job in making sure we always get the required ground training done and over with. “Hey Mud how much does Casey pay for rent?” “You do know he’s only 8, right Mud?”

MSgt James “Dusty” Baker (*Art and Cargo Evaluator*) – Dusty has moved down to the scheduling shop. He enjoys fishing and hunting. If you like to drink on TDYs then, Dusty is your man. “Where does the time go Dusty?”

MSgt Dave “Frenchy” French (*TR*) – Frenchy is still keeping busy with his cellular phone business. I think that every antenna ever made is on Frenchy’s car, I’m not sure what he needs them for, but we think he might be talking to aliens, which would explain a lot. Frenchy still drives everyone crazy every now and then with his radio “knowledge”, but he’s a great guy. “Hey French, how did you get a TS clearance?”

MSgt Drennen Gaffney (*TR and Instructor*) – Drennen sold his soul to the devil or in this case “Heffe”, in order to put on MSgt congratulations man! He still works hard trying to teach the ARTs how to use computers, which in Stibbe’s case is a full time job.

TSgt Debbie “Yoko” Melton (*TR*) - Yoko got promoted to TSgt; we still aren’t sure how she did it! Congratulations Yoko, but where’s our beer? You still owe us beer for your promotion. Yoko still loves to buy purses, by now she must have at least a thousand or more “Hey Yoko you might need that divert bag {inside joke}.”

TSgt Chris “Nick” Nack (*TR*) – Nack still gets all the Hawaii trips so he can see his girlfriend of something like that. Nack just got promoted to TSgt and just like Yoko; Nack is cheap-ass and never brought beer for the Booms! What is this career field coming too, no beer for promotions? Nack has been a great addition to the unit. “We want our beer Nack!”

SSgt Brandon “Ogre” Toth (*TR*) – Toth has been with us for a year now, he’s now a full-time student at Purdue were he self-smarts-himself. Toth has hopes of becoming a pilot someday, “God help us all”. He’s been a great addition to the unit. “Duhhhhhhh”

SrA Josh “Lloyd Christmas” Fagerburg (*TR*) – Josh had a rough year, he earned the nickname “Lloyd Christmas” after the movie “dumb and dumber” upon crashing a brand new alert truck into a brand new crew van. Then Josh somehow fell down chipping his front tooth. I think we all know how he fell, right Josh? All kidding aside, Josh has been a great addition to the unit. “Josh put the tequila bottle down!”

New Blood:

MSgt John English (*TR*) - John came to us from Selfridge, after the BRAC closed Selfridge, we picked him up so he wouldn’t have to go thought the pain of Tampa. He’s only been in the unit for a month now, but so far he’s been a great addition!

SSgt Joshua Welch (*TR*) – Joshua came to us from the AWACS world, He’s married to his wife Jeanette, they just had a little baby girl not too long ago. Joshua is so new that he just started Boom school in Altus where is trying to be all he can be. We expect him to be back by mid July that’s if he passes Boom school. He did come from the AWACS! So far we haven’t heard from him much while at Boom School; except when he wants to get paid! So no news is good news “We hope.”

SrA Rob “Mr. SOE” Faurot: SOE (Sense of Entitlement) AKA “Rob Rob” (*TR*) – Mr. SOE was an active duty Boom at McConnell AFB, KS. He came to use after a two year break in service, where he spent time down in sunny south Florida running drug boats (just kidding). Ask Mr. SOE what happened to his condo in Florida. Mr. SOE is a full-time student at Indiana University; he has hopes of becoming a pilot. We wish him the best. “Hey Rob you got those awards done yet?”

Relocations:

CMSgt Jeff “Buck” Henry (*ART and Senior Evaluator*) – Buck is now the Chief Boom for the 72nd “Dark Side”. That’s right you heard me right; Buck is a Chief Boom. What is this world coming too? Buck hasn’t had his tear ducts removed or antifreeze pumped into his heart yet; he’s still new at the whole Chief thing. Buck is still a pretty boy; I think they call guys like him “metro-sexual”. Congratulations Buck you will be missed around here!

MSgt Kym “Agent” Orange (*ART and Evaluator*) – Agent has now become and ART, “Hell” just froze over! After 20 years of giving the ARTs crap, Agent, has now crossed over to the “Dark Side” in more than one way! Agent is now in the 72nd “Hey Agent, are you allowed to have fun over there?” We just can’t get rid of Agent! With all kidding aside congratulations Agent! We wish you the best of luck in the ART world; they couldn’t have hired a better candidate.

MSgt Paul “Cowboy” Sherrod AKA Piper (*TR*) - Cowboy didn’t stay in the squadron very long, he had to move to the 72nd “Dark Side” so he could put on MSgt congratulations man. Cowboy is still the resident Bag Piper; just ask him to play he’s always ready. “Hey Cowboy what’s under the kilt?”

Retired Personal:

CMSgt Kim “Mother Boom” Ayers (*TR*) – Kim retired in the summer of 2007, she took a civilian position with civilian personnel. We still bump into Kim every now and then, she’s loving life. We wish you the best of luck Kim.

MOBILITY OPERATIONS SCHOOL

DET 1

SPINS

Greetings from sunny Florida, home of America's Air Commando's and the Air and Space Operations School. This is a great location to be stationed and being here at the school house has been an incredible assignment. As with all good deals, the tribe has spoken and I am being voted off the island. I am still not sure of my next assignment but hope to hear soon. MSgt Chris Hargett was paroled from Grand forks and will arrive in January after completing the AOC Formal Training Unit and a rotation at the AOC as a tanker planner. If you are interested in this job, they want personnel who have AMOS experience or have worked in an AOC. Working for the USAF Expeditionary Center at Ft. Dix has also been a blast. They are constantly training a variety of combat related courses and have a very experienced staff and the leadership has been great to work with.

The mission of Det 1 is to provide instruction to personnel who will be working in an AOC in the Air Mobility Division (AMD) or deployed Command Post. From teaching tanker, airlift, AE and logistic troops, we also train the AMD Chiefs and the Director Air Mobility Forces-Air (DIRMOBFOR-AIR) The DM4 is the senior Mobility person in the AOR and works as a advisor to the Combined Forces Air Component Commander (JFACC). Winning the war just doesn't mean putting lead on heads, you need support and that is where the AMD makes it happen. From air refueling to air dropping munitions to special ops teams, the AMD keeps our troops ready and safe. I think the most important mission we have is the medevac. The survival rate of a wound soldier is in the 90% range due to the capability and competency of our great ground and aircrews.

Being an AMC unit that falls under an ACC Wing on an AFSOC base can be fun. The 1 SOW takes great care of us and always includes us in their activities. The survival training was great here and the best I have ever been through. You can't beat being picked up by boat and then evading via an H-53 PaveLow, they take their training very seriously.

Deploying to the CAOC as a tanker executor was the highlight of my tour at Hurlburt. Going to Manas as a First Sergeant and Chief Boom was great, I recently returned from Iraq where a team from my unit visited numerous Command Posts' training personnel on C2 systems. If you like doing things out of your field, this is definitely the job to have. I was fortunate to chosen for OPFOR at the AMC rodeo, I shot over 8,000 rounds of blanks and blew off over 100 ground burst simulators and smoke grenades, being a cop again was great but it definitely makes you appreciate being a Boom Operator.

My tour has been excellent but time to experience something else and make room for Chris. I would also like to thank the 384th ARS for all the great support they have provided on letting me stay current and knowledgeable in the ACFT. Having been on the ground and in the air I have seen the great job everyone is doing on defeating the terrorist and keeping our country and its allies safe, thanks for all you do!

Old Heads

SMSgt Cody Crowder (Chief Boom) – KC- 97,-10, and 135! He brings us years of experience and a level head (mostly grey). When he's not volunteering for a long flight to get out of the office, he lets people run around for awhile and then tells them what they need to do. He still runs marathons but nobody knows how.

MSgt Steve Hines (on the road) – After letting him be the First Sergeant for a year of babysitting, we now let him enjoy life and even go TDY. He's really glad some other guy got the Shirt job. One of a handful of Booms left that knows about Father SAC. He says he wants to retire but we've all heard that before from many old Booms. We wish him luck no matter what.

MSgt Brian Ouam - (former OGV and the guy that got the Shirt duty)

He still fiddles and plays guitar between family care plans, meetings and e-mails. He thinks Elforko Grande is going to keep a Sq, so he hopes to get an assignment there. He has always been a dreamer and that's why we tolerate him.

Training Flight

SSgt Bachleda (chewbacha) – Came to us from Macdill. He's got a good, big head on his shoulders and definitely needs it to fix training flight after Fat Larry moved. We're glad to have him.

SrA Christopher (yes sir) Pederson - After Poteet got through with him at Altus we had no choice but to put him training flight. This guy has lots of potential and is also a good kid.

When he's not playing guitar he's slaving over a hot stove cooking a gourmet meal, hair net not Req.

SSgt Mike Brooks – Came to us from Fairchild, loves his dogs and is pretty quiet most of the time. That's all we know so far.

Stan/Eval

SSgt Larry Nahalea (Fat Larry) – Well he's not really fat, just cuddly! Of course no one in the Sq really says that. Why is he in Stan/Eval? No one really knows! He does know what he's arguing about on occasion, at least that's what a FNG said.

SSgt Rory Wilcox – (Loly) Our big picture evaluator and resident funny guy. Get a few drinks in him and it's like watching Comedy Central. He always brings some nice looking local girl to parties; humor does go a long way after all.

Scheduling

SSgt Justine Pescatello-Parr – Came to scheduling and set the Os straight. She is our “Boom abuse minimizer” and we appreciate it. Everybody is really nice to her especially when a Thailand trip comes up. Curiously, all the FNGs are afraid of her.

A Flight

SSgt Ron McKinney (Flight Sup) – If you’ve seen the AF commercial you know how he refuels. So far he’s been a great Flt Super and knows how to write a LOC. Somehow he got all the trouble makers, but then again somebody had to take them.

SSgt Aaron Smith – Enjoying fatherhood and his new NCO status. How come after ALS they all say “I’ve had some bad supervisors” We didn’t tell him, but it’s all part of the evil plan by the Os to keep the Enlisted man down.

FNG – A1C Gregory Appleton (applenuts) - Part of the “new breed” or as I like to say almost like a civilian. We have hope for him and he tries hard, but we don’t know at what. Welcome aboard Gregory.

FNG – A1C Jonathan Alessie – He’s as cocky as they come, but can’t back it up yet. Hmmm, reminds me of most Booms I have known. He’ll be all right once he gets “the fear” or flies with our scheduler.

FNG – A1C Brandon Roberts – A college education didn’t stop this guy from becoming enlisted; that college was in Alabama strangely enough. Welcome Brandon, we look forward to making fun of your accent.

B Flight

TSgt Mark Babel (Flt Sup) (the gentle giant) – Former Stan/Eval, he wanted to write EPRs and do some babysitting so we obliged. He may look at you like you don’t know what you’re talking about but he is really using logic and reasoning to come up with a very good answer. He will be a great Flt Sup.

SSgt Daniel Maas (Moss Burger) – Still trying to figure out this married thing, says “yes dear” a lot. The only big guy that can max out his PT score. He is a good Boom and is on his way to becoming a great Boom. Keep up the good work, Burger.

SSgt Herman “Tre” Mackey III – Our TDY “working man” so to speak. He loves the desert for some reason, must be all the ladies dirty dancing in PT gear. If not for Tre, the story telling around here would be very dull.

A1C Stephen Fricano – All thrust and no vector; a victim of early Ritalin withdrawal. He’s always happy and that’s good, if he stops asking questions that’s when we get worried. Another good kid and were happy to have him.

FNG – A1C Cody Beverly – Our Tom Cruise look-alike and all American boy. Some people confuse him with one of our other “altitude challenged” FNGs. He’s a good kid, Mama taught him well.

C Flight

TSgt Michael Ingram (Flt Sup) – A former Awacker, back ender, scope dope or just goat. He brings a lot of knowledge to the team and is an all around nice guy. We are slowly scraping the AWACS stink off him but it is proving more difficult than we expected. On the plus side he was in a good aircraft made by Mister B.

SSgt Mike “The Count” Russell- He's is definitely "whipped", the married life has made him mellow; just wants to play guitar and spend time with the Mrs. We were all there once!

SSgt James Nielsen- Swears like a sailor but really is a nice guy. One of our cross trainer types who saw the light. He is always smiling which is a little concerning.

SSgt Steven “Peter” Sellers- Misses his "buddies" who always used to f _ _ l with him. Now that he’s a SSgt, people will respect his authority, unless they don't want to.

SrA Brian Porter – Came to us from Robbins; catching on quickly to the “PACAF way” and doing great.

FNG - Amn David Ballmer - Doing fine and living the Dream, what more could a former Waffle House cook wish for? Seriously he's one of our best young’ns and is often confused with another aforementioned “altitude challenged” FNG.

FNG - A1C Tyler Dickenson – Speaks some weird Afghan language but other than that is pretty normal. The only guy I’ve ever seen actually check tire pressure and fill out the 1800 on the Sq truck; this is the kind of thing us old Booms like to see. He will do just fine in this career field.

Attached

TSgt L.A. Yarbough (OGV) – L.A. was picked to replace the old red headed dude. He is digging right in and tackling all of the Pubs re-writes. When asked about PEX he got this joyous look on his face and then kicked me in the Jimmy.

TSgt Bobby Ryan - “Ricky Bobby” – Much happier these days, but he's always on the road, hence the happiness. Nobody really knows what bobby does in his spare time and that's just the way he likes it. He knows way too much about how to tell a fake girl from a real girl in one of the neighboring countries.

SSgt Johnny Gomez – Still at the OSS; a super smart guy who knows how to stay away from the Sq. Accomplishes all the day’s work in 15 minutes and then zones out for the rest of the day. He will be joining the remote control Air Force later this year; best of luck, Johnny.

Departures

MSgt Cliff Bond - Off to the CRG, formerly known as the TALCE at Travis, what a deal! He e-mailed and said stay away at first; however, we all know he loves it now. How can you not love being in the land of fruits and nuts?

TSgt Mike Webster – Off to McConnell, the only Flt Sup that really knew what he was doing. We already miss his wisecracks and back in "SAC" stories.

SSgt Jessica Chambers - We will miss the fun she brings to the Booms; always easy to work with and not afraid to work hard. (Before you ask, no one knows what that tattoo is or where it ends).

SrA Sena Alfaro - “Sena Weena Ding Dong” – The "Princess" is still special and a brand new Mommy. She’s headed for Macdill and we miss her already.

“PROVE IT FIT FOR FLIGHT”

Hola! from San Antonio! We live at the Boeing Logistics Support Center at Kelly USA (old Kelly AFB). Actually, Boeing lets us live in their paint hanger, but the fumes help you forget how hot it is. We perform functional flight checks on the aircraft out of Depot/PDM and GATM mod. Flight test is surely different from the operational world but, booms are booms and we can still find something to complain about. We basically support Boeing and Rockwell with test flights when they need it. We also pick up and deliver the jets occasionally. Every flight is like a systems class.

Oulela, Dean P. SMSgt (Deano) dean.oulela@lackland.af.mil , Reserve (AGR): Retiring 1 Nov this year. After a long 28 years Dean is hanging it up. Dean has done it all and his matter-of-fact, no BS approach will be sorely missed around here and in the boom field. Thanks Dean – well done!

Bonnet, John MSgt (John) john.bonnet@lackland.af.mil , Reserve (AGR): John just got here from Albuquerque. John is fitting in well here. Didn't take him long to figure out how things work around here. A great addition to the unit, when he's not here he can be found with his dogs, getting a hernia fixed, or working the local real estate agent office for a date.

Powell, Garrick. MSgt (Rick) garrick.powell@lackland.af.mil , Reserve (AGR): Rick transferred up the road to Tinker. Got 4 more years of AGR out of it and couldn't be happier.

Ringler, Gordon W. MSgt (Gordo) gordon.ringler@lackland.af.mil , Reserve (AGR): That's me! I'm writing this thing this year so of course, I will not mention anything bad or embarrassing about me. Happy in San Antonio-only a few years left. Palace Chase is the best thing ever and I'm still trying to tell these Rat Bastards that nothing is too cruel if it's funny-or true!

Stift, Amanda J. TSgt (Stiffie) amanda.stift@lackland.af.mil , Reserve (TR): The perfect TR, always want's to work and go TDY. Waiting for the AGR position to open once Dean retires. The girl is a marathon running fool! That makes for a bad PTL monitor.

I know Paul Greene wanted retired, dead, and all booms in the area listed but holy cow – this is San Antonio! That list would look like a metropolitan city phone book. Too many to look up and meet the deadline. Stop by if you deliver or pick up a jet here – we'll at least point you to Sea World.

“CENTER OF EXCELLENCE”

Howdy Yall! Greetings from the land of margaritas and breakfast tacos. The BBOC is fully up and running. Our instructor cadre is doing an outstanding job preparing the new booms for their upcoming training. CoE just received our very own KC-135 (Speckled Trout) from Edwards AFB, CA. We're looking forward to actually training our students on what being a boom is all about. If you're ever in the San Antonio area, don't hesitate to give us a call.

MSgt Eric Moyer (KC-10/KC-135): Staying very busy maintaining the CA/CRL account, ADPE account, completing elimination packages, signing student surveys, evaluating student critiques, guest speaker for graduations, oh, and when there is a free moment, writing CDCs. Still riding the “Busa”, but admit the riding was much better in Philly.

TSgt Justin Konicke (KC-10): BBOC Instructor Supervisor. Justin is working hard to keep the BBOC up to date with all the new courseware changes. He loved being a staff so much that he decided not to sew on his new stripes for a few weeks after his pin-on date.

SSgt Chardo Richardson (KC-10): Our newest instructor enjoys being on the podium teaching. He also likes to hit people in the elbow with his teeth while playing basketball.

SSgt Robert Miller (KC-135): Another Instructor who keeps the students on their toes. He broke his finger playing basketball the same day Chardo was hitting elbows with his teeth. They were holding hands in the ER.

SSgt Deboris Leonard (KC-135): Aircrew Fundamentals Instructor (Formerly known as EAUC). AKA “Flavor Flav’s lil cousin” because he enjoys taking clocks from other classrooms and stashing them. (We have pictures!!)

NEBRASKA AIR NATIONAL GUARD

Success is its own punishment. Not only has the Nebraska flown several all boom sorties, but we very nearly staffed our last AEF with all boom or former boom operators. Eventually we will prevail!

MSgt Matt Ellison-traditional

He works for a local power company when he's not flying with us. His duties primarily include preflighting old E-Model engines used as electrical generators during power surges. He hasn't traded in his car for a mini-van yet, but he is considering a Dodge Caravan with a Hemi. Mathew.Ellison@nelinc.ang.af.mil

TSgt Gene Ernst-traditional

Former Hydraulics Technician, new maintenance nightmare. Gene frequently re-rigs booms in flight until they feel "just right". Gene.Ernst@nelinc.ang.af.mil

SMSgt Mark Forster-fulltime

Mark moved from Offutt to Lincoln because Offutt pinned their boom. He still works for ALLTEL and is engaged to be married. Mark.Fusco@nelinc.ang.af.mil

TSgt Brian Gayer-traditional

Brian changed from nuclear security to power production (nuclear insecurity). He is enjoying his new fulltime position but has developed a problem concentrating on refueling unless there are red flashing lights and warning horns sounding. Also had flashbacks, on his recent deployment to Souda, of when he was in the Navy. Something about climbing an anchor chain, getting busted, etc. Brian.Gayer@nelinc.ang.af.mil

TSgt Mike Hamernik – traditional

Works fulltime in the family wholesale tree/plant business. Reportedly has a hard time seeing the forest from his desk. Michael.Hamernik@nelinc.ang.af.mil

MSgt Mike Mayfield-traditional

The old silverback still works as a firefighter, slumlord and pool repairman. Also going through Charlie withdrawals. Michael.Mayfield@nelinc.ang.af.mil

MSgt Michael Minnick-fulltime

Biking Mike, still manages to ride to work 95% of the time (real tough in Nebraska). He and his Trek Madone average 5500 miles per year. Not bad for an old boom. Michael.Minnick1@nelinc.ang.af.mil

CMSgt Dwight Morehead-fulltime chief boom

170 OSS, Offutt AFB NE

SMSgt Leighton Michaelson, fulltime

After an extended DNIF (1 year +) due to knee issues, Layto is back in the Pod (at least at Lincoln). As the last boom in ACC he spends most of his time at Offutt doing non-boom stuff, filling in where ever he is needed (cleaning nautilus equipment at the base gym). Leighton.Michaelson@offutt.af.mil

Stowed the Boom

MSgt Mary (Bundy) Baker-

Now works in Security counseling aircrews on the state beer importation limits. 9 liters means 9 liters!

Lt. Andy Thimgan- traditional pilot

“Walleye” Thimgan is back from pilot training. We are nearing the point where the former boom pilots outnumber the booms.

Lt. Joe Remmenga- traditional pilot

Another boom gone bad back from pilot training and flying whenever possible.

Lt. Caleb Ramsey- traditional pilot

Nope, the record isn't broken. He's back from pilot training and mostly TDY to good scuba-diving locations.

MSgt Gordon Anderson passed away in May of 2001 and is remembered every year when the Booms meet at his gravesite for a Cigar. We have also started a local award in his honor, which we award every year in September. He is still missed.

SMSgt Lang Anderson- turned 60 and was forced into retirement kicking and screaming. Lang still contends that an obscure section of the US Code written during the throws of the Spanish American War allow him to remain on duty until every last Spaniard is driven from the Cuban countryside or 1899 which ever comes last.

CMStg Gary Bornemeier- retired upon reaching his 60th Birthday. He was spotted recently outside “Dukes” with a Coors light in both hands (sans little umbrella). Planning on having his hips replaced so he can continue with some old habits picked up in the ANG, i.e. dancing, dating, and drinking.

TSgt Kevin Block, he and his wife both left the Guard this to devote more time to their 3 children and civilian careers.

MSgt Bob Buck is retired, living in Papillion NE.

1Lt Ben Navratil-

Ben left the Air Guard for a position in the Army National Guard where he works in mobility (which is a busy place for the Army Guard)..

TSgt Joe Rodriguez-

Left the career for a position in Finance. Still convinced he's both immortal and only 25.

MACDILL AFB, FL

91 ARS

“HOME OF THE BOLTS 2008”

Greetings from the 91st ARS, home of the 2007 AMC RODEO Best (and youngest) CARGO LOADING TEAM. Another busy year in Florida, luckily we made it through 2007 without a single hurricane; we're keeping our fingers crossed for another quiet summer. We sweated out our HQ AMC ORI last summer in Gulfport, MS and came out on top in true MacDill fashion. We are now entering uncharted waters as our integration with the 927 ARW Reserve Associate comes on-line. Anyone need a job? Several booms chose to remain in Michigan rather than relocate to sunny Florida. AFPC remedied last year's rank shortage by sending us 3 MSgt AWACS controllers, lesson learned, be careful what you ask for. They will make great booms if we can just get them to respond to "Boom" rather than "Iceman" & "Viper". Despite all the challenges MacDill continues to have one of the finest collections of Boom Operators Air Force wide.

Operations Group Superintendent:

SMSgt Doug "The Flash-back" Gosch (IB) – Just upgraded to IB. SMSgt Gosch can't wait to break in a new boom or just tell you a story about Charlie and the AC-130. He went on his first deployment as a boom this year. He cried every flight wishing he could go blow stuff up, like back in the old days.

Operations Group Stan/Eval:

SMSgt Todd Daniels (EB) –The Noun is the Adj Boom of the squadron. We are looking forward to verb him over to place where we'll get all the Noun we can out of him. Todd is in OGV and will be heading to the Wing IG soon.

91st ARS Superintendent:

(S)MSgt Dave "Candy Man" Steiner (EB) – SNCO of the Year here at the 91st and well deserved. Whether it's making sure everyone is safe from Duddleston's exploding blues or giving January his options on how he is an idiot, Candy Man always handles it like the SNCO of the Year.

Operations Superintendent:

MSgt Bert "Tight Shirt" Fristad (EB) - Bert is our squadron chief boom and when he is not taking charge of our daily issues he is out trying to find the world's tiniest shirts. Bert's voice has been getting higher pitched over the course of the year; we don't think it's due to the tightness of the shirts anymore. Special thanks to Google for the impressive article on young Bert. B..B...B...Brr...Breee....Breakaway Bert!!!

Readiness Superintendent-

MSgt Dave “Lurch” Coggin (EB) - Recently acquired from Altus. We can't issue anymore flight suits for our troops because we have to allocate separate funds to replace the top door jams around the squadron. Davey...Davey Coggin!

Scheduling:

SSgt Matt “LB” Janson (IB)- Matt is Little Bert because they are such a tight team that if there were anymore room in Bert's shirt that is where you would find Matt hiding. No wonder Bert's voice is so high pitched. Matt is one of our scheduling NCO's and currently working to palace chase to our reserve associate unit.

SrA Omar “Rogaine” Ellis (IB)- Omar has achieved a lot this past year, keeping his hair line from receding has not be one of those. His plans are to separate and attend “film” school. Well maybe he can watch Janet's super bowl performance and learn a thing or two. Always a great drinking story from this man! He is the life of the party in our scheduling office.

SrA Michael “Hannah Montana” Fagan (IB) - First boom to go to a bay area prom. We give him a lot of crap about it, but I think he just needed to find a new group of people to drink with since he can't hang with the big boys. Mike went to instructor upgrade this year and is working in the scheduling office.

(S)Sgt Dan “Puke” Newcome (IB) - Great year for Dan. He went to instructor upgrade came back, shipped him to the desert. Came back then shipped him to the scheduling office. Got to scheduling then sent him to ALS. We're still waiting for Dan to go postal on the squadron, but he still hasn't scheduled himself for that yet. This man is a big fan of ALS and the Deid's bottle water wrap in his helmet bag. If you smell something funny by the pool tables at Whiskey SoHo, point the finger in the direction of “That Guy”

Training-

SSgt Jeremy Barnett (IB) - Deployed...finally. Nuff said. Just kidding. But not really. Jeremy was selected for the AF physician assistance program and will be moving on next spring. We moved him over to the OSS Scheduling shop to help smooth his transition out of the boom career field..

SSgt Jeff “The Midget Strangler” Gaston (IB) - Dreams one day of opening a dwarf escort service. Until the business is up and running, he will have to continue to pimp his little people out of his helmet bag. Look for his ad in the local yellow pages next year...”Little People, Big World” Thanks to the new movie “The Love Guru” we can now remove the amber alert of Verne Troyer and clear The Midget Stranglers good name. Jeff is still doing a great job in the training office.

SrA Jon “Grizzly” Adams (IB) - Jon is getting ready to test for staff soon. We're all wishing him the best. Still the reigning squadron cargo master. Jon has so much body hair he has to annotate it on the form F.

SSgt Chris “Where's The Beef” Schwan (IB) - Needs to raise his truck another ten feet so he stops hitting homeless people. Does a lot of charity work for young orphans, dropping off grade H beef. 9 out of 10 orphans can't tell the difference.

Mobility-

SSgt Travis Jones (MB) - Travis reproduced this year. Luckily the child didn't pop out with some 1890's English Gentleman's chops from the father's gene pool. Currently attending instructor upgrade at Altus.

SrA Travis “Meow Mix” Spurlock (MB) - Every week Travis comes home with a new cat from the animal shelter. We followed him one day to the local Chinese buffet. Maybe a coincidence, maybe not? Think about that next time you order General Tsao.

SrA Ross “The Red Man” Weiler (MB) – Still searching for a cure for his rash red skin. Much to The Red Man’s dismay Maury Povich has proved that Gollum is in deed his father. That would explain his hideousness.

SrA Andy “Dee Dee Dee” Reichard (MB) – Give this man a compass or a science book, because he does not know where he is, who he is, or what he is. Just like his 2004 entry, he is still waiting to get qualified...again. Extremely hard working, we can tell by the constant tired and confused look on his face.

SrA Joshua “The Auctioneer” Payne (MB) – He can do the talking for us. Just don’t expect to understand him. Newest to the mobility shop and yet we still can’t find him.

Stan/Eval-

SSgt Nick “GH” Harkness (EB) - Well this year was a big year for Mr. Stan/Eval. I think he finally gained two pounds. Now maybe a slight Florida breeze won’t knock him over. GH is finally separating this year. Good luck Nick!!! Hopefully you can decide soon if you want to be a professional midget wrestler in Mexico or go heffer camping around the world on all fours.

SSgt Joshua “Living the Dream” Abbey (EB) - Josh always starts the morning right. Standing tall and a smile on his face, he always offers a polite “Good Morning Sir/Ma’am”. One rarely hears a negative comment leave his mouth. Currently training at FE school, seems Josh has finally found his aura of happiness. Good Luck! Hope you get KC-10’s.

SSgt Mike “The Upper Vascular Hood” Fatone (EB) – The lonely Jewish boom in the squadron. Has been known to have a very personal relation with his moil for many years. Still more undecided about his own sexual preference than Andy Dick. If only we could get him off his boat, “It’s Raining Men” maybe we could find him a very voluptuous gal. Instead he spends his days fishing for the “Big One.”

SSgt David “Draino” Drain (MB) - Had his second child this year. Sure is keeping him busy. Holding down the fort in stan/eval. By holding down the fort we mean asleep at the post.

Safety-

SrA Eric “Juana C. Micah Kring” Flanders (IB) - Eric works in our safety office and in his free time he visits apple orchards owned “bi”Adam. Ned there is certain things that shouldn’t be let out of the closet. Fly Safe Man and stay on this side of the street. If you are in Tampa for a TDY please stay away from all “women” named Shayne. You may find a surprise at the bottom of the popcorn box. If you’re in Tampa please make sure to give Ned a wave. He will be the one in the black Camaro with the student driver signs all around the car.

Execs-

SrA Desiree Dell (MB) - Desiree had a little baby boy this year. Got bit by the cycloptic anaconda swelling her up and putting her down for 10 months. Just kidding... but no really. Great to have her back at work.

SrA Jose “Latino Heat” Prado (MB) - Jose is our Latin American public affairs official. Since we can’t understand what he says half the time we figure he is doing a good job. Has been known to urinate on random Italian scooters while intoxicated.

A Flight-

TSgt Michael “All Present and Accounted For” Rodriguez (MB) - We’re still trying to learn how to speak T.I. so we can finally understand this guy. You can hear him coming down the hall from his taps. Even this guy’s desert boots have a shine to them. You go AF Warrior!

A1C Michael “Just Load It” Otway (MB) - Whether it’s a 1000 pound girl or a 1000 pound pallet, he’ll take it no questions asked. He likes his women like he likes his bottom feeder fish... big, salty, and wet.

A1C Thomas “Dorm Lizard” January (MB) –Tom is our newest and youngest boom and he is still trying to find his way around the squadron. We think his lack of direction is caused by being wet behind the ears or the gravitational pull of his women.

B Flight-

TSgt Daniel “D-Ray” Ray (MB) - Recently cross trained from SFS. Good thing there is an open slot for Hatfield to fill. D-Ray thanks for proving a pig can fly!! Great to have you on the dark side now.

SSgt Timothy “Hot Pocket” Hatcher (MB) - Crispy on the outside, warm and gooey on the inside. Joined the Air Force after being fired as Danny Devito’s body double in Batman Returns.

SrA Chris “Touch my glutes” Fallon (MB) - Can’t keep this guy away from the gym or the local bars. Wants to be a firefighter, we think he just wants to handle the hoses.

A1C Phillip “Frenchy” St Pierre (MB) - Our local National Geographic Videographer. He has been all over the world taking shots of the Black Mamba and Niagara Falls.

A1C Chris “I’m too sexy for my big head” Shaw- Still the biggest and loudest boom to hit this squadron. The only thing to shut this guy up was him fondling Ned’s “member’s only” ring.

C Flight-

SSgt Roderick “Putt” Taylor (IB) - Putt thinks he is the man of the squadron now. Just coming back from instructor upgrade and owning a “muscle” car. Still no one here believes he is trying to compensate for anything.

SSgt Justin “Metro” McClanahan (MB) - Better known as Justine out in the dirty desert. We don’t know if he is giving it or taking it for his country. Just purchased a new motorcycle. Just three red bulls and a pack of cigs and you can be his wingman anytime.

SrA Kris “The King” Echols (MB) - Kris is the majesty of the brown bag trivia and secretly dating “Window #2” at the world renowned base BK. The fryers have not been able to keep up with his secret love life since Kris has passed his PT test. Which is a shame because we could have lowered the world’s energy crisis with the bio-diesel made from the tears and sweat attending PT boot camp.

SrA Dan “Unbelievably Serious” Duddleston (MB) - Hey!!! But seriously. Dan has been here for some time now. I am serious. Although, when going TDY, he tends to dress up in women’s bathing suits that are three times too small. But seriously. He will be a great addition to the cripple force due to his softball incident...thanks Dan. I am not an expert on these types of things, but seriously. If you can hear Dan please raise your hands. Seriously!

A1C Odell “New or Used” Sims (MB) - Upset that Hot Wheels wouldn’t accept his Asian Car style for their next concept toy. So he takes it out on everyone’s ex-girlfriend.

Randoms-

(S)MSgt Edward “Red” Penton (MB) – New to the boom life. He lived on the other side of our boom on an AWACS. He is really big on education and pushing our young airman to get in the class room. Ed is bringing some great leadership to our young squadron. Congrats on being selected for Senior.

MSgt Julian “VooDoo” Joseph (MB) - VooDoo brings some great experience and leadership from his prior AWACS life. V.D. puts the “clap” in our squadron’s day. V.D. is “dripping” with knowledge and information. However, V.D. is not a force to be reckoned with. He has a very short temper and seems to flare up once a month. Don’t mess with V.D. he will burn you in the end.

SrA Mark “The Frito” Fioritto- Straight from the black knights and were glad to have him. Getting ready to test for Staff soon.

Wing-

TSgt Dave “Scurry over to my Scooter Sweaty” Tickle (IB) - Dave is the man with the plan, that’s why we keep him locked away in XP or maybe it’s because we don’t want him to go postal with his arsenal of weapons.

OSS-

MSgt Keith “Just Load It, I’ll Watch” Jauss (MB) - Keith is the OSS superintendent and cargo supervisor of the year award winner. Rumor has it that he is coming back to the 91st and he will definitely be welcomed back.

SSgt Dustin “Earnhardt Jr +100lbs” Clark (IB) - Still in the OSS after 2 years has no plans to come back over to the squadron just like he doesn’t want any more kids. Future generations will thank him.

SSgt Heath “Hambone” Hampton (IB) - We finally moved him out of the squadron and put him in charge of tactics. We rarely see him, and suspect he is in the vault sobbing and playing “Tears on my Guitar” by Taylor Swift. Check out some of his tunes on MySpace or YouTube and wait patiently for his next album “For the Ladies.” We’re still waiting for its release date.

SSgt Nathan “The Pooper” Hooper- Nasty Nate is a proud owner of a BMW and if you got an hour he will tell you all about it. Don’t really get to see him much since he is over at wing scheduling and normally handcuffed to his girlfriend. Plans to separate in Nov. and remain in Tampa.

Lost this year-

A1C William Hatfield- Never really lost this one

SrA Sam “Smell my Sock” Drossos- Went to a better place

SSgt Jonathan “Scooter” Haas- Recruited to recruiter.

SSgt Al Pelletier- Pissed off at Mildenhall

SrA Justin Hunter- Took his ninja skills to AFSOC.

SSgt Bartek “Bach” Bachleda- Kadena Giggity

336 ARS

“THE FIRST AND THE FINEST”

Well.... change is a good thing. At least that is what we keep telling ourselves. The boom operators in the 336th ARS never cease to amaze the powers that be with our adaptability and lean forward attitude. From a most successful AEF and the usual “First and Finest” showing for our ORI - we retired some old heads, gained some precious young faces, stole the best booms from the 163d Grizzly’s and still flew a record 4200 hour flying program. Following is the list of some of the most successful individuals ever to fly the boom of the KC-135 aircraft:

ALLEN MICHAEL (MSgt/ART) – This squadron’s “go to” guy for anything and everything. Mike is always quick with a smile or finely honed impersonation. Mike is the first (alphabetically) of our former “Grizzly’s” from our Guard guys at March. He will do the work of ten booms and then thank you for the opportunity.

BAXTER “BEANS” Rob (MSgt/Reservist) – Our Beans will be retiring in August 2008. Still holds the title of “best girlfriend” for the 336 ARS female booms. Also voted “Best Boom to go TDY with.” What are we going to do without him?!?

BRADBURY JOHN – (TSgt/Trougner) AKA Evil Knievl - One of the solid rocks in the squadron. We can count on John to fly anywhere on any mission...especially if there are flight nurses. John is on a mission to train our baby booms in the ways of the world; Mossbarger, Casey, Fitzgerald beware! On another note, if you need a motorcycle course taught - John's your man. He's expertly maneuvered the laying down of two motorcycles. Walked away both times.....sort of.

BROTSCH ERIN – (TSgt/ART) – Such a sweet innocent face. Almost angelic. **NOT!!!!** Erin fits in quite comfortably with the rest of the girls in the boom shop. Some of the thought provoking phrases that pass her lips blush the faces of even our most seasoned “ladies” i.e. Nic, Yvonne & Deb. Another former Grizzly, she has quickly become a valuable asset to the 336th. Her hard work, dedication and team spirit has landed her an ART position working in our UDM shop. She has assumed a strong leadership role for her peers to follow.

CANADA NICOLE – (SMSgt/Reservist) – Apparently there were some rumors going around that Nicole was married and lived in St Louis. **All LIES!!** It was actually her evil twin. Yes.... more evil then Nicole! The truth is our Nicky is single, working for Boeing, living at the beach. Now...the rumor that she somehow used her womanly boom skills to convince the Air Force to put Boeing’s name back in the running for the new Tanker probably is true. ☺

CASEY “DREW” ANDREW – (SrA/Trougner) – Drew transferred to us from the rescue career field. I guess helicopters in the great state of Washington didn’t have the creature comforts that the Tanker offers. (Yea Right!) He has settled in nicely – blowing that active duty stink off in record time. Another one of our hard charging airman helping to perpetuate the 336th “first and the finest” reputation.

CASTRO “Oz” OZZIE – (TSgt/Trougher) - An all around AWESOME guy! What can we say...recently recognized for his dedication to the mission and as an outstanding scholar. Juggles a schedule like no other, he's our brains of the bunch and future instructor. Looking for Ozzie to go places.

CONTRERAS AL – (CMSgt/Trougher) – The term trougher would actually imply that his only income is from the 336th. But, he is never here and it doesn't appear he has a job in the civilian world. Weird. Actually, he is the Operations Group Superintendent and is busy with his “honey do” list from our Ops Group commander. When we do get to fly with Al - it is always a treat.

DEJAUREGUI FRANK (SMSgt/ART) – Frank “DJ” is our 4th Air Force boomer. When he is not too busy with SAVs, the 336th enjoys his company on our local flights and in our recurring ground training classes.

FITZGERALD KENNY – (SrA/Trougher) – Our little Kenny is an outstanding young man and works very hard to get the mission done. In fact, during the last ORI he leaped ahead of his peers in front of the IG Inspection Team showing them the true agility of our younger airman. We are keeping an eye on this one. We expect great things in his future.

GUMARANG REY – (TSgt/Reservist) – Ray works with the 452 TALCE and is a local deputy sheriff. He has finished his next level of PME and is looking to become one of the coveted “Top Three” at March Air Reserve Base.

HORNER KENNY – (SMSgt/ART) - Diehard Minnesota Vikings fan (poor sap). He plans to move to Minneapolis with Erica once his kids leave the nest so he can stalk the team. Not that he has stalker tendencies (cough, cough) but something tells me he'd be good at it.

IMAIZUMI “Zumi” ROBERT – (SrA/Trougher) – We stole this young man from Fairchild active duty. He tries to come off as the quiet “fade into the wood work” type. We are pretty sure it is an act. Apparently the T-shirts he sports on TDYs confirm this buzz. As with the other young boomers we have been lucky enough to acquire, his fresh outlook and young spirit is a welcome addition to our family.

IRISH JJ – (MSgt/Trougher) – The thugs is Southern California are breathing a sigh of relief now that they know JJ has retired from the Riverside Sherriff's Department. Now that's he no longer Deputy Donut, the 336th gets to use him as one of our newest and oldest troughers sucking up pay days from our younger, poorer airmen.

JOHNSON DORIAN- (TSgt/Reservist) – Dorian is truly a complicated individual. We are all trying to figure out if he is really smart, really stupid or truly a blonde. Hmmm? I guess only his hairdresser knows for sure. Another former Grizzly, we have grown accustomed to his quirky character, contagious smile, and great attitude.

LONG ROBERT – (SrA/Trougher) Oldest SrA on the planet. (You have to rib him a little!!) His favorite quote is “Life is good as an Airman.” Really though, he is a kick-butt boom operator and consummate mentor to our new kids. A true Gentle Giant.

MASSEY CURT – (CMSgt/ART) – Curtis is our 452d Group Stan Eval guy. I must say that the most impressive accomplishment we pulled off this year was establishing a 336th Stan Eval office. Just in time I might add. Poor Curt was swamped with the grueling, time consuming, arduous workload that a group level Stan Eval office can demand. Luckily, Phil Stidham, the new squadron Stan Eval NCOIC, was able to relieve him of some of this stress. Now Curt can coast into retirement and spend more time with his beautiful grandbabies.

MCGUANE DEBBIE – (CMSgt/ART) - Congratulations goes out to our new Program Manager and Chief Boom Deb McGuane. The "Big Guns" have arrived! There's no doubt she's motivated to instill a sense of "Boom Pride" in all who cross her path. But Deb...I mean "CHIEF"... does this mean no more dancing on the bar??? Congratulations. The promotion was well deserved! If she could just try to remember the 336th boom shop does not live on Walton's Mountain and we can't *all* be happy *all* of the time!

MOSSBARGER TERRY - (SrA/Trougner) – TJ is another young, bright and shiny face we have acquired. Brand new to the Air Force Reserves and the booming business! TJ loves to fly and go TDY, especially Hickam and Guam. He's our "Surfer Surfer Extraordinaire"...Living the Southern California Dream. Hey Terry, get with TSgt Bradbury he'll teach you how to properly lay down your new motorcycle or better yet, you might want to trade it in for a VW Bus. Surfs up dude!

PRESTON TIM - (MSgt/Reservist) – Currently a boom in training. Tim, we hope all is well in the lovely land of Altus. No worries...you're not missing much except the beach, the mountains, and a beautiful summer in sunny Southern California. Hurry home.

RAMIREZ ROBERT – (Soon to be MSgt/Reservist) – Robert is a pleasure to have in the 336th boom shop. He is always in a great mood and can always make us smile. He is most definitely the female booms “2nd Best Girlfriend” after Beans Baxter. His former life as a personnel specialist gives us some “ins” at the MPF too.

SAMMONS BRIAN – (MSgt/ART) – Our new NCOIC of Training Flight; he reluctantly gave up the reins of 336 ARS UDM shop. Doing a great job of filling the rather large shoes of the former training flight NCOIC and cargo loading supervisor. Overheard saying he wished Erica was here to teach the newbies how to marshal in K-loaders. Also our newest evaluator, it appears that Curt Massey has groomed his mini-me (minus the flat top). Watch out booms!

SCOTT AARON – (MSgt/Reservist) – Aaron is the most recent boom we stole from the Grizzlys. He has already volunteered to deploy on our AEF for the entire time. You gotta love that. Aaron is glad to be back in the booming business and we are glad to have him. I heard rumor that the handful of Grizzly kids we have secured are thinking of coming up with their new call sign combining the Grizzly and RRAT animals. Yikes!

SELL YVONNE – (TSgt/ART) – Newest 336th body scheduler, and doing a great job! She loves being able to tell people what to do and where to go. Why do I suddenly have visions of whips and black leather?

SINCLAIR BRIAN – (TSgt/Reservist) Brian is our second TALCE guy and he also works for the Riverside Sheriff's Department. Brian is able to squeeze in a few TDYs and flights in between his TALCE commitments and catching the bad guys.

STIDHAM PHILLIP – (SMSgt/ART) If you recall earlier I said “change is good” Well... not so much for Phil. He is our new 336th Stan/Eval NCOIC. He hates it. He hates PEX. He hates FEFs. I think I heard him say he hates Deb. Wants to know why he can't just be the squadron vehicle NCO. Old dog. New tricks. You know the routine. The hardest part was actually getting Pack Rat Phil to move to a new office after being in his old one for 14 years. Dear God he had a ton of sh\$! Anyway, now that we have a Group *and* Squadron Stan Eval office, nobody knows what Curt or Phil's duties really are.

RETIRED/SEPARATED

DUNNING ROBERT (CMSgt/Retired) – Bobby Dunning moved on this year. He was lucky enough to secure a civil service slot as the Project Officer Quality Assurance Rep with our Flight Safety folks here at March. We put together a grand retirement party for the Chief that turned out to be a mini-336th reunion of sorts. A true gentleman and friend to the 336th booms his departure is felt by all of the men & women in the 336th.

JIMENEZ TINA (MSgt/Retired) – Tina has retired since the last time this signal was posted. She was part of the original generation of boom operators in the 336th. Her legacies of Rum & Coke and wrestling with the boys will be forever remembered.

JOHNSON BRENT (MSgt/Retired) – Brent now lives in Vegas, we think. Someone said he was a Las Vegas Police Officer. Not confirmed. Apparently he put his retirement paperwork in. We are still looking into that. Oh well. Hey Brent, if you are ever in town, give us a call.

WALKER “MO” MAURICE – (SMSgt/Retired) No mo Mo. Maurice has retired from the RRATS giving himself and his family more time to enjoy the finer things. If you are ever in California and see A CHP officer poppin’ a wheelie on his motorcycle say hello because it is probably Mo behind those Foster Grants.

ROBBINS AMANDA (SrA) – Amanda decided she is better suited to live the family life. She has married an active duty troop and they live in a happy home in Arizona. Her selfless volunteerism and first-rate assistance in the UDM shop will be greatly missed. Have a happy life Miss Amanda!

Well, that is about it from Southern California and the 336th RRATS. Next on our plate is another AEF (I guess we will always be able to say that) and to welcome our active duty associate unit. We understand they will be here after the first of the year so we are busy making room for our fellow airmen and cleaning up some of the filth that has accumulated in our building. Of course, the filth that hangs on the walls of our “Heritage” room will have to stay. Special thanks to the authors of this year’s Signal: Nicole Canada, John Irish, Deb McGuane and a cameo appearance by one of our former boomers, Erica “Scott” Steffenson.

RED FALCONS

Greetings from the land of Dorothy and Tornados!!! The mighty Red Falcons started the year off at full speed with TWO, yes that's right I said two ORIs and have not slowed down since. This year is one of changes as we swapped out all of our leadership and are starting the BRAC plus up. Seems the only thing constant around here is change.

SQUADRON SUPERINTENDENT/CHIEF BOOM

MSgt Jeff "BEAK" Bishop-- Jeff took the reins in February after escaping from the Ops Group training shop; he has been in every exercise and ORI and is begging for a deployment so he can enjoy the slower pace of life. Ask him about his fight with an A-3 bag that he lost (can you say broken nose?).

TRAINING FLIGHT

SSgt James "Shine" Morter—Flight Super James comes to us by way of Fairchild, but don't hold that against him. He just completed CFIC and is doing great things for the squadron, when he is not in the desert that is.

SSgt Ryan "Who" Clauss—Ryan just comes TDY to McConnell, one of our brand new NCOs. Ryan is great part of training flight. He is just starting to flex his new NCO muscles with the new booms in the squadron.

SrA Joe "Where is He?" Ware—Joe is the other IB in the flight and can do good things when you can find him. Ask him about his testing this year.

A1C Chad "Diamonds" McHenry—One of our newest booms, almost broke the record for time to complete MCT. Chad actually started begging fighter units for a night sortie, super gung-ho and will do great things. Ask him if he has seen his shadow.

READINESS FLIGHT

TSgt Drew "Altus wasn't so bad" Sottovia—Flight Super Drew finally got paroled from the schoolhouse and his head is still spinning. He has hit the ground running and we might even let him deploy this year if he will stop making everyone do practice EP tests.

SSgt(S) Heather “Snake” Barnes—Our resident reptile expert Heather has done great things for the squadron and been in the ORI and deployed. Our next new NCO, we didn’t know line numbers could be six digits.

SrA Lucas “Fiddle” Treat—Lucas is our resident Fiddle expert, has a couple of deployments under his belt and is all grown up (not really he still has to stand on a box to see him).

A1C James “Broke Back” Rabb—No not the movie, he actually had a broken vertebrae. We thought he was just whining, back on flying status and getting ready to go to the desert (where else?).

SCHEDULEING FLIGHT

SSgt Marcus “Shank” Mayfield—Flight Super When not looking for new ways to make a weapon, Marcus runs the scheduling shop (he just lets the O’s work there), another one of our ORI superstars.

SrA Jeff “MCT” Wall—Another one of our new booms, just got back from the desert and wants to go back. If the AF does not work out he is really good at changing light bulbs.

A1C Kyle “I Hate Finance” Zuber—His nickname says it all, I don’t think he has received a correct paycheck yet, on his first deployment and the novelty is starting to wear off.

STAN/EVAL

SSgt Pat “PT” Haney—Pat is our resident evaluator and grouchy old man, just ask he will tell you. If you ever want to get him worked up just talk about SEC football and how horrible it is.

SrA Don “Pacemaker” Johnson—Don is the current SELO and deployment hound, if we could just get him to act more like his better half...

ATTACHED

SrA Jordan “Pretty Boy” Dosch—Jordan is one half of the Jordan power duo, currently the Tactics NCOIC and all around vault troll.

INBOUNDS

TSgt Jason “Get me outa here” Hall—Coming to us from Altus, a trip to the desert will get the schoolhouse out of him.

TSgt Jesse Meagher—Cross trainee coming from the Maintenance world at Kadena, now he will get to break airplanes and not have to fix them.

SSgt Logan Berry—Yes that is his real name, coming from the land of bangers and mash.

SrA Killian Lange—Another refugee from the land of bangers and mash, she is excited just to have a Starbucks nearby.

A1C Andrew “Frostbite” McCartney—Fresh meat from the pipeline will be in the desert by the time you read this.

OUTBOUNDS

TSgt Jimmy Bakos—Jimmy finally decided to go and get a real job will be out his fall.

SSgt Brian “Go Around” Conforti—Decided he could do a better job than the pilots (who couldn’t), went to OTS and is at UPT as we speak.

SrA Blake Clifton—Blake decided he wanted to actually make some money when he works so he is going to school for finance.

SrA Joey Welsh—Joey decided that being a Boom was making him dumber so he is going to school.

“NO SCAB IS TOO SMALL”

CMSgt Don “Farmer” Askren (ART) – When The Chief isn’t busy here taking care of his boom operators or busy on the farm tending to his prize Black Angus herd, he counts down the days to a well-deserved retirement.

MSgt John “Tex” Austin (ART) – Tex finally broke down and bought a truck built in this decade (2007). His old S-10 is holding down the squadron parking lot. Mobil is considering trying to reclaim some of the lost oil. Tex is looking forward to gambling with those profits.

MSgt Bill “EmBillishment” Baker – Bill (Bull) recently turned in his retirement paperwork, then fixed the errors and turned it in again. Bill is creating training plans for the RC-135 depot down in Greenville TX. Let’s hope his classes leave a little time for an occasional “Back in SAC” story.

TSgt Warren “Bear” Bearup (ART) – Our short range scheduler is a psychotic University of Michigan fan. Why would a man would buy a beautiful F-250 and then ruin it with permanent U of M decals all over? Outsiders may think his personalized license plate (IPASGAS) points to his job. But we know better and bought him a case of Beano.

MSgt Brad Beyer – Brad continues to drink the Kool-aid by working civilian as a long range scheduler for the Active Duty. He may lay low, but the founding father of the “Beyer Box” will be forever immortalized by the ART booms.

SSgt Kevin “Bobby Bouche” Bouchard – Kevin continues to play with his trains (conductor) at BNSF. His busy schedule doesn’t allow him to fly as much as he would like but he gives it his all and the pilots “better understand this.”

TSgt Greg Carron – Greg is an Information Systems maintainer and can speak in languages about computers that none of us comprehend. He also speaks a couple of the languages from World of Warcraft, including Blood Elf, in case you were wondering.

SMSgt Gary “Cookie” Cook – When Gary is not improving the processes of TACC/Homeland Defense, he is actively planning his next 4,000 mile family vacation. We swear he is like a late-80’s navigator simultaneously planning multidirectional coronets.

SSgt Jake Cross – Jake is a production supervisor for Cessna, occasionally moonlighting in the desert. After the recent birth of his son, his inventory of big boy toys declines as his son’s increases. Being on third shift forever, it’s nice to sometimes see that the sun won’t burst him into flames.

SrA Casey Darst – Casey, technically, is on our books but he is on forever- loan to Fairchild. Once in a while we are graced with his presence only to hear about fabulous Spokane. Casey recently was pushed down a set of stairs, I mean fell, fell down a set of stairs.

MSgt Darren “The Wedge” Demel – Darren is a production engineer for Cessna. He also apparently enjoys changing his vehicles as often as some people change their underwear. I imagine he changes his underwear, too. Uh, oh. I just imagined Demel in his underwear.

TSgt Clay “Chemo” Dotson – Clay is for the most part, the strong, scary, silent type - unless he is on a jet that happens to be struck by lightning. Then Chicken Little fills up the airwaves like a cackling hen in a wolf storm.

MSgt Eddie Estagin – Eddie is working at Hawker Beechcraft as an engineer. So...Why are you working here again...engineer?

SSgt Jay Guldjord – Jay sticks out like a sore thumb in the boom shop. “Pretty boy” is exactly what the Air Force asks for: clean cut, in shape, lives healthy, and near perfect hair. We run off Chippendale’s headhunters daily. He assists with boom scheduling and sometimes he even does it correctly.

MSgt Joe “Check out my V” Halenka – Most of the day, Joe is at the gym. If he isn’t at the gym he is talking about the gym. Joe has been on long term orders with the active duty for so long we consider him an “honorary” reservist.

MSgt Tonya “Lil T” Halenka (ART) – Tonya has been plugging away as our UDM and boom training rep, shepherding us through a long ORI prep. People might think wearing two hats would wear that little girl out until you see her slinging full mobility bags.

TSgt Carla Horner – The den mother of mobility, Carla will chase you down to nag you about mobility requirements, then turn around and ask for your help. After much training and mentoring we are now letting her drive GOV’s again.

MSgt Darren “D-HO” Horton (ART) – You can catch Darren sleeping, wait I mean “working” in short-range scheduling. He has been a walking sleep deprivation experiment since his son was born a while back.

MSgt Bryan King – “Boom stowed and latched.” Bryan recently retired and moved to Florida to work for Flight Safety and to live the good life; fortunately the “good life” and Bryan didn’t get along, (the state not the job) and he has moved back to Kansas.

TSgt Michael “Finch” Kissire – Mike just started a new job in engineering at Hawker Beechcraft. By the way, if you need to know anything about the Navy’s P-3, give him a call. Because calling the Navy wouldn’t be good enough.

TSgt Sean “Poopy” LaFave – “Boom stowed and latched.” Sean decided to separate from the unit. He became too busy with aspirations of improving the family business. As a motivational speaker and borderline health freak, Sean found it hard to devote time to being a boom operator. Good luck Poopy!

SMSgt Troy Lawson – “Boom stowed and latched.” Troy’s two year countdown to his last UTA for retirement finally arrived. Civilian life suits him well; he was Salesman of the Year for Cessna. Way to go Troy!

MSgt Debra “Deb” Lee – Deb is our resident night flyer and space cadet. For the life of us we cannot find a nicer person to go fly with on a trip. We’re grateful that “Sherman” Williams shares her with us.

SMSgt Ray (no proof) Lewis (ART) – Ray is still assigned to the crystal palace known as Stan-Eval. When Ray isn’t off at the races or busy posting changes, he is watches wiley crewmembers testing with a piercing eye.

TSgt Mark “Mac Daddy” McIntosh – Mac Daddy is still living the exotic life in Kadena with his wife and new baby girl. He makes it back fairly often to hypnotize us over the radios with his booming DJ voice and make us laugh with his life stories.

TSgt Chris “Gump” Norris – Yes, our chief trouper still plays rugby. And rides his motorcycle. And plays rugby. And rides his motorcycle. But if you are interesting in watching rugby, he plays it and he’ll tell you all about it.

SSgt Brian “Olie” Olson – Olie is one of a kind. He is an airport fireman by day and a willing participant for any deployment to Turkey by night. Even if Brian makes a mistake on something like a travel voucher or duty boom, you can’t stay mad at him. The guy is just too nice.

MSgt Kathy Pett – Kathy stays very busy as a Marketing Director for Cessna, and as a mother of two daughters. We are always happy to catch up with her at UTA. She is looking forward to her fast-approaching retirement.

TSgt Steve “Scuba Steve” Sirois – Scuba works as an engineer at BNSF and visits us every once in a while. His dry sense of humor keeps him in our good graces. His ability to cloud an entire KC-135 keeps him in our bad graces. Things even out.

SMSgt Dennis “Denny” Struve – As a test boom with Boeing, Dennis is actively working on the KC-767 program for Japan and Italy. In his opinion, if all goes well, he’ll be delivering a tanker that won’t need to be painted yellow.

SrA James “J.D.” Utash – Another Boeing employee, but he doesn’t work on the planes. Assigned as an accountant, J.D. likes to count the shiny pennies in the safe. The boom schedulers are anxiously waiting for him to go to UPT.

SMSgt John Wallman (ART) – The boom union voted and opted to pay for John’s cable. We figured if he’d watch more television, Christie would stop having kids. We were right; the extra sports channels have really paid off. The count is holding steady at four. Good job John! Stick to planting corn.

TSgt Jason “P.I.T.A.” Wesche – Jason works for United Airlines as a customer service rep so if you fly through Denver he promises to give you a free upgrade. To what, exactly, we don’t know. Whether he needs a travel voucher fixed or a U-Drive-It at the last second, he truly lives up to his nickname...Pain In the A@\$

MSgt Christine Wildman – “Boom stowed and latched.” Christine recently left the ART world to work for the Kansas Air National Guard on their new Intel mission. We’ll miss her devious laugh and ability to manipulate people to do things they don’t want to do.

TSgt Jim “Jimmy” Yokom (ART) – Jim has cemented himself in Long Range scheduling and continues to procure great adventures for the unit. For some reason Jim is still single, so if any of you old guys have a daughter that is ready to move on, call our long range to make plans.

TSgt Matt Ziegelbein – As a Captain for ASA airlines, Matt helps us prove that you can put a boom in a pilot’s seat but not a pilot in the boom seat. Even though NASA proved that years ago, tanker pilots tend to miss the obvious.

HOME OF THE TENNESSEE VOLUNTEERS

Greetings from the 151st ARS / 134th ARW located at McGhee Tyson AB Knoxville, TN. We've made it through our SIOP ORI and ATSO ORE. By the time this years Signal goes to print we should have our ATSO ORI behind us and be starting our turn in the AEF bucket. We hope this Signal finds you well and we will see you on the road.

CMSgt. James Quagliana: The chief is busy over the past year with the Enlisted Aircrew Council, ORE, ORI and the AEF cycle, so we have all managed to stay out of trouble for a while.

SMSgt. Mike Buckner: Buck is still in the training shop. I expect him to have an aneurysm any day now if they keep shortening seasoning days for new Booms.

SMSgt. Jeff Dyer: Jeff is still the Sherriff in STAN/EVIL. He is single...again, and enjoying every minute of it. We are all now living vicariously through him. SWM, 49 seeks company of bimbos 20-59, culls none.

SMSgt. Bo Sunderland: Bo is still working in Current Ops but will be moving to STAN/EVIL soon. Bo married his high school sweetheart recently and seems to be pretty happy. I can't speak for her.

MSgt. Mark Allen: Mark has found himself in the weekender "old guy" position. He spends his free time now trying to keep the new guys out of the Chief's office.

MSgt. Wayne Atkins: Wayne is still the most dedicated guard bum that we have ever seen. He's on the road as much as the active duty guys...sorry, had to take a shot. Many of you will see Wayne before we do so please let him know that we are taking good care of Robin while he's gone.

MSgt. Ronnie "Crash" Dixon: Crash is in Current Ops with Bo. We still have to put up with his Alabama Football paraphernalia all over his walls and desk but we didn't say much after last years game. If you're wondering where "Crash" came from, rumor has it that he is not allowed to rent a car in four different states.

MSgt. Randy Keener: Randy seems to have settled into the married life nicely. She hasn't kicked him out so nobody has won the money yet.

MSgt. Nancy Martinek: Nancy will be retiring this year giving here more time to spend at home with her little girl. We wish here the best and I'm sure we will still see her at the squadron outings.

MSgt. Steve Sampson: Steve and his wife have a little boy now so he stays at home a lot more. Steve is now the Guard Bums best friend.

MSgt. Brian Thomas: I'm still living the scheduling dream. Somebody shoot me. Shannon and I plan to start building our retirement home in the middle of our 25 acres on top of Bay Mountain next year. It's a little early to start planning but I may make some shine when I retire.

MSgt. Lennie Tipton: Lennie is still playing Robo Cop guarding the glow in the dark stuff at the Oak Ridge National Laboratories. I don't think Lennie has broken anything since he put his massive weight on the step in the Boom pod and it gave way.

MSgt. Greg Waters: Greg gets to go to Survival School this year with Jeff. Two 50 year old Boom's playing in the woods together for a week. I would pay to see that one.

TSgt. Eric Jones: Eric is still working about 60 hours a week in the civilian world. He and Amy have a little one and another on the way.

TSgt. Bo Rogers: Little Bo is our resident Safety NCO and still works for the Knoxville Fire Department, Police Department and EMS. Did I leave anything out? In his spare time he does 90 day tours in the desert with other units. He must know something that we don't about that place.

TSgt. Bryan Rollins: Mr. Peabody is working across the field on the civilian side. He is currently across the street at the NCO academy. He seems to fit right in with the instructors over there. Nuff said.

TSgt. Brent Seymour: Brent has taken a new job with the Knoxville fire department. He is now on TV every night as there PR person acting all respectable and stuff. If you know Brent you will see the humor in all of this.

TSgt. J.J. Davenport: J.J. is still flying every Thursday night and taking the occasional good deal trip. That dude has got it made.

TSgt. Tyler Ott: Tater is no longer the FNG. He is still working the downtown job and flies with JJ on Thursday nights. I think those two have something going on but I'm not allowed to ask.

TSgt. Shannon "Blue" Price: Blue told his civilian employer to get bent and became Wayne's competition in the Guard Bum world. He is still our local transition workhorse. I think he can supervise copilot touch and goes now.

SSgt. Jared Morgan: Jared and Burg are our FNG's. He is quite possibly the worst Guard Bum that I have ever seen. We bid almost forty Boom positions for the upcoming AEF cycle and he ended up with only one trip.

SSgt. Melvin Brandenburg: Burg is the other FNG...I think. I haven't seen him since he got checked out.

Demoted to Pilot

Lt Col. Kelvin Kuwik: Kelvin went thru Castle in 1976 at the tender age of 17, and was commissioned in 1982. He retired a few months ago...I think. We still see him a couple of times a week wondering around the squadron.

Maj. Liz Matthews: Liz came to us from Forbes last year. She was an engine shop troop until 1993 when she went to Castle. She was commissioned in 1996.

Maj. Jeremy Taylor: Jeremy was a crew chief from 1988 to 1995, went thru Altus as a Boom in 1995 and was commissioned in 1997. He left the technician world for Delta about a month ago and is in 767 training.

Capt. Hiram Williamson: Hiram was a crew chief from 1991 to 1995, went thru Altus in 1995 and was commissioned in 1999. Hiram is some kind of computer genius and is building an ATC simulator.

1st Lt. Jason Reed: Jason went thru Altus in 2000, and was commissioned in 2005. He got married a couple of months ago and is doing well.

Moved On

TSgt. Richard Alan Potts: R.A. took an “O” spot in the 119th Command and Control Squadron here on base. He’s going from wings to spwings.

Capt. Chad Cheatwood: Chad went thru Altus in 1998 and was commissioned in 2002. He is currently flying C-17’s in the Charleston Reseve Unit.

TSgt. Dennis Greenwood: Dennis always has a home in Knoxville at the 134th but for now we have loaned him out to the active duty AWACers at Tinker as a flight engineer. No more four hour FTPs for Dennis.

Final Fly By

A final tribute to SMSgt (Retired) Jimmy D. “Flash” Harris who passed away 9 July 2007. “Flash” Harris was a real American hero who devoted himself to his family, community and country. He retired as a Boom Operator in October 1993 at the age of 60 after 42 years in the military. He continued working as the Executive Director of the Blount County Community Action Agency serving the poor and disadvantaged until he was no longer able to work due to a prolonged illness. He is sorely missed by all who knew him.

“SECOND TO NONE”

Sr. Leadership

SMSgt Stacey Tansits – Our new Boom Superintendent. Seems to always be on the road avoiding her chief boom duties and searching out new land in Pennsylvania. Get off the phone Stacey, meeting in 5 minutes!

MSgt Dan “Man Hands” Rando – The Flight Operations Superintendent (just a fancy name for “Second Wipe”). Take heed as he enters the room to the Mario theme song, and invest in an enema; you’ll need it to get his boot out of you A@\$! Finally returned home from his second deployment this year, pissed off and grumpy as usual. Welcome Home Dan, we love you!

Stan/Eval

MSgt Lynn Thatcher - Old’ school and not afraid to let it show! He is known as “THE HAMMER” and all new booms tremble at the sight of him. They know that he will smack you around a little with his “GOD FATHER” like cane. But what they don’t know is that you will always be able to hear him coming down the hall because his cane clicks when he is on the prowl.

TSgt Dave Megill – On the verge of earning the nickname “The Hammer” and realizing what Thatcher has known for a while...Q-3 & Q-2 grades generate more work. The first to tell you to schedule him for anything, but when it’s time for 8010 training, will hunt and peck the schedule to find anyone else. Great guy, even if he is going bald.

SSgt Dave “Angry Dave” Lang - Very knowledgeable and can answer about any question you may have. Just had a little girl and she is almost as tall as he is. Also keeping busy as the Squadron Unit Training Manager.

Training Flight

SSgt Matt “SBE” (Sexiest Boom Ever, (so he thinks)) Hauer - Takes care of everything and everyone; GPC card holder, scheduler extraordinaire, NCOIC of Training Flight, Combat War Veteran, and mother of 3. I mean father of 3. What more is there to say? He won’t let you forget “Who has two thumbs and doesn’t give a crap...This guy!”

SSgt Daniel “Duby” Dubois – AKA “The Lush”- Great guy that recently completed Instructor upgrade. MSgt Dan Rando and Duby have one thing in common...massive hands and a shared love for the art of Proctology.

SSgt Lonnie “Left Right” Dickerson - Got his nick name not because he fell in the Center Accessory Compartment, with not just his left leg, but his right also, while reading and doing his pre-flight in the dark but because his name is L.R. Dickerson.

SrA Kenneth “Mister Indecisive” Essick - AKA “WHITIE G” - Wants to become a C-130 Flight Engineer just so he can take longer naps while flying over the ocean. Brand new Instructor that likes long walks on the beach, watching the sunrise in Hawaii as a crew, and mastering the art of Guitar Hero III.

SrA Lawrence “Larry” Scott - ALS grad and upcoming SSgt. Just moved out of another man’s house because the other guys’ girlfriend was getting in the way. Just kidding Larry.

SrA Chad “Mister Honor Guard” Piel - They must pay him extra to do Honor guard, how else could a SrA afford 4 cars. Must be because of all the Hookers and Blow. Deployed again, and this time we are taking advantage of his new ride... just don’t tell him.

Scheduling

SSgt Joshua Mullen – One of our new TSgt selects. As stated last year, he has more ink than ANY Air Force printer.....And this is true, but now he is going to be sharing his ink and his life with his new wife Katie. May they have a very ink filled life and many ink covered babies. Congrats!

SSgt Brad Lego - Has a wife, 2 cars, and 2 hands and still enjoys watching The Cookie Monster. His wife just got a new motorcycle, so expect long rides on the beach in the sunset. Who’s riding Bi*#@???

SrA Phillip “Pubert” Culotta - The pre-adolescent little guy and everyone’s little brother that cannot keep his mouth shut. Maybe people will listen to him when his voice drops. Keeps the schedule straight and the Booms up to speed.

SrA Christopher “Jersey Boy” McGinley - 20 something and has visited over fifteen countries but is still single. This is due to the fact that he doesn’t want to leave the club with a girl, and take her to his Mom’s house where he still lives. Hey Chris, didn’t you know the Camden/Trenton streets aren’t a good place to be at night? Did you have a target on you saying “rob me!!”?

SrA Andre “Flaps” Morrison - If his ears don’t reach out and caress you first then you need to worry about his hand on your butt. Always making people wonder..... We’ll miss you when you leave for ROTC in July.

SrA Christopher Villanueva - AKA “The Shit”, Not because he is the shit, but mealy because he THINKS he is the shit. Some say that his head is big because of his Ego, but I think it is just because of all of the Tacos he eats. If your stomach can’t grow anymore, the weight has to go somewhere.

A-Flight

TSgt Christopher “OTTO” Ottenwess - AKA “JUST DO IT” - Just got married to Maggie, and bought a new home in New Jersey. I guess we all have to grow up some time. But he still loves beating up the 10 year olds in the hockey rink. YOU STILL GOT IT OTTO! Soon to be the first “Sweaty” to be starting the Wing commanders car in the winter. A job normally reserved for the over achieving (kiss butt) captains in the Squadron. WAY TO GO BOSS!

SSgt Tyler Stone - AKA “SIR TALKS A LOT” - Getting ready to amaze FTU with his wealth of never ending conversation. If he cannot talk himself out of a bad situation, then there is hope for NO ONE!

SSgt Klextan Jett II - Too new to the Squadron, but I would like to offer up a nick name for him...“TEA BAG”...DON’T ASK!

SSgt Michael Thomas – Tactics Guru; skilled in the art of military deception. If you’ve looked all over the squadron and still can’t find him, just look in SARMS.

SrA Andrea Brown - Within her first 2 years of flying she has caused, I mean experienced more problems on the jet than most. She is engaged to be married and I am sure that that will break many hearts. Congrats!

A1C Nicholas “MOB” Civitella - New to the squadron and a great addition, deployed after only a couple weeks in the squadron. Welcome to the team Nick! Also helping out with Awards and Decs.

B-Flight

TSgt Todd “THE PENGUIN” Patesel - Cross flowed from the KC-135 out of Mildenhall and has accumulated about 300 hours in the last 3 years due to clipped wings. Just came off DNIF after 22 months and is ready to head back to work...We Hope! If you don’t know where a Boomer is, just ask Todd; he has already scrubbed G2 by 0830.

SSgt Eric “Woody” Cox - Just got Non-Vol orders to Scott AFB to hold down the fort for them. Another of our TSgt selects. Too bad that doesn’t cancel his orders. He’s a nice guy with a great sense of humor, but watch out for him and his technique for dunnage.

SSgt Michael “CHENO” Chenosky - Married and still angry! Now he’s the proud brother-in-law to L.R. Dickerson.

SSgt Michael “SMOOTHY” Smith – Realizing the grass isn’t always greener on the other side. He is still trying to adjust to the flyer world. Quite but great to talk to once you get him talking.

SrA Adam “SLEEPY” Ingan - AKA “HALO MASTER”- Still with us and making his presence felt in the desert where he won over \$150 in AAFES gift cards by killing people in HALO tournaments.

SrA Daniel “D-PAYNE” Payne II - Trying to better himself and the Air Force by becoming an officer. Found out he was selected for OTS, a pilot slot one day, left for a desert deployment the next. Don’t worry, there is still time to take back all of the mean things that you said about him before he crosses over. Just kidding, good luck to you Dan.

A1C Johann “LIL’ MEX” Karpf - Quiet spoken and a true ladies man. But watch out ladies this guy is officially off of the market and is proud to wear the dress in the family.

C-Flight

TSgt Christopher “MR. SOFTBALL” Stroup - A man that isn’t afraid to throw around a little rank. Keepin’ the 2nd in check!

SSgt Gerald “G UNIT” James - Happily married and easy on the senses. Never fails to calm you down with his PIMP LIKE ways. Currently in IB Upgrade and very much deserving.

SSgt Jeffrey Gordy II - Back to us from FTU. Happy to take the good sorties and hates to deploy! Welcome back GORDO!

SSgt Terry “E.O.D.” Dowell - AKA “BEST WING MAN EVER” Take this guy with you to the club. He will be more than happy to take the large one...If you know what I mean...

SrA Blake “TOE HEAD” Edwards - This guy loves the desert. He has logged over 500 fighter contacts in 3 months and it isn't even because he can log 2 contacts for every 1. Hit the receptacle a little harder next time! Try for a 3!

Future Deuce Booms

MSgt Lucy Molina - Soon to be the next MSGT in the 2d. Coming to us from Ramstein Germany and a welcomed addition.

SrA Adam Sigman - On his way to the 2nd from FTU. Another great addition

A1C Jeffrey Benson - Finishing up FTU and ready for the challenges of the REAL Air Force.

A1C Larry Cawley - Another new guy and fresh meat. Welcome to the 2ND. NOW GET TO WORK!

A1C Thomas Krohn - Just got his shinny new palm pilot. Now he just needs to learn how to use it and he will be half a boom operator.

Amn Daniel Flenniken - Soon to be the lowest ranking Boom Operator in the 2ND ARS! We can't wait to let the HAZING BEGIN!!!!

Attached Deucers

MSgt Michael “Reggie” Hammond - AKA “MOM” - We call him mom because he is not just old and grouchy, but he also puts his wallet and change and keys in his chest pockets making it appear like he is saggin' and needs a bra.

MSgt Shawn “SMOKIE JOE” Lamb - He is ancient but a great guy when you keep his attention. We truly miss having this guy to BS with in the Squadron. Please come back soon grandpa.....

MSgt Christopher Prosser - Back to the states after a little time in the CAOC. We need to get this guy back! He is one of the best.

TSgt Thom McCoy – Congratulations on your selection for Master. Well deserved. We miss seeing you around here Thom.

TSgt Scott O'Neil – Scotty's down at FTU, trying to keep Dan Phillips out of trouble. Heading out to McGuire West soon, that's Scott AFB.

TSgt Justin Pascoe - Now serving out his sentence at Current ops and loving the Tax Free Fly Breaks...

SSgt Rick Dorsey – Just selected for promotion. Kicked out of STAN/EVAL for being “Santa Clause.” Now working at FTU teaching students 10 ways to pass a checkride.

SSgt Isaac “Red” Paradez - Still doing his time in the TALCE. Loving life and enjoys briefing everyday.

Deuce Out – May the Deuce be with you

MSgt Todd McPeak - The newest addition to AMC/STAN EVIL. Thanks for writing those SKT questions that helped all of us be able to celebrate “pass over” again this year.

MSgt Joel Salley - AKA “MR. CLEAN” Missing' this guy around the Squadron, but don't worry you'll be seeing him when OGV comes a knockin'.

SrA Theresa Hutsell - AKA “SNACKS” AKA “YUB YUB” AKA “JABBA” She now loves life on the outside and we couldn't miss her more! It was truly “addition by subtraction”

SrA Jesse Lee - I believe that he is now a park ranger in Colorado.....Still writing names down in lip stick on his mirror.
Who will he get next?????

SrA Nicholas Stolley - AKA "ILS" The only boom that tried to tell pilots how to fly an ILS. Now in the reserves and enjoying the civilian flying life.

A1C Michael Rivera - Fell off the face of the Earth.....

McGUIRE AFB, NJ

78 ARS

Hello to all our fellow worldwide qualified booms. McGuire is still here and we are very active in the GWOT. Thank goodness we are fully manned. I know I am preaching to the choir when I bring up Ops Tempo, but in addition to our scheduled squadron locals, TDY's, Initial/Mission qualifications and continuation training we have 30% of our booms on AD performing Northeast Tanker Task Force or Aircrew Airplane Tasking System (AATS) duty.

The past two years have been extraordinarily rewarding to the 78th Boom Shop; we had two AFRC 12 OAY nominees, an AFRC OUTSTANDING AIRCREW AIRMAN OF THE YEAR and the AFRC OUTSTANDING AIRCREW NCO OF THE YEAR!! Not too bad for a handful of GUCCI persons.

If you expect to be coming through McGoo I know as long as Chief Montgomery is here, there is always an open invitation to stop by to say hello and have a few cold ones.

The ART Force

CMSgt Joel "Big Toe" Montgomery: Joel lost a good friend last year when SMSgt Donna Dobbins passed away suddenly. He seems to be doing fine and remains in good spirits in spite of the constant bombardment of minutia that he deals with on a daily basis. Between the B.S. from leadership and his "open door" policy, it's a testament to his devotion to the Air Force Reserves and the 78th ARS. Any sane man would take his talents and move to a higher paying; less stress position (Louisiana is looking better and better every day!).

SMSgt Dan "Riverdance" Ciambrone: Dan can still be found working the scheduling desk putting out unnecessary fires all day long. He recently volunteered for a rotation in the desert where he was voted best dancer in the AOR. His Mom and Dad are proud knowing all those lessons have finally paid off.

MSgt Tony "The Sledgehammer" Pierce: Tony is still working in training and as an Evaluator and doing a fine job. In fact, he recently Q3'd the flight kitchen *for* putting salad dressing in the Pilots box lunch. He is moving to GP SE and should make SMSgt any day now.

MSgt "Kid" Ray Cruz: Ray has returned to the 78th after a stint with the 76th. He is running Stan/Eval like a finely tuned machine. In his short time back with the 78th, Ray has won the coveted 78th ARS "Outstanding Customer Service" award for the 4th month in a row. Ray is very humble of his achievements and insists he is not deserving of this prestigious honor.

The TR's

SMSgt Henry "F@#* You" Fenick" Grill: In his civilian position, Henry still works for SEPTA as a locomotive engineer. He is often found threatening to tie down passengers to the tracks if they don't sit down and shut up while he is blowing the trains whistle. Henry thinks this is a serious breach of train etiquette. Pound-for-pound, Henry is still one of our finest Booms.

SMSgt Vic “Living the Dream” Guzman: Vic was “made” this year and for those in the know, is truly now the *Senior NCO*. Vic can be found at the Marriott Suites in Princeton where he is continually invited to staff functions because of his long time tenure at the hotel. In fact, he was voted employee of the month for March 2008.

MSgt Al “Uncle Albert” Alonso: Al has recently moved to Connecticut where he is running cargo operations for SouthernAir. With this move, he is now challenging Andy Sylvain for the title “Boom from the North”.

MSgt Paul “PW” Carter: PW has settled in and is comfortable with his assignment as the squadron Vehicle Control Officer. Except for the incident at the Commissary with the bag ladies (for your own good, do not bring this up when you see him), he is doing a great job.

MSgt Joe “Gigolo” Fenick: Joe can still be found at the gym prior to a local often mumbling something about Henry Grill. I do not know whose idea it was for the two of them to move in together, but can two Booms share an apartment without driving each other crazy? (Theme from The Odd Couple playing in the background)

MSgt Marty “Yes Sir” Johnson: Marty is now the last of the Mohicans. With the retirement of Steve Reeff, Marty is the last TR from Barksdale. He still resides in Texas and gets up to McGoo whenever he can to meet his reserve requirements.

MSgt Roswell “Everyones” Friend: Congratulations to Roswell on his recent promotion. He was working the gates of McGuire as an SP augmentee and has now returned to the squadron.

MSgt Andy “The Lip” Sylvain: Andy now has competition for the title of “Boom from the North” with Al Alonso moving in on his turf. Andy still works for Pratt & Whitney, the original Pratt & Whitney. Just ask him, he’ll tell you.

TSgt Anthony “Soft Taco” Cleaver: Taco has volunteered for multiple active duty lines over the last several years. Way to step up Taco!

TSgt Jim “Angry Troll” Carden: Jim is back in the squadron after augmenting the SP’s of McGuire for the last several years. Jim still holds the record for most Diet Pepsi’s consumed on a Coronet.

TSgt Teddy “The Buff Slayer” Morales: Ted is still working in Manhattan and is doing great for himself. He has almost enough saved up to buy out Trump.

TSgt Rob “Zagorka” Rodriguez: Rob was finally promoted and no longer boasts as being the oldest staff sergeant in the Air Force Reserves. Rob was also acquitted of all charges stemming from the former Governor of New York Elliot Spitzer prostitution bust. Although, if you ask him in private, he will tell you he was client 10.

TSgt Joe “Governor” McGann: Works for the Department of the Navy in Lakehurst where he works as the Assistant Team Leader on the blimp recovery team. Joe is a little modest; he was nominated for the 514 AMW, 12 OAY and was later awarded the 2007 “AFRC OUTSTANDING AIRCREW NCO OF THE YEAR!

TSgt Bob “Mr. Hanky” Pavlovec: Bob recently volunteered to deploy to the AOR with the active duty for 60 days. Bob loved the desert so much that he has covered his yard with sand and can be seen by his neighbors running around in his PT gear, often at the detriment to those who witness the spectacle. For his unselfish service and devotion to duty, Bob’s name was moved up on the waiting list for his own locker in the men’s room at the squadron.

TSgt John “Home is where you plug in” Frankel: Whereabouts unknown.

TSgt Paul “Homo Thug” Fennell: Paul is back flying with the 78th after trying his hand for the last several years as a recruiter. Paul was diagnosed with Testicular cancer in Jan but the good news is after surgery and numerous chemo therapies, he was announced cancer free in May.

TSgt Leland “Not So” Fast: Leland was on a TDY to Hickam and realized, NJ really does suck! He has been looking into getting hired with the Hawaii Guard as a C-17 Loadmaster. You have to admire a man with a vision!

SSgt Shawn “Slap heard around the World” Moran: Shawn is still trying to buck the system one officer at a time. He is finished up with his degree and is now working for a major pharmaceutical company in Philadelphia as an inside sales representative.

SSgt Chris “Rob” Baez: Chris is still gainfully employed in the civilian world and continues to remain current. Chris is constantly getting reprimanded for mouthing off. For the last time Chris, shut-up!

SSgt Angel “Team Desmond” Gomez: Angel recently succumbed to the pressure and landed a coveted position with a commercial airline as a Flight Attendant. He is enjoying himself but says the skirts are a little tight and the panty hose are hot.

SSgt Kingsley “Red Stripe” Rose: Kingsley has volunteered for many active lines throughout the last couple of years. He does an outstanding job for the 78th and the USA and truly deserves to be granted citizenship!

SSgt Jessica “Mom” Osmer: Congratulations to Jessica for the birth of her daughter Olivia. Both Mom and baby are doing great!

SSgt Rick “Sweet Brick” Taylor: Rick was recently promoted and in addition, was nominated for the 514 AMW, 12 OAY and won AFRC OUTSTANDING AIRCREW AIRMAN OF THE YEAR! Rick will soon be leaving the trouging world and return to college full-time. Rick was accepted to the NYU School of Interpretive Dance and should soon rank among the best.

SSgt Alicia “Airman of the Millennium” Troudeau: Alicia has also left the trouging world and is employed with a graphic design firm in Connecticut. She gets down to NJ as often as possible to fulfill her reserve commitments.

SSgt Matt “Sweet” Yockey: Matt continues to volunteer for active duty orders and is giving Vic a run for his money as King Trougher. After it was explained to Matt that one should walk up and down stairs, he has been doing much better.

SSgt Jason “Two first names” Craig: Jason works full-time with the 305th in mission development.

SrA Tim “Cindy” Brady: Tim is a long haul trucker and if you meet him he should be able to explain everything there is to know about truck stop showers.

A1C Bill “My Uncle is a Pilot” Vigilante: And his uncle likes to kick Boom Operator Ass! Just ask Fennell.

New Arrivals

SSgt Ken “PopTart” Moeser: Ken has completed initial qualification and did a great job! He is currently going through seasoning and will be going back to the civilian world as an A&P mechanic.

A1C Joel “My Dad is a Colonel” Hildebrand: For those of you in the know; yes this is Col Jack Hildebrand’s son. Chief Montgomery has mentioned Joel makes him feel old since he was “TSgt Montgomery” with 9 years of service when he worked with “Capt Hildebrand.” Chief Montgomery was also a SMSgt for 2.5 years by the time Joel Hildebrand was born.

SrA Nick Stolley: Nick is coming to us qualified from the AD side of the house.

TSgt Fran McLaughlin: Fran is transferring from Dover and should be an asset for our cargo loading operations.

Departures

Luckily we haven't had any departures for the past year, although we expect some in 2008/2009.

The 78th wishes everyone in our career field well and hope to see you on the road at McGuire or at the 2009 symposium.

HAVE A GREAT AF YEAR!!!

McGUIRE AFB, NJ

141 ARS / 108 ARW

“JERSEY TIGERS”

Another year, another signal. We missed it last year but we are back and it's been a crazy year. We almost fell victim of the BRAC, but came out ok. We are now in the middle of conversion to the brand spanking new KC135-R. But because we are going from a 20 aircraft unit to an 8 aircraft unit, we are losing our sister squadron, the 150 ARS. Some members from both squadrons have moved on, others have retired. The rest will be formed into the 141 ARS. We wish all that have left the best of luck. If you guys are ever over by exit 7 on the NJ turnpike, stop by and we can manage up a cold one somewhere.

SSgt Miguel Badillo: Miguel.badillo@njmcgu.af.mil **Technician.** “Living the Dream” Thought he was going to fly more as a full timer, but Wing Scheduling among other duties nipped that in the bud. Still tries to fly as much as possible so he can rack up the time to attend CFIC.

SMSgt Gemini “GB” Bey: taubey@njmcgu.af.mil **Guard.** Still keeping order in the Prison system. Loves to ride his motorcycle and has some good stories to go with it. Lately he's been doing a lot of alert, so we don't see him around too much. “GB” will be retiring this year.

TSgt Nick “Nicky” Bulko: Nicholas.bulko@njmcgu.af.mil **Guard.** Retired “Assistant To The Air Bridge Commander For The Bravo Crews.” He's been very busy with his new civilian job and unfortunately will be leaving us this year due to his job commitments. He's also looking to perform with the rest of the Back Street Boys during their 2008 Reunion tour. Good Luck on your new venue!

SSgt Robert Louis Butler III “RB3 “ robertbutler@njmcgu.af.mil **Guard.** Robert is still a big participator, always helping out with holes in the schedule and doing as many trips as he can.

He just became dual qualified so he's in high demand. Don't forget your back pack or moisturizer!

CMSgt John Connors: johnconnors@njmcgu.af.mil **Retired Technician/ Guard.** Congratulations on your recent promotion to chief! John was the 141st Chief Boom for a while, retired as a Technician and is currently on Bravo Alert. He's still flying a lot and serving as an evaluator, he also performs multiple Admin duties throughout the squadron.

MSgt Dave Falkowski: david.falkowski@njmcgu.af.mil **Technician.** He's back! Dave is a full timer once again, in charge of the scheduling department. If there's a hole for a trip Dave will be more than happy to fill it if nobody wants it. Any problems with your schedule give him a call, he'll be more than glad to assist you. He also writes the sweetest emails with kisses and hugs to get people on the schedule.

SSgt James “JR” Feigenbutz: **Guard.** James is still a full time fire fighter in New York City and recently transferred to the NYANG to become a C-5 Flight Engineer where he will be joining Kevin and Mike.

SSgt Samantha “Sam” Gerofsky: samantha.gerofsky@njmccgu.af.mil Guard. Still flying a lot and almost done with her college degree. “I am not a career student” she says. Sam is currently working towards her pilot license and her next goal is to become a pilot here in the 108th. She swears that she does not have a nickname yet.....that she knows of.

MSgt Steve “Gonzo” Gonzalez: Stephen.gonzalez@njmccgu.af.mil Retired Technician/ Guard Bum Gonzo is one of our “Bravo Kings”, he comes around every now and then in between alerts. He will retire this year which will free him lots of more fishing time. Maybe will see his picture in the paper again (Or the Post Office). Best of luck Gonzo!

MSgt Carl “Crash Dummy, Charlie Brown” Heinert: Carl.heinert@njmccgu.af.mil AGR

Still trying to be the king of Texas Hold em. Carl recently left us for the 227 SOF as a loadmaster hauling stuff around so secret even he doesn’t know what it is (even though everyone else does)

MSgt John Holland: Retired. John has been retired for about 2 years now, but still comes by to say hi and drop of those north jersey bagels. He is still the Chief of Police for Nutley.

MSgt Thomas “Tom” Miller: Thomas.miller@njmccgu.af.mil Guard. Just survived CFIC and is proud to say he is now the only one who can understand Jose Rodriguez. Still a Verizon guy...and he actually asked the question “Can you hear me now?”

SSgt Mike “Grasshopper” Martin: Guard Mike moved onto become a C-5 flight engineer with the NYANG with Kevin and JR, but we wont hold that against him. We already miss his obsession with bad kung-fu movies and appreciation for death metal.

MSgt Paul “Joker, It Wasn’t Me” Matlack: paul.matlack@njmccgu.af.mil Retired Technician/Guard. Another one of the best who are retiring this year. But don’t worry, you can find him at the slot machines, the VFW, or putting rocks in someone’s helmet bag. “Yeah ,Yeah”

CMSgt Jim “DONT CALL ME CHIEF” Monaco: james.monaco@njmccgu.af.mil Retired Technician/Guard bum. Jim is currently soaking up all that Bravo alert has to offer, while taking the time to go fishing. We lose Jim this year to retirement which is very sad since we will not get to se him patrol the hallways looking very important.

SSgt Marilia Rodriguez: Marilia.rodriguez@njmccgu.af.mil Guard. Just got engaged this year, it was a whirlwind relationship of 9 years. She is just finishing up school and is the best at trying to remain anonymous, except others are starting to catch on.

TSgt Jim Simmons: james.simmons@njmccgu.af.mil Guard. Alas another victim of the BRAC, Jim hung up his wings and is now working with MPF and the new recruits teaching them how to be good airmen until he can finish his retirement. Hopefully BMT can straighten them back out.

SSgt Kevin Stoddard: Guard. The third of the little club of booms who decided to go to the C-5 and be flight engineers with the NYANG. Good luck out there!

Written by Miguel Badillo and Samantha Gerofsky.

108 CRG

Contingency response who? We are still Boom Operators (well even more part time then before). There are four of us that have moved into the new Unit started up here in the 108ARW, moved from either the 150th ARS or the 141st ARS. We still fly at normal training levels, and are in the process of standing up our new Contingency Response Group. No we don't have any aircraft of our own; we are attached flyers with our host wing. Can you say overwhelming? I for one would take a plane load of space "A" looking for flight meals at engine start, over this. No but seriously, this gave us the opportunity to continue our service with the New Jersey Air National Guard, even with the reduction to one flying squadron. Hope to see some of you soon. Maybe we can open an airbase for you someday.

SMSgt Joe "Lambchop" La Mantia Unlike some of us I only have three jobs. But some of my hobbies feel like jobs. I am also in the 108CRG, trying just to fit in (to my ABU's that is). Yea that's great, I didn't have enough room in my locker for the stink, now I have more uniforms to put in there. Still getting paid by Verizon, and doing as little flying as I can. I am trying to keep my head above the regulations, and my waist within them. So if I don't drop dead trying to run next drill, I will see you down range.

SMSgt Ray "Otto" Peterson Well Hillary may not have done so well in the "poles", but thanks to Otto she does much better on the Spit! Otto is our newest senior of the New Jersey Booms. He also has now got a job working for the State, here at our same guard unit as a civilian. So we get to see a lot of Otto. So if anyone is counting I believe that's four jobs at one time. Full time state employee, Part time Boom Operator, Part time member of the CRG, and hog roasting on the side. I'm sure glad he is a plumber, so he can keep all that shit straight!

TSgt Don "Here's Donny" Smith If you need something shot, arrested, beat-up, refueled, you can count on Don. He is one of our local public protection specialists (COP). Ever since Don and the NJANG rifle team beat the Army, he seems to always have a match on drill. When the we go into a hostile area, you will be able to recognize Don with that psycho grin (like Jack Nicholson in the Shining) and a 50cal rifle in his hands, with Lambchop crying like a little girl hugging his leg.

MSgt Ed "Hong Kong Phooey" Montalvo Of the four of us in the CRG, Ed is our fulltime AGR (stick-um up!). When he isn't working on the recall roster, he can be found beating down the new younger recruits in Judo (or whatever it is). I guess these skills come in handy dealing with all the "Theresa's and Tony's" at his third job as a Bartender at the Jersey Shore. Oh yea , if you value your personal vehicle, don't let him drive it. You should see what he can do to a Humvee while driving with NVG's

That's Jersey...Watch your wallet!

150 ARS

“BET ON US”

We are sad to report that this is our last entry in *The Boom Signal*. Effective March 31, 2008, the squadron was deactivated due to the BRAC. As a result, we are losing many slots both flying and non-flying. The individuals affected are either transferring to our sister squadron, the 141st ARS, going to other positions in the Wing (or outside units), or are retiring. Also as a result of BRAC, the Wing is reducing the number of jets from 21 to 8 and we are also transitioning from the E's to the BLK 40 R models.

The 150th ARS has a long and storied history in the Great State of New Jersey. Our beginnings date back to February 1956 when the squadron started at Newark Airport. The squadron has flown the Curtis C-46 “Commando” (1956-1958), Fairchild C-119J “Flying Boxcar” (1958-1962), Lockheed C-121 “Connie” (1962-1973), deHavilland C-7 “Caribou” (1973-1977), and finally the Boeing KC-135A and E (1977 to 2008). It is hard to say goodbye to a squadron that has done so much for the State and Nation. We have been activated several times due to conflict and have provided humanitarian services when tasked.

The 150th ARS is closing it's sighting door with our current boom operators totaling a combined flying time of 71,040 hours of accident free flying.

The date in parentheses reflects when the boom joined the squadron.

Miguel Badillo (2005): Miguel transferred to the 141st ARS prior to the deactivation of the 150th. He must have seen the writing on the wall. Miguel is getting married this summer but refueling a new C-17 PIQ, at night, autopilot off is easier!

Jen “Jersey Jenny” Bowen (2005): Jennifer just had a baby girl and is once again on flying status. In the nice weather you can see Jen on her motorcycle, with 2 car seats and Jen in her leathers is a sight to be seen, although no one has ever seen this.

Scott “Downtown Scotty” Brown (1988): Scott is working in the training shop and recently took his family to Hawaii. Scott always said that we are un-trainable and now he is proving himself right. He loves it when we don't color all the dots on the 76.

Darrell “D-Man” Delle Site (1994): Darrell is assigned to the scheduling shop and will work with you IF you work with him. He is our expert ribbons and awards guru. Darrell is also an authority on tactics and intel. The guy knows his Foxbat from his Flogger. Y.F.

Michael “G-Lover” Glover (2006): Mike is working in the 227th SOF. He enjoyed his time as a boom but still has a flying job.

George “Of the New Jersey Grands” Grand (1977): George is looking forward to his impending retirement, after 31 years and over 8400 hrs, at the end of June. He is still involved in stereo equipment and knows that Bose blows. We will be losing a lot of experience and knowledge in all aspects of this career field, George; thank you.

Glenn “Hoot” Houthuysen (1983): I am leaving at the end of June as well. I enjoy my summers even more since I became a school teacher. I still haven’t made a flying briefing on time in the past five years. No one understands why I have a silver pencil clip attached to my pencil in my flightsuit. Except for George, Scott, and Otto.

Brian “Killer” Kilpatrick (1991): Brian is the NCOIC in OSF. Brian is our resident complainer, but he just wants things to run smoothly. The guy does know how to fly as he is a Certified Flight Instructor and also flies corporate on the side.

Andy “I Like Rocks (Not the Music), Just Rocks” Kohlbecker (2006): Andy is going to AMS and then on to pilot training. His outside job made him play with rocks and still likes to examine them to see if they are igneous, sedimentary, or metamorphic.

Tony “The Lip” Niwore (1998): Tony has decided to become an Intel officer and recently graduated from AMS. It’s going to be hard to follow his orders! Since he is getting married this fall, He’ll be the one following orders.

Frank “Don’t Call Me Francis” McCarthy (1993): Frank is retiring at the end of June as well. Anybody that knows Frank knows he has been threatening to leave since the first Bush was in office and now it’s really happening. Good riddance!

Marcie “The Gun” Montalvo (2004): Marcie is staying on as a boom in the 141st ARS. Marcie works as a cop at The College of New Jersey and is our local retention NCO. Marcie has a strong arm and can throw a Snickers bar like it was shot out of a cannon. Just wear eye protection!

Marv “I’m Always Cold” Nichols (1994): Marv is our Chief Boom but now wears the 141st ARS patch (along with his winter coat in June or until it’s 70 degrees for at least three days in a row). He has his hand in everything and is all seeing and all knowing. He is our local version of the Wizard of Oz and Wing Bowl Aficionado.

Frank “Biggest Feet in the Unit” Nucera (2005): Frank is staying with us and is working as a cop on the outside. He married a life support technician and started a family now with two kids. He gets to do AERPS at home, lucky guy,

Patrick “Pilot” Ogle (1999): Patrick is staying as a boom and is a pilot in the outside world. He knows exactly what FLIP to get for the pilots before they even ask. He lives in Canada but doesn’t know French.

Ray “Otto” Peterson (1983): Otto is still qualified as a boom but transferred to our new unit (CRG-Contingency Response Group) due to BRAC manning. If a plumbing problem crops up, Otto is your man. Ask him about Hillary! He was just promoted to E-8 because of his fabulous hog roasts!

Marshall “1/2 a Minute” Rice (2003): Marshall is staying with us as a boom. He is the John Deere expert of the unit. If you drive a tractor and it breaks down, call Marshall. Renowned for showing up motivated, checklist in hand, ready to fly, then his receiver cancels the A/R.

Andy “Stanley” Robinson (2006): Andy desires to go back to AMS and then onto pilot training. Knows all the prices at the commissary and when items go on sale. He’s studying for the fire department and should be ringing the bell, playing with the lights and using the siren in a couple of months.

Jose “Hose B” Rodriguez (1992): Jose remains a boom and is also wearing the 141st ARS patch. Jose just returned from Altus after going to instructor school. He now speaks Cherokee in addition to his native language of Spanish, and is

currently taking an ESL course. Tom Miller, thanks to their time together at CFIC, now actually understands every word he says. (Que pasa)

Jason “Claymation” Roskam (2003): Jason went to the 227th SOF to be a radio operator on the C-32B. This was a good move for him as he was gainfully unemployed in the civilian world and now has three little ones at home.

“Smiling Sponge” Bob Slocum (2006): Bob returned to us from Altus and is attempting and attempting and attempting to get Mission Ready. He is a cop on the outside so he *will* be carrying the weapon when his jet has passengers. PBA cards for all my peeps!

Mike “Silver Star” Sylvester (1996): Sly has moved to our Stan/Eval shop and is always ready to give a checkride. “Is your testing done yet?” is a frequent quote of his. Of course he can’t find the test bank in PEX, so our testing isn’t done. Ha, Bits.

Greg “Great” White (2002): Greg moved to the 141st ARS and continues to be a boom with us. Greg recently got married and didn’t wait too long to start a family. The baby girl is going to be born in June. We still can’t imagine Greg as a father as he was just potty trained in February himself.

Names of former boom operators of the 150th ARS in no particular order.

Michael Carrol, George Fusco, Al Carter, Jack Mount, Bob Perez-Rivera, Steve DeSanto, Brian O’Connell, Larry Barry, John Donohue, , Wayne Davis, Jim Amrich, Irv Green, Dave Baugher, Bruce Turnbull, Kauriee Wood, Morris Cuff, Karl Nogol, Bill Kriews, Andrew Zigmantis, Gunther Nowag, Charlie Diffenderfer, Bill Fullerton, Ken Burfiend, Bill Crane, Bill Grande, Tom Gallagher, Neil Oeschger, Bob Ruzich, Franky Miranda, Chris Houseworth, Larry Hoffman, Stephen Falker, Bill Jones, Rob Edelschein, James Stark, Rick Boettinger, Jerry Cannata, Howie Nast, Al Zeigler, Jim Simmons, Jennifer Settle, Kevin Keehn(current OG/CC!), Bob Forman, Heather Scheonrock, Colin Hibberd, Beans Baxter, Anthony “Knuckles” Procopio, Franny Kalinski , Kathleen Hestermann,

Honorable Mentions: Armand Cala, Richard Drugas, Gervaise Donnelly, William Spych, Frank Flores

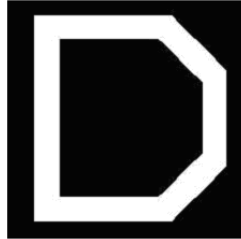

Honorary Members: Nancy Guilotte (now with Tenn ANG)

For the last time..... “Boom Stowed, leaving position”.

RAF MILDENHALL, UK

100 ARW / 351 ARS

“THE BLOODY 100TH”

Oi you bloody bastards, stop coming over here and drinking all our beer! Or if you do, you at least need to stop by the squadron first and say hello! In all seriousness, please stop by anytime. We've got a lot of good people here at Mildenhall that like to partake in the pint and would enjoy showing any of our Boom brethren what a proper pub crawl is all about. Ring us up when you're here at DSN 238-7539 or commercial 01638 547539. Ask for “the Thong”. Cheers mates!

SMSgt Todd (the Thong) Cole: We really don't know what the Thong does from day to day other than slay our EPR inputs, but supposedly he is our squadron superintendent. After 10 years at Eddie's airplane patch, he's still amazed that water falls from the sky.

MSgt James (Wild Bill) Fitch: Bill's been on the fast track since he's been at Mildenhall. After finishing his EAUC tour and Re-qual, Bill was thrown into the C Flt super position. Then he moved into Training Flight after his Instructor Re-qual. He did so well in there he was a shoe-in to be the next Shirt. What else would you expect from an 11 year MSgt? We hear he's taking over the Golf Pro's position as Chief Boom in a month or so.

MSgt Milo (Superstar) Gibson: What's goin' on? What's goin' on? After completing RQT ole' silver tongue took over April's position in XP. After Wild Bill moves out, Milo is looking to be the next First Shirt.

A FLIGHT:

SSgt Heath (it's not a) Tuma: Heath's been working as A Flt super for a while now and still hasn't figured out how to supervise. Of course being a Flt super normally requires that you actually show up to work. He's been on two trips to “the Al Udeid Spa and Resort”, and lost 1,000 pounds of dead weight. Thirty from going to the gym, and the rest when he divorced his wife. He's much happier now touring Europe.

A1C Killian (Irish Red) Lange: Killian knows how AMC crewdogs feel, she finished MQT in early '07 and 24 hrs later she was on a jet going to “the Deid”, then she volunteered to stay 3 extra weeks, went back in the summer and again in the spring this year. What's the definition of a delayed disconnect?... just ask Killian. Like they say, there are those who have and those who will.

A1C Tyler (Who the hell is Brandon?) Williams: Brandon has been doing really well. He spends a lot of time TDY so he doesn't need to clean his room. The 1st Sgt leaves nice notes to inspire him. Williams was tied to Nenneman when he got here so it's hard to tell them apart from time to time.

B FLIGHT:

SSgt Randy (Slim) Stinnett: Slim is a previous whacker back-ender but don't take that into account when you meet him. It only took him 10,000 flight hours of sleeping to figure out that he was born to be a Boom Operator. He was ecstatic when he found out that he only has to fly 5 hour sorties in "the Deid".

SrA Mike (40 winks) Cerni: AKA the sandman. Cerni loves finance and sleeping. Mike's spent more time sleeping in-flight than he has accrued in flight hours. Is that possible? He often has dreams about sandbags. If he'd actually sleep at night instead of hanging at the G Club, he might be able to stay awake. The DO didn't think it was that funny, but he's been doing a lot better since his No-Notice from "The Overlord".

A1C Dan Ingram: Dan the man Ingram. Dan looks like Han Solo from the original Star Wars and loves the Post Office. Dan is a permanent member of the Deid Club. He also gets 1st Sgt love notes in the dorm and smokes more than anyone. Dan is a hard worker, but he always looks like he fell out of the dryer?

SrA Jon (The Rock) LeMessurier: We don't call him "The Rock" because he wrestles and makes movies. This guy knows more about rocks than Monika knows about cigars. His geology degree has nothin' on his boom skills though. Jon made BTZ and look for this guy to be a Chief someday.

A1C Steven Felger: I don't have ABUs, wait, what? Crap, seriously, crap okay yeah I have some. Great gag dorm rats! Steven is a good guy who is always smiling like he's on some reality TV show. He's always looking around as if he was on an episode of Punk'd. No Steven, it's real, you are here for good! Muaahhahahahahhahahhahh!

C FLIGHT:

A1C Steve (Call me Stephen) Bowman: Stephen has orders for McConnell which should suit him well. He loves the sand more than David Hasselhoff. Stephen is a little eccentric with all of his "gaming" but we still love him. We don't want to upset him and get attacked with his 9th level wizard potion!

A1C Jacob Nenneman: Jake only took 20 some odd flights in MQT before he made it downrange. You'd have thought he didn't want to go or something. After figuring out how to get his Form-F right he did a lot better. 786.2 Jake, it's not that hard to remember.

A1C Neil (I'm more educated than you) Patras: Neil didn't even finish MQT before making it on the MX most wanted list. Apparently he was never educated in the art of public relations. Nice knowin' ya Neil.

A1C John (I'm gonna call him Pe^!\$) Peña: John's one of our recent arrivals from Altus and been doing well so far. He looks like Erik Estrada from CHIPS! Ask Donahue what that thing is above the "n" in his name is. It's not an "i" Kelly.

STAN/EVAL:

SSgt Jonathan (JonBrown) Brown: John did his year in Training Flt before getting booted upstairs into OSS scheduling. He's recently moved into Stan/Eval to take over for "The Overlord". We'll soon find out if his boots are big enough.

SSgt Clint (Pockets) Laughman: Clint surprised everyone by getting hitched last year and has now joined the new daddy club. He's the newest addition in Stan/Eval. **(Quote of the Year)** "Unbeknownst to you Sgt Lewis, we took up a kitty to have them bring your food out last." (Uncontrollable giggling ensues). We're pretty sure he carries a thesaurus around in his jean shorts.

TRAINING FLIGHT:

TSgt Ivan (not another f#@%ing package) "Raz" Rasmussen: After hiding on the OG staff for a year, Raz took over B Flt and put his "writing skills" to better uses (TAPRs, EPRs, BTZ, AmnQtr and AmnYr). Now he's over it Training Flt trying to keep the new kids inline. It shouldn't be a problem for Raz unless we get another Brandon.

SrA Kelly (I don't speak Spanish) Donahue: Kelly's just another one of the guys. That probably has something to do with being married to a crew chief. Once she got back from CFIC she went straight to Training Flt and has been doing great work. We're thinking about sending her to Spain for her next TDY.

SrA Jeremy (I'm a TDY ho) Pretty: Jeremy has got to be the squadrons #1 TDY guy with three Deid rotations, two South Africa trips and too many good deals to mention under his belt. He's just returned from CFIC, gained a few pounds and already back to his old ways. All that and he's almost finished his bachelors degree.

SrA Mike (Downlock) Miranda: After Mike's downlock incident he's done a 180. After he finished his time in A-Flight he became the first non-instructor/evaluator Boom Operator paper-pusher in Stan/Eval and just moved into Training Flt to continue to improve his paper-pushing skills. Mike recently got hitched to his long time girlfriend up in the HARM office. He'll be heading to CFIC soon.

MOBILITY:

TSgt RaileR (Kevin) Cantrell: After serving his time as a Crew Scheduler, Kevin...sorry..."RaileR" was transplanted into the vault with OSS Tactics. He is now currently in the process of taking over "J-Dawg's" position as NCOIC of Mobility.

TSgt(s) Chris (Where's the party) McCarthy: After Chris arrived from Kadena he moved straight to Training Flt. We got lots of dirt on him, but we'd rather not discuss it. As a new addition to Mobility, Chris tries to work about 4 days a month between TDY's. Now that he is a TSgt select maybe we will see him at work more often, not!

SSgt Patrick (Boom in trail) Crossland: Patrick is back with us after his one year tour with "Tops in Blue". The jury is still out if he can remember how to be a Boom (or if he ever actually knew), but boy can he light up a stage! Now if we could only get him to lock his door before he leaves home.

UPSTAIRS (the OG staff and the OSS) & SIBERIA (WG/XP):

SMSgt(s) Mike Conner (Grumpy): OGV Guru. Oh my God, hell actually froze over! Mike finally made Senior, and the S.O.B is still grumpy! Thanks Mike, now we don't mind going to hell for all those bad things we've done (it's a much cooler place now).

MSgt (Beautiful) Bill McQueen: Bill's over at the windowless wonder of XP. No one really knows what goes on over there, but we do know one thing. All those years at Kadena and Travis have finally caught up with him. He's not so beautiful anymore. Maybe we should start thinking up a new nickname. Maybe... Greedy?

TSgt Jay (Broke D!*) Scheuer: Jay is soon to be our newest IB candidate... again? Our latest arrival from Fairchild, Jay has been the NCOIC of OSS scheduling. Besides the outstanding job in scheduling, he doesn't do much else. Of course it's hard to fly when you're DNIF as much as RaileR.

SSgt Al Pelletier: Al has been kicking A\$\$ upstairs in OSS scheduling, just don't ask him to fly a civic leader tour. Al's got a slight potty mouth when things go wrong and he borders on Tourette's syndrome around VIPs. We all try to stay on his good side though because he's got a clown suit and rifle in his trunk!

SrA John (Klosterbong) Klosterman: After his tour in Mobility we tried giving John a break from his 5 day a week flying schedule by moving him into OSS scheduling. Not sure if that worked 'cause he still gives the word disgruntled a new meaning.

ATTACHED:

SMSgt Rodney (Gigantor) Targos: Rod is still keeping USAFE Stan/Eval running and OGV on their toes. He does actually stop by once in a while to fly. Actually I think his last years flying hours are more than Jay's.

APPROACHING THE FIX:

SrA Austin Arnold: Inbound from Robins and destined for the Safety office; good luck with all those bird strike reports!

A1C Jonathan Britton: Pipeliner heading to A Flt and soon to be one of our newest pattern only gurus. Let's hope Tuma can keep this one in line.

AB Ronnie Echavarría: What... an Airman Basic? That's like trying to find a 2nd Lieutenant. Poor S.O.B... It took him until he was 10 years old to learn how to spell his own name. Well he's finally a boom; let's see if he can spell it on the top of a C-17. Another new guy going to A Flt.

SSgt Terrell Frideger: Another one of the Robins homeless. Wow! Imagine this! He's also going to A Flt as the Flt super. Apparently the Golf Pro doesn't have much of an imagination.

TSgt Pete (Sneaky Pete) Rodriguez: Well, Sneaky Pete wasn't so sneaky this time. He got booted from Robins *and* he get's to go the land of OZ (OSS) to be another one of our short range schedulers. Sorry Pete.

A1C Stephen Barry: Yep, you guessed it, another pipeliner inbound for A Flt. WTF Larry?

A1C Jason Coffey: Holy cow another pipeliner! We haven't seen this many new guys since... um since... never. This guy's headed for... c'mon... you can guess. Gotcha! C Flt.

SSgt Robert Jenkins: We don't have an update on Bob yet, but when we do we will let you know.

SSgt Roger Vula: Well this guy is a cross trainee from MX. We don't know where he's headed yet but if Lewis has anything to do with it, it'll probably be to A Flt.

CLEARED DESTINATION AS FILED, ON DEPARTURE ...

SMSgt Larry (Golf Pro) Lewis: L3 is still working to stand up the Scottish Tanker Task Force at RAF Leuchers. Those 9 hour commutes to "the Old Course" at St Andrews are killing his wife's minivan. He's headed back home to Texas after 12 years overseas. He'll be the new AETC Stan/Eval Boom at Randolph.

MSgt(s) Jason (J-Dawg) Resler: Jason's on his way to the CRG at Travis. He has been a superstar here and has the wheel barrel full of awards to prove it. Jason loves to sing drunk, make x-rated videos and play Rock Band. He also loves wine, bare chests and watching Neal wipe out in France. He just made MSgt also.

TSgt Neal (The Overlord) Husong: Neal is the perfect Chief of Stan Eval. He scares the crap out of the new Airman and rules with an iron fist. His feet are also made of iron and when he's drunkoo and tries to clear a cement bollard in one bound it results in bloody hands. (see above) Neal has a ton of awards and would give them all up to be the best Rock Band Guitarist of all time. You can find Neal at Seymour Johnson in the near future.

SSgt Bill (where is) Baker: Supposedly Bill did his duty in the Vault with OSS Tactics and as little as possible as B Flt Super before he decided to tap out and become a civilian again. You might find him in Michigan building boat docks with dad or maybe on the slopes in Colorado. Time will tell. Good luck brother. We'll come see you for those ski lessons.

2Lt(s) April Widman: April seemed to be enjoying XP and all her additional duties, except for being non-current every time she came over to fly, but her exile in Siberia has come to an end. She's at Maxwell now to become 2Lt Widman.

SrA Travis Swinson: Now that his wife finally got approval to stay in the country, he's out the door to Seymour. Travis did an outstanding job in OSS scheduling and Stan/Eval before his orders for Shady J came through. Should be a good move for him, and his wife doesn't need a visa to get there.

SrA Josh Bates: After being deported from Greece, Josh moved from Mobility up to OSS scheduling. Josh and his wife Jessica officially became "Mr. & Mrs Bates" earlier this year. Heard they are opening up a motel in California. We miss you already Josh, but you could've let Jess stay in as our personal finance assistant. Thanks for your service Josh!

SrA Logan (Larrybogan, Boganlarry) Berry: The guy with two first names just finished a tour in ground safety, went to CFIC and was rewarded with a move into crew scheduling. Maybe we'll get you a good job one of these days Logan. He and his family are off to McConnell. Hope you like sand.

LOST WINGMAN:

TSgt Mike (Good Deal) Soper: *12 Apr 1974 – 25 Aug 2007.* After Mike returned from the NCO Academy in Germany, he worked his magic to get *another* "deployment" to Souda Bay. Mike was going through some personal issues; we were helping him through those issues, but in the end he made his own decision. Mike was laid to rest on 5 Sep 08 at the Peaceful Valley Cemetery in Odin, IL. Next time you're in Illinois, stop by and pay your Boom respects. He was a great friend to everyone and we'll all miss you Mike.

PEASE ANGB, NH

157ARW/133 ARS

“WILDCATS”

Everything is going well at Pease. We just finished our NORI & ORI. We still have two lines of Bravo and one Charlie. Pease couldn't be a happier place to be right now; we are looking at hiring in the near future and encourage all that are interested to forward their resumes to the Chief. Our email addresses are firstname.lastname@nhpeas.ang.af.mil

AGR:

Chief Philbrick, Kelly EB - Chief is our program manager and of course all of us in the shop make his job easy. He is keeping busy with his wife and two girls. In the winters you can find him out snowboarding with the family. He is also a wizard with Excel.

SMSgt Casella, Tony EB - Still our Stan Eval boom with a treasure chest of knowledge in his helmet. He also made the mistake of letting the squadron know that he is good with computers. So if the demons in the machine need taming Tony's the go to guy. He enjoys spending time with his two boys and wife.

SMSgt Starkweather, Glen EB- Glen is one of our Flight Booms and is working in mission development. His side gig of managing the awards and decorations program makes us all look heroic. Glen keeps active with four kids and a wife. His oldest just joined the Wing and is off to college.

MSgt Gibb, John IB - You guys probably see more of John than we do. He is over at TTF and on the road or working really weird hours to support the TTF missions. He is looking at retiring shortly. We will need someone new to feed us the readers digest version of ESPN.

Technician:

MSgt Howard, Gary EB – gary.howard.2@nhpeas.ang.af.mil Gary decided to move from training to scheduling. We all thought he was nuts but sitting near the four heat producing plasmas keeps his CA heart warm. It also allows him a close view of the open Bravos and Charlies. He keeps busy with his wife and kids and finally got into a house. He has the real estate story from hell if you got the time.

MSgt George, Michael IB- Mike is finally putting his gruff exterior and sense of humor to use in scheduling. He also got married, no really he's married. Mike's outlook auto reply for requests for time off or changes is "denied". He is on the road as much as possible and enjoys time with his kids when home.

TSgt Beaulieu, Al IB-Sorry about the Air Force wide shortage of Blue Kool-Aid; it seems since Al became a technician he has drank the entire Air Forces supply. He can be found carrying a binder with 1522's whistling about ATMIS, ARMS and other programs that the rest of us know are crap. Probably would win an award if group commanders start spotting him actually wearing a seatbelt. Found a woman to marry...says she's "different" than the others. We all just laugh; we know better, he should too.

TSgt Marier, Jamie MB - I could do a whole page on Jamie but we will just hit the highlights. At least he's good at paperwork. Shrek found his calling from a late night infomercial. He is busy trying to transform his 6'4", 240 frame into something graceful. He can be found complaining that he doesn't have enough Charlie or Bravo's. A true technicians technician; he has the system figured out. His wife just had his second child and he bought a house.

MPA:

SMSgt Munt, Steve IB - Was looking at post retirement after being promoted by EPP 3 years ago but he found a slot with us so he can stay. He will be our Cargo Loading Manager. If anyone needs an MBA that can pass gas please contact him immediately. He was also a cave dweller working on 8010 stuff when not on alert. Steve substitute teaches math classes for a local high school and enjoys spending time with his three daughters and wife.

SMSgt Craig, John EB - John retired from the technician system and couldn't get enough of us so he will stay in scheduling on an MPA tour. John is still managing rental properties, pounding nails, and bought another house in his neighborhood. John's wisdom and wit will be missed when he finally hits the big SIX-OH. He is also a flight boom.

MSgt D'orto, Elaina EB - Another retired technician that just couldn't get enough of us. She is on an MPA tour and working in training. Her main function is to bring Al back down and help with the impending ASEV. She keeps busy with her husband riding their motorcycles, and her nieces and nephews.

MSgt Doyle, Jimmy MB - Yes the legend is still at Pease. I don't know anyone that doesn't have a great Jimmy story. In his off time he plays the home version of "Flip That House". He also does other construction work on the side or can be found out spending time with his daughter. He has a new girlfriend but no one has seen her yet. She must be nice because JD went out and bought a Lincoln so she doesn't have to deal with the drywall dust in his truck.

MSgt Blackwell, Sam MB - Sam is still running the three majors and a MSG over at TTF. His guard bum security blanket has turned into quite a career. As one of our sharpest booms he is always willing to keep leadership on their toes. Sam is fast approaching his active duty retirement if 1095 doesn't get him. Sam is still way to the left on most issues but his moral compass on oil can tolerate some flex until he hits the magic 7300 points. Sam also got married.

TSgt Brophy, Mark MB - Mark is buying a McMansion to store his stuff in when he is not out on his yacht. He claims to work for a pharmaceutical manufacturer on the outside; we think he really works for the Medellin Cartel. When he is not buried deep in building CMF's he can be found out with his wife and twin daughters.

TSgt Girouard, Mike MB - Our only boom that doesn't drink fell down stairs at home on Bravo and was DNIF for seven months. He got to hang out in the cave and become an 8010 guru. He really misses Bravo and enjoys his off time with his wife and daughter. Mike will be going to instructor school this fall. He is another MBA looking for a job; anyone need help with their NORI?

TSgt Rouleau, Christie MB- We see more of Christie's dog stuck in her LR2 than we do of her. The dog gives everyone that walks by the look of "please let me out and throw me a ball". She is doing well living nearby in Maine and flying often.

TSgt Leonard, Dan MB- We hear he's still in the squadron and married. He just bought another house to develop his own real estate empire. He just started next door at TTF part time working for Sam. We can't believe the low profile this guy keeps; he's like a ghost. Dan will be requalifying to instructor soon.

Traditional:

MSgt Lennon, John MB - John has had a busy year he went from meter reader, to overhead lineman to underground lineman to gas man at a MA power company. When the union isn't putting him in for better jobs he has two boys and a wife that keep him busy. John is a great mentor to our younger booms.

MSgt Dunlap, Mike EB - Mike just had a baby girl and is a proud dad. Mike was on a MPA tour for a while but has returned to the states largest cities police department. He is a juvenile detective and is getting settled into his new suburban home with his wife and daughter. He is also a flight boom.

TSgt Siemer, Ralph MB - Just landed a GS-12 job out in CA. If you're from March; Ralphie is one of the best; just ask him he'll tell ya. Our squadron will provide 63 letters of recommendation for him. His wife also landed a GS-11 job out there so they will try to scrape by on GS-23 pay.

TSgt Luter, Dan IB - Dan is a suit and tie guy that builds skyscrapers in Boston. Around here he is blast on the road and a sharp boom. His oldest just finished college and now his youngest is starting college. He and his wife are in the process of building a house down in MA.

TSgt Diaz, Eric MB - Eric is our token firefighter. He is just finishing building his second home up North in a fly in community. He just added a baby girl to round out the family from his wife and son. He also became a trout trooper (he prefers marine patrol) or the guy that takes the fun out of fishing when you are drunk. He has one of the most hectic schedules with three jobs.

SrA Scheuerle, Anne MB - Anne was also on an MPA tour for a while and is now back to flying for American Eagle. It is tough to keep up with her; we heard she's getting left seat in Dallas and is buying a condo down there. We don't know if she heard they don't treat Yankees great down there, ask Kennedy. For now she is Boston based.

Retired:

Chief Sneirson, Carl - He is looking for disability for carpal tunnel. Does anyone believe he knew how to type? He is reupholstering cars and driving his wife crazy.

Chief Morgan, Stevie B - Flying as a flight engineer. Can still be found at the local watering hole.

SMSgt Blandina, Mike - Just rumor but we hear he is installing alarm systems and doing home appraisals.

SMSgt Boucher, Denis - Currently reading meters for a NH power company. People have seen him out working; turns out the grass was pretty green in the guard. We miss him wandering the halls in his PT gear reminding us of the yearly test. He is looking for disability.

MSgt Lajoie, Dave - He is still in the area. Sweeping floors for God.

MSgt St Cyr, Marc - Power company's poster boy for a lineman.

RANDOLPH AFB, TX

HQ AETC / HQ 19AF

Hello again from San Antonio TX,

HQ AETC

CMSgt Chris Powell: Chris has had a busy year. He deployed to Bagdad for 4 months, got promoted to Chief, and is PCSing to Mildenhall. He is very nervous about the way the packer's created his Harley. Tune in to next year's signal to see if it survived the move. Thanks for your leadership and guidance chief.

(S)MSgt Paul Greene: Inbound from the Forks to replace Chief Powell. Welcome back to AETC Paul.

HQ 19 AF

SMSgt Lonny Hall: I just got back from a deployment to Manas and have an assignment back to Altus. I just can't get enough of that place. See ya'll at next year's symposium!

SMSgt Larry Lewis: Inbound from Mildenhall. Larry, you are in for a great assignment.

In the local area

Capt Dave Padilla: I sure do enjoy saluting boom operators.

CMSgt Ted Carrier: Still running the show at HEB. He still comes by now and then to keep me in line.

MSgt Marvin Taylor: I ran into T at the Seguin Wal Mart the other day. He still looks way to young to be retired.

MSgt Randy Zaiontz:

ROBINS AFB, GA

19 ARG / 99 ARS

‘HOME OF THE BLACK KNIGHTS’

The Boom Operators of the 99th ARS and the 19th ARG, Robins AFB, Ga, proudly and with heads held high, signify the end of an ERA, as we wind down to our inactivation as part of the **BRAC** process. Please allow us a moment to share with you some brief highlights and future aspirations of these professional enlisted aviators.

SMSgt Howard ‘Wally’ Tennyson – 19th OGV boom operator. We call him the ‘Red Baron’. Wally is a true barn stormer who spends his free time buzzing roof tops in his single seat plane. He’ll retire in the fall, culminating a distinguished career as a Black Knight.

MSgt Michael ‘Mikey’ Barnes – 99th ARS Chief Boom. Mike, affectionately known as the ‘singing boom operator’, is also retiring to begin his new gig singing the National Anthem for pay at sporting events and Church picnics. God Speed Mikey!

MSgt Chris Campbell – Chris is also retiring as a Black Knight. Chris has the coolest sideburns; and it is rumored that if his civilian contractor job doesn’t work out, he’ll become an Elvis impersonator. All the best to you, Chris.

TSgt Pete Rodriguez – Pete’s bound for Mildenhall. When the flying and TDYs slow down, he plans to open up the Fish and Chip shop he’s been dreaming about. Have fun over there Pete!

TSgt Steven Spalding – Steve is headed to Germany to work in the AOC. Auf Wiedersehen Steve! Don’t spend all those Euros in one place.

SSgt Chris Dvorak – ‘Devo’ is headed off to Nevada to work with the predator guys. Chris is finally realizing his dream of getting to play with model airplanes. Just remember Devo, if you break it, you bought it.

SSgt T.J. Ablay – T.J. is our Stan Eval boom who was accepted to OTS and pilot training. He also bears a striking resemblance to pro wrestler the ‘Rock’. Make us boomers proud Timothy. Let OTS know what the T.J. is cooking!

SSgt J.D. Pittman – (Stan Eval). J.D. is on his way to the Guard at Seymour. J.D. now that you’re a Guard guy, will you still have to run your checklist, or will you hire someone to do it for you? All the best.

SSgt Marcus Barnes – We call Marcus ‘little’ Barnes, even though It’s not likely anyone will get him confused with MSgt ‘Mikey’ Barnes. You see, Marcus weighs a ‘buck o five’ soaking wet, and has to be strapped down to his desk in flight scheduling in case a good wind blows by. Marcus is headed to Altus to show new booms the way.

SSgt Terrell Frideger – ‘Digger’. Terrell has done an exceptional job for us in training flight. Also headed off to Mildenhall to show those guys how it’s done.

SSgt Earl Mayhew – Seymour bound. Earl is one of our newest instructors, but may have missed his second calling. He’s a wiz with computers and often helps out our CSS folks. When he ran out of computers to fix, he started working on the small appliances in the squadron. We had to hide the coffee machine.

SSgt Jonathan Taylor – Also headed to Seymour. Jonathan’s a sharp troop. Knocked out all competition for awards at squadron and group level in the NCO category.

SSgt John McIlvoy – “Mac” also just back from CFIC. Headed to McConnell.

SSgt John Brooks – On his way to McDill. John is looking to ease some of the pain of being given a hardship assignment to Florida by spending countless hours of quiet time on the beach. Yea...right...

SSgt Tony “Shooter” Erdelac – Tony’s on his way to Kadena. It sometimes gets a little embarrassing, but at our monthly farewell luncheons, he brings his own chop sticks and practices eating like the Japanese do; even when lunch is pizza. Good luck in Japan Tony...with the chop sticks that is.

SrA Ray Johnson – ‘Ray Jay’ also known in certain circles as “Baby Knievel” is famous for his eye opening “over the handle bar’ motorcycle trick. Raymond’s fractured wrist is healing nicely as he makes his way to Seymour where he’ll no doubt do a great job.

SrA Austin Arnold – A new instructor on his way to Mildenhall. On his days off, if he gets any, will moonlight as a bouncer at Pete Rodriguez’s Fish and Chips restaurant.

A1C Ashly Peek – President of the 99th Boom Association. When she wasn’t on the campaign trail, kissing babies, handing out lollipops and waiving to the crowd, Ashly excelled during her first deployment in support of operation Iraqi /Enduring Freedom, earning her first Air Medal and garnering Amn of the Quarter honors for the last quarter, 2007. The last of the baby booms rounding out the contingent of folks headed to Seymour Johnson.

Watch out world! The Black Knight boomers, winners of the 2007 Al Evans Trophy are headed your way. The 99th ARS and the 19th ARG couldn’t be prouder of our folks and the legacy they so proudly leave behind. Once a Black Knight, Always a Black Knight. “OUT FRONT!

HQ AFRC/A3TA CEA Functional Manager

Hello from down middle Georgia way! Almost two years after Altus and things are rolling down here. Working at HQ AFRC and sending SSS (triple S's) out to everyone that can stand to read my writing. I'm proud to be representing the finest enlisted flyers (AFRC Enlisted Flyers). Working on TFI initiatives, EAFC, CoE, IPTs, Lean, AFSSO 21, PSO, REAP, U&TW, AFI rewrites, and deployment stuff. I'm heading to the sun kist beaches of the Middle East very soon for my first deployment in 10 years. I'll be filling an OG Super position...After 3 consecutive staff tours, I can't wait.

My daughters Kayla (7) and Kelsey (5) are both in public school. Kathryn will be heading to Nursing School in Sept.

Lots of retired Booms round here to visit if you stop in, Sam Hunt and Bob Hennings to name a few. I – 75 Exit 142 turn left onto state hwy 96, and 1 mile later you're at the Paullet household! Stop in anytime for a cold one, roof stomp, and regular old laughing good time.

Greetings from the steamy South. There's not much new to report from here, life in God's country is still grand! I'm still (and always will be) living in NE Alabama and doing a little farming while staying in the game here at 22AF/A3T. For the foreseeable future I'll be working full time here splitting time between the CAT, Ops Cell, and Training. The boss is good enough to let me fly from time to time so I'm attached to the 78ARS at McGuire and try to get up there every quarter and touch an airplane.

The oldest (Stephen) is living in Atlanta and about to finish up at GA Tech and youngest (Jessica) is still at home and starting high school in the fall. I suppose I'll keep this gig up until she graduates and then pack it in and farm – at least until I go broke.

Give us a shout if you're passing through the Atlanta area. I can usually break loose for a spin on the bike or grab a cold one at one of the many watering holes around.

Until next time,

Mike

Greetings from Fourth Air Force. This has been a busy year as the BRAC has affected three of our tanker units. The 940TH ARW at Beale AFB, CA had a ceremony as their last two tankers took off for the last time. The 939TH ARW at Portland IAP, OR has converted to Space Command and is now at Vandenberg AFB, CA. The 927TH ARW is now at MacDill AFB, FL and the remaining personnel at Selfridge are now 4AF Det 2.

We are busy as ever providing unit assistance visits and unit program evaluation during Aircrew Standardization/Training Assessment Visit (ASEVs). In addition to all the different visits we are regularly attending conferences and special sessions for all issues related to DOV, DOT and Tactics.

I hope to see you around during a TDY or whenever you find yourself at March ARB.

Frank.

KC-10

CMSgt(S) Greg Warren: Upon Greg's notification of making Chief he was notified that he would be moving to Laughlin AFB, TX. He was told he needed to ensure Pilots know how to treat BO's before getting to the units.

MSgt Todd MCPeak: Todd was acquired/paroled from McGuire in late summer. He revamped the ATP-56 which I'm sure has been well received in the units. todd.mcpeak@scott.af.mil

SMSgt Jeff Russell (Inbound): Jeff from Travis AFB will join the stan/eval team in late summer.

KC-135

SMSgt Dan Smith: Dan has decided to pursue his goal of becoming a professional hockey player. He then immediately broke his ankle—maybe next time.

SMSgt Troy Doane: Troy was stolen in the dead of night from the HQ AMC/IG team.

MSgt Jeff LeDoux: Jeff has made a name for himself as an excellent orator at the division picnic. He received all kinds of accolades for leading the LSU cheer.

SMSgt Jeff Whited (Outbound) Jeff left Stan Eval for the greener pastures of the requirements branch. Good luck with new job.

If you are ever at Scott and want to see the cubicals of the 3rd floor give us a call.

HQ AMC STAN EVAL BOOMS

SCOTT AFB, IL

HQ AMC/A3M & FMFS

Greg Conrad (SMSgt retired) Greg's in charge of the Theater C2 branch now after all the officers have bailed out on him, even with the increased responsibility he still has time to take his Scheduled Day Off (SDO) days and relax a little. Along with the added job responsibility he has time for his kid's baseball games, soccer and scouts. On the weekends (at 4am) you can find him sitting next to his new BBQ Smoker with a Milwaukee's Best Light Beer in his hand. Greg also "Broke Down" and got himself a new 2500 Dodge 4x4 pickup yes, he finally got rid of the old Chevy 4x4 he drove at Altus.

Tony Nicholson (MSgt retired) Tony hasn't let a contractor job change him. He's still the same Pyro at the campouts keeping everyone warm and making sure they are fed. Tony continues to maintain his running schedule and has even entered a couple of 1/2 marathons. He's refinished his basement in True Packer Style (must see to believe) Go Pack Go!

MSgt Dan Jorgensen (Active) Dan is loving life in his new 5400 SQ FT house, if you're ever in the local area stop in and spend the night, he has plenty of room. When HEs IN THE OFFICE you always know, just listen for guy complaining about the local school system. Dan sets a first, when the temperature is 90 degrees outside he wears a set of sweats to run. Dan's in the planning stages for a late spring 2009 retirement.

MSgt Geoff Potter (Active) Geoff is hard at work as the Training/Standardization Evaluation functional for the CRWs. Standardization is not as easy as it sounds due to the fact that you have to have actual training before you can standardize it. Geoff is hard at work during his last hitch in the UASF to do just that. He could be kicking back but he has elected to make a difference. He also acts as the unit PTL (Physical Training Leader). This is a fancy title that means he owns the whistle. It's a glamorous job that pays nothing, increases your paperwork and makes friends wherever you go but I couldn't imagine running around in a circle without his direct supervision. Geoff will be retiring next year as he moves onto civilian life in search of a juicy contract job that requires he accomplish less, get paid more and requires no adult supervision.

Fran Nicholson (TSgt retired) Fran's having a good time tracking the fuel that our tankers pass to the Foreign Military. When Fran's not at work she spends time with her boys, takes guitar lessons, participates in Martial Arts, and still has time to chase Tony out on the running trail as they both prepare to run the Louis & Clark 1/2 marathon this fall. If you're ever in the area stop and say Hi.

618 TACC/XOOK CORONETS

Greetings from Scott AFB. The land of AMC and TACC. It has been fairly busy here in the last year. If you are ever passing through Scott, make sure you give us a call and we will have a cold refreshment ready.

MSgt Pat Brown-Davis: Just took over as the Tanker Division Superintendent TACC/Current Ops. Pat just bought a house, so I think she is intending on setting up roots.

TSgt Wayne Keiser: Wayne just took over as the Coronet Branch manager. He bought a house out in the country and loves every minute of it. He had to buy motorcycle so he could afford the gas to drive to work every day.

TSgt Timothy Blackburn: Tim came to use from McGuire this year. He has quickly become the coronet work horse. He seems to launch more missions in a week than the rest of all do together. If he could only learn how to fill in a 175.

TSgt Sean Wall: Sean is another McGuireian. He had to buy a mansion in order to have enough garage space for all his cars. Sean just became a proud father of his fifth vehicle, a minivan.

Inbounds:

MSgt Donnie Lambert: Donnie is coming to us from Altus. We are looking forward to his arrival.

TSgt Brett Prothe: Brett is also coming to use from Altus. We are looking forward to his arrival.

Recent Departures:

Mark Reuter: Mark retired this year. Both Mark and his wife are staying in the local area. Rumor has it, he loved it so much at TACC, he will be coming back as Mr. Reuter in the near future.

SEYMOUR-JOHNSON AFB, NC

77 ARS

“HOME OF THE TOTIN’ TIGERS”

A big "Hey Y'all" from the booms here at the 77th, "Home of the Totin' Tigers". Chief Sean Martin has taken a job with Boeing and moved up to the Ops Group as a traditional reservist and acting Group Superintendent. The 77th has an ASEV and UCI this month and an AEF rotation(s?) again very soon. The big news for us is the activation of the 911th ARS as an "Active Associate Unit" within the reserve operations group. Yes, we are all lab rats in the grand experiment of having active duty blended in with a reserve unit. We're proud to be hosting a whole new flock of Boom Operators...with SMSgt Tim Clark as the program manager. The 911th was here as a KC-10 squadron until around 1995 and it's great to have them back home at Seymour!

If you're in town, give us a holler and we'll take you out for some Carolina barbeque and sweet tea! Keep this in mind also...We've got some great schools like NC State, UNC, Wake Forrest, East Carolina, Campbell University, Duke, and Meredith all within an hour and a half of the unit. So if you're thinking about leaving active duty to go to school and still want to be a boom operator, consider giving us a call.

Godspeed, Blue Skies and No Breakaways

TONY PARIS, CMSgt, 77 ARS Program Manager

SrA Jeremy "Tin Man" Bennett - Jeremy is mission certified and prepping for his first AEF. He came to us from the Cherry Point Depot and has a background in depot level helicopter/ sheet metal maintenance. He comes up about once a week to fly. Don't buck the system!

SMSgt Barry "Stan Evil" Bradley - Barry is our Stan/Evil boom. No more teaching technique! Those who can't teach, evaluate, as they say. Rowdy has influenced Barry and now he is also a Harley owner. They have been hanging out together, wearing leather chaps and stuff. Not that there is anything wrong with that, I'm just saying...

TSgt Rich "Bowl O' Chili" Bonicelli - Rich is a new ART and our newest instructor. He's a favorite at story time in the break room. If you want to know about the Bronze Age or anything obscure, just ask. He's our very own Cliff Clavin. He has taken over building manager so he is qualified to change light bulbs. How many Booms does it really take?

TSgt Jorge "Habi" Brewer - Jorge is working with the North Carolina State Highway Patrol Hispanic Affairs in Raleigh. He comes in from time to time to fly. Turn off the blue lights this isn't K-Mart!

MSgt David “Chando” Chandonnet - Dave is still the computer GOD! He’s also a new and proud papa to baby Danielle and brand new son Cameron. Dave is going to school at NC State.

MSgt Keny “Dammit” Fallin - Keny is in Scheduling. He is a new dad to a baby girl name Ava Grace. He still believes that Budweiser is the only beer and Van Halen with David Lee Roth is the ultimate rock and roll band. His wife allowed him to go see VH this year. I guess marriage ain’t so bad (for some).

SSgt William “The Noid” Frazer - Bill is back from survival school and now mission certified. He’s back at work with his civilian employer and is prepping for his first AEF as a boom operator.

SrA Brice “Surfer” Hayden - Brice is living near Myrtle Beach now. He is helping out Andrews with their AEF. He’s “Living the Dream”. He has “one of those” rice burner cars...Go Speed Racer!!!!!!

TSgt Tara “Scratch ‘n Dent” (Hopewell) Kirkpatrick - Tara is a married and now a Kirkpatrick. Tara is still a keeping her rep up as the accident professional. She has another new car. Don’t ask her how she got the car; do ask her how one of our pilots got a new front tooth. She will slap your ass with a beer bottle, but only if she really has to.

MSgt Kevin “Ticket” Hughes - Kevin is a married man now. He spends most of his extra money keeping his “old lady” happy instead of on his ‘vette now. The master of good deals. Rumors is he may become a late night infomercial announcer. Hey, where’s my wallet!?!

CMSgt Sean “Bimmer” Martin - Chief Martin was “paroled” from his ART job and is working as a Test Boom with Boeing out in Wichita, KS. We all want to be like him when we grow up. He helps out at the OG level when he’s around. Look at the Brain on Brad!!

MSgt Mark “Beerman” McElmurry - Mark is our Current Operations guru and is a heck of a beer maker. On occasion he will bring some of his homemade beer in so we all can enjoy the nectar of the gods. Ben Franklin would be so proud of our “Renaissance Boom”,

MSgt William “Grandpa” Norris - William is the orders guy and body scheduler. He also is reliving his biker days now that he’s back on two wheels. William is also one of our evaluators and word on the street is he “more reasonable” for an evaluation than Barry “I remember everything” Bradley.

MSgt Lori O’Connell - TDY should be her middle name. Lori is on her way back from CFIC as of this writing and we’ll put her to work. There will be a new baby boom incoming shortly and she can put all that new instructor knowledge to good use.

CMSgt Tony “Frank the Tank” Parris - Chief Parris is back in the fold as the boss this time. After a 4 year combat tour in DC, he got tired of the big city life and is glad to be back in NC, with a fruit stand and a used car lot on every street corner. The Chief still enjoys his old Volvo wagons and his Mini. We’re glad to have him back. He still carries around a bottle of bleach and rants about the break room being a pig sty. Makes killer “Hot DAMN Jalapeño popcorn.

SSgt Jeremy Reynolds - Jeremy came to us from active duty, Grand Forks to be exact. His wife is from the Wilmington area and they decided to move out of the cold and back to the land of Frickin’ Hot. Jeremy is working as a financial advisor or money launderer...something like that. May go into business with Kevin Hughes selling juice machine and Ginsu knife combo packages on late night TV.

MSgt Rodney “Rowdy” Smith - Rowdy is still in training flight. He has a lot of gray hair now. Could it be he’s tired of swinging “the shovel”? Rowdy’s hoping to make a move out of the training office towards the end of the year and hand “all the fun” over to someone else for a while. Don’t forget to stand at attention when you talk to MSgt Smith! He threatens all the time to “get medieval on our ass” for not following his exact procedures for tracking our training.

MSgt Billy "Mr. Thursday Night" Somerville - B.J. is our regular Thursday night flyer (hence the nickname). B.J. got his wife a Harley and is joining her on his Road King. He's also reliving the glory days with his hair ...well, collar blowing in the wind.

TSgt Steven "Butterbean, aka Lover Boy" Stanton - Steve is now an ART. A former marine and CH-46 helo gunner/crew chief/mechanic/ Corporal Punishment!! Steve has some crazy Desert Storm aerial photos if ever get a chance to see them. He's our ground safety rep as well. A recent graduate of the motorcycle safety course and new Harley Davidson owner (Rowdy influence). Famous quote from his daddy "If you're going to be dumb you've got to be tuff"!

Booms of Yore:

MSgt Rick Powell is at Tinker AFB, OK doing the depot thing.

MSgt Randy Palumbo is our First Sergeant.

SMSgt Brad Baxter is at Scott AFB, IL.

SMSgt Jamie Ward is at Scott AFB, IL.

SMSgt Ronnie Wade is retired and moving back to NC soon.

SSgt Mike Harston is pilot. Now, !Captain! Mike Harston up at McGuire.

CMSgt Jerry Snyder is retired and Manager of the Flying Shamrock Irish Pub in Goldsboro.

SMSgt Don Templeton is retired and working / living in the Raleigh area.

Final Fly By, In Remembrance:

SMSgt Donna Dobbins, who was with us here at the 77th from 1991-1995, she passed away recently...she helped to shape and mentor a few of us when we were just youngsters. Thanks Donna for your time spent with the Totin' Tigers.

SIoux CITY ANGB, IA

185 ARS

Greetings from Iowa! Another busy year has passed and our unit continues to evolve. We converted from E's to R's this year as well as completing the units first ever "8044" inspection. So we traded in Thrust Reversers for "Tape Tests", not sure that's progress? Seriously, we're happy to have R-Models and to be in the fight! We've been in the tanker business for 5 years now. Our boom force continues to mature and is staying busy with AEF deployments, Coronets, AE, & Guard Lift missions. If you're ever in the Sioux City area, give us a call. We'll be happy to show you around town and share a few "light refreshing beverages".

Full Time Booms:

CMSgt James Hill – Our Chief Boom & fearless leader. He is currently deployed in support of the Global War on Terror. If you need your AITW campfire started in "Grand Style", he's your man! He wants to retire and move back to Texas; but his wife saw the movie "Field of Dreams" and apparently believes Iowa is in fact "Heaven", so she's not ready to leave yet.

SMSgt Phil Frank – Our OGV Boom. His Air National Guard "transformation" is progressing well, although he still has "Active Duty" relapses occasionally. He has more flying hours than the Chief Boom and reminds "The Chief" of this fact every chance he gets. He spends all of his spare time playing or coaching his daughters in volleyball.

SMSgt Al Mast – Al is our first "homegrown" instructor/evaluator. He is currently learning the ropes in Stan/Eval. He is a tremendous worker who will do anything for you. He has the perfect personality for Stan/Eval. He is always angry & utilizes the "Dale Earnhardt" approach to giving evaluations..."Intimidation".

SMSgt Jay Doran – "Jaybird" is the guy who holds our scheduling shop together. A very hard worker who gets stuff done (and by stuff, I mean shit)! He just got back from instructor school where he did very well. He spends much of his free time coaching his kid's athletic teams so I'm sure those same skills will carry over as he begins his IB career.

MSgt Dave Dietrich – Dave is stashed away in our "Tactics & Plans" shop back in the vault. As far as I know, he still works here? I haven't seen him for months. He did great work for us leading up to our 8044 inspection. Dave sold his house & Harley to move in with his girlfriend. When a man sells his Harley, "wedding bells" can't be too far off!

MSgt Chuck Heald – Chuck is one of our training guys. He is a great instructor and is quickly mastering all the processes in Training Flight. He lives across the border and is the biggest Nebraska Cornhusker fan I know. When he's not working on his Mustang or watching drag races, he's figuring out how he can get to the next "Big Red" game.

MSgt Chuck Griminger – Chuck is also a training guy. He is possibly the most intelligent & organized person I've ever come across. If it's in the book, he knows it! He has done outstanding work in training and as an instructor. "Grim" is not what you would call a "Social Butterfly", so I'm not exactly sure what he does in his spare time?

MSgt Lee Phelps – Lee is our Current Operations boom. He selects all the booms for the trips. He’s happiest when nobody signs up on the “Trip Board” because he would just as soon take all the trips himself. “Buddy Lee” has a place down in Onawa and spends his spare time on “home improvement projects” like hunting or fishing.

TSgt Jason Stoos – Jason is our long range scheduler and newest IB. I’m not sure what he does exactly as our unit normally schedules all our missions a day in advance. Jason is the unit’s young, partying, motorcycle riding guy who picks up all the chicks. We hired him on full time so all us “Old Guys” could live vicariously through him.

TSgt Misty McNamara – Misty is working in Crew Comm. She is an incredibly hard worker & fast learner. Probably the reason she made the move from a part time “Guard Bum” to a full time position. She loves to go on trips and is “Buddy Lee’s” main competition on the “Trip Board”.

Traditional Booms

MSgt Tim Ireland – Tim is now a Vice Principal at a High School in NW Iowa (I weep for our future). He loves to come down and work for us at the “Guards” and did it quite often last year. I think he made as much money with the ANG as he did teaching school. He has a cabin & a boat on Lake Okoboji and would be a great host for summer lake parties if he wasn’t always gone on ANG trips all summer.

MSgt Dudley Joines – Dudley is a Sioux City Policeman. Dudley is another great guy with a civilian job that allows him to fly with us often. He also loves to travel and gets his name on the “Trip Board” as much as the Sioux City Police department will allow. He’s a great patriot and volunteered to deploy with Grand Forks to Qatar to support the GWOT.

MSgt Marshall Hill – Marshall works for the U.S. Post Office. He is another boom who steps up to the plate and continually supports our unit’s mission. You can always count on him to get his training done. He and his wife are “Great Americans” and take in and raise Foster Kids from around the local area. I’m continually amazed how he manages his life!

TSgt Mike Dunlop – Mike was recently hired to a full time position managing a state drug reduction program. He is a good boom operator and gives the unit a lot of his time. Hopefully he’ll be able to continue to participate a lot even with his new job. He is a professional photographer and gets a lot of great shots for us to hang in the squadron halls.

TSgt Scott Anthone – Scott works for a financial institution in Omaha. He’s a great guy and always greets you with a smile and a handshake. He recently got off an extended DNIF and has been able to start flying again. He’s currently on his first AEF Deployment as a boom operator.

TSgt Andy Pick – Andy’s in the Insurance business. He has a young family with a couple of kids and gives us as much of his time as he can. He is very sharp and this whole boom business comes easy to him. He recently returned from his second AEF Deployment as a boom.

SSgt Angela Flanagan – Angie is currently our only “Guard Bum”. She is slowly continuing her educational goals in and around flying and going on ANG trips. As the only boom “Guard Bum”, she has pretty much stayed gainfully employed with us. She bought a new truck last year and a new boat this year. So whatever she’s doing must be working, or she’s in debt up to her ass?

Booms Who Moved On:

MSgt Ben Davis – Retired to Spokane Washington to start his second career.

MSgt Jeff Lindemann – Retired to Minnesota. Good luck “Lurch”

TSgt Ryan Surber – His new bride got a job offer in Western Nebraska they couldn’t turn down. Ryan transferred to the Colorado ANG to be a “Weapons Loader”. We’ll miss you “Little Buddy”

TINKER AFB, OK

10 FLTS

“FIGHTIN’ TENTH”

Greetings from Central Oklahoma, home to the Greatest Air Logistics Center in the United States! The saying around here is “If you don’t like the weather now wait an hour and it will change”. Our mission is to Functional Check Flight (FCF) 45 to 50 KC-135s of different series every year. The 10th FLTS Functional Check Fly’s B-1, E-3 and B-52 aircraft as well as the KC-135. It’s true; Bomber and Tanker guys can work together in the same squadron. We pride ourselves in sending the BEST airplanes back to the war fighter. If you’re ever dropping off or picking up an airplane for PDM, stop by, the snack bar is always stocked!

SMSgt Quinn Janke (AGR): “OVERLORD” - Quinn will be retiring after 27 years plus in this great Air Force. Quinn has been here at the OC-ALC for over 13 years and has the most FCF experience in the USAF, his experience will be missed. Rick can only hope to fill his shoes! Quinn will be looking for a Civil Service job at the OC-ALC, depending on what office you call at the OC-ALC; you may hear “This is Mr. Janke” on the other end of the phone. Best-of-Luck in your retirement! Quinn.Janke@Tinker.af.mil

MSgt Rick Powell (AGR): “Underlord” Rick will be the new 10 FLTS Overlord. Rick just arrived in Oklahoma at the beginning of the year from San Antonio, TX (Kelly BASC). Rick was doing FCF’s at the Kelly Boeing Plant for the last 4 years. Rick has learned a few things from Quinn and he plans to continue the tradition of sending out the BEST airplanes to the war fighter’s. When Rick arrived in town, the first thing he did was find a drag strip to race his Camaro. He has won a trophy and some money with his hobby! Just living on the edge and waiting in line for another thrill. Garrick.Powell@Tinker.af.mil

MSgt Frank Valley (TR): Frank is the TR Boom, we don’t see him much, and he is hard to keep current. He spends most of his time working for the Midwest City Police Department. Frank was a motor cop for the Oklahoma County Sheriff’s Department but his new job pays more. If you’re ever in Oklahoma City don’t speed down the streets or you may get to meet our unit law enforcement officer! “Book em Franko”. Frank.Valley@Tinker.af.mil

BOOMS OF YORE

(PCSD) SMSgt Brian Buss (AGR): - After SMSgt Janke “mentored” (babysat) Brian for the last 7 years and now with his training completed, he has moved on to the 413th Flight Test Group at Robins AFB GA. as the 413th Flight Test Group NCOIC of Standardization Evaluation, aka “**The Boss**”. They promoted him after he drank enough of their Kool-Aid and now is on the hunt for his next stripe. Brian still graciously comes out to fly with us and promote the Group’s vision and propaganda--what a salesman. His impact can be felt far and wide. We now have to shine our boots and maintain our flight suit “gig” line when Brian comes around and it is rumored that he is responsible for forcing Life Support to wear camouflaged uniforms again. Nothing gets by Brian the Group Spy. Brian.Buss@Robins.af.mil

MSgt Harold “Beve” Katus - (Retired): The last USAF Active Duty Boom Operator at the 10th prior to the Reserves taking over, is still living in the local area and working at the OC-ALC in the E-3 and E-6 TACAMO world of wonders (Navy affiliated) for a second retirement. Harold.Katus@Tinker.af.mil

Ron Poe (Retired): Last word heard, retired from the Edmond Post Office and now owns and operates a restaurant in Moore OK.

SMSgt Bobby Skaggs (Retired): One of the C/KC-135 Flight Manuals Managers at the OC-ALC has moved on to greener pasture in Arkansas with aspirations of being a goat farmer on his 28 acre estate.

“SHIT-HOT OKIES”

Wow. Busy freakin year. Yes, we are now fully integrated with the Air National Guard's 185th ARS (formerly C-130 guys from Will Rogers International Airport). We spun 'em up and sent 'em flying and still took care of the daily schedule, numerous deployments and another ORI. Here's the current lineup:

CMSgt Steve “Bif” Robinson In an effort to get this version published in a timely manner, nothing derogatory will be mentioned about our Chief Boom whom may or may not have my orders signed at this time. Bif is a busy guy. Between boating and coaching his daughters' basketball team it's amazing that he's been able to keep his thumb on the squadron and still find time to ride his Kingpin. As program managers go, he's a keeper.(Paid for Statement)

CMSgt Phil “X-Man” Brand (ART) Hyper-enlisted, Uber-Sergeant. Our Chief of Stan/Evil, Phil keeps us in stitches when he's not in Evaluator mode. Recently married, oh hell he's been married for a while, we just found out, now if only he will tell us where Hoffa is buried. Very quiet guy!

SMSgt Marty “Crunch” Lochman (ART) NCOIC of Mobility, Marty is doing a bang up job, and not just on our Booms. Still flying his vintage 1946, Cessna 140 to air-shows, fly-ins, balloon-fests and mishap boards. Do a search of his name on Google and you will be surprised at the amount of info there, some sites will offend the younger booms.

SMSgt Kathy “Flaming Red Head of Anger” Lowman (ART) NCOIC of training, Kathy rules with a very bitchy, iron fist. Were hoping her time on her big boat will mellow her out. Isn't AFRC calling? AFRC you are calling right!

SMSgt Darby “Jose Darbo/Bleeder” Perrin (Trougher) World renowned starving artist; Darby has had a busy year. Here's proof you can get promoted by drinking heavily. Check out his latest work here: www.planeart.com (shameless plug). If you haven't seen his work yet, you have probably been in the AF for about 9 months or less and have no business using your time to read the Boom Signal. Go find a T.O. Newbie!

MSgt Rick “Ricky” Erwin (ART) Ricky is happy. He's recently turned 56 and on the fast track, (he made TSgt in 78 and put Master on in 98). With 4 years left, he's content playing the Xbox and achieving “Legend” status on Tiger Woods Golf, and slaughtering dinosaurs on Turok. A new washer and dryer keeps his wife content. It's just that simple, still waiting on the pool party.

MSgt Steve “Ebay” Switzer (ART) Steve is our NCOIC of Mission Development. A regular on internet auction sites, he's bought at least 5 motorcycles so far. At least that's what he told me. Hard to know when he's serious or not. Screwing with people is an art form and Steve is Michelangelo. He's also the proud owner of a new Mini Cooper, (queer).

MSgt Mark “McGoo” McGougan (ART “Finally”) Flippin’ cars are what Magoo does best. Oh, he also spends a little time scheduling and mission planning. As an evaluator, hooking you on a check-ride is the last thing on his list, but it is on his list. Will go TDY if forced, by forced we mean asking Sandra first!

SMSgt Alvin “Koop” Kuper (BAE/Trougher/ART Wanna Be) He works for BAE Systems as our resident go to guy. He’s getting married, he’s not getting married, he’s getting married, he’s not getting married, he’s getting married, and he is not getting married. Just that simple, ring for sale, not for sale, ring for sale oh forget about it.

MSgt Justin “Dancing Boy” Hopkins (Reservist) Dancing Boy was just recently promoted to MSgt. Good thing. He was going broke because of the quality and quantity of hair product he uses sky-rocketed when gas reached \$3.00 a gallon. He’s right though, “being aircrew rocks”. See how he got his nickname by cut and pasting this link word of caution don’t drink Tequila with CHEM gear: <http://chairforce.com/fun/vids/pages/stayin-alive.htm>

TSgt Kelly “Kelly-Kelly-Kell-Kell” Witt (ART) Who doesn’t love a biker chick? Kelly is our NCOIC of training and works her tail off when she’s not riding all over the state, we did mention a motorcycle right. Bike night has improved around the area!

TSgt Charles “SPAZ” Dalton (Reservist) Does he still work here? Evidently, yes! Although we don’t see him often we’ve heard that he got halfway through helicopter training before the school declared bankruptcy. He’s still got his fixed wing rating, (he’s a CFII, and MEI) and that keeps him busy. He kept his bibs from the railroad days for role playing. Sick puppy

TSgt Ben “Flaps” Brent (Reservist) Flaps has been out of trouble for nearly 10 months now, it’s a new record. I think he wants to upgrade! Now if only we could teach him to read he would be up their with SPAZ.

SSgt Ron “WTF” Davis (Reservist) Ron is currently doing a 60 day stint in the desert and loving life. Ron is ex Army and ex Navy, so he’s under the impression that he’s got it good. From what I understand he’s started giving salsa lessons and preaching democratic values to the locals, not sure how much longer he’s going to be here with the I’M for HILLARY bumper sticker!

SRA Josh “Tiger Beat” Holdridge (Reservist) Sorry ladies, it appears that our little Tiger Beat has recently become engaged, (to a girl) and will be married off by this summer. They will live in his pickup until his landscaping business earns a profit or when he makes SSgt, whichever happens first.

SRA Matt “Hoppie” Tompkins Matt is a controversial little monkey these days. He’s living every single Airman’s dream. Matt has gone as far as Amsterdam for a date with a girl he met in South America! Who said TDY is not educational? Something about his first piece of “beach life” has him all in a tizzy; let this be a lesson stay out of CURACAO.

Retired:

CMSgt John “Raging” Beasley : One “PUNCH” Beasley has retired and taken up Truck driving, looks like all those stories HACK told have finally paid off. If you see a Crete Truck with a large balding mad driving, just wave better safe than sorry! Oh yeah SSI for all “remove Okie Sticker” from back window.

TRAVIS AFB, CA

Sq Superintendent: Chief Bruce Zahn: When we first saw him walk in we thought a WWII vet was taking a tour of the squadron...turns out his drinking and smoking days just finally caught up to him.

Ops Superintendent: MSgt Tony Edwards: Tony went to be a First Sergeant and just hasn't been the same since. He could possibly be the only boom in the Air Force than can quote non-flying regulations and that is a good thing because it intimidates the younger booms.

Asst Ops Superintendent: MSgt Paul "Mike" Piazza: Married with kids, hunter and custom bike rider. We love getting him drunk because his New York accent becomes completely indecipherable. There was some initial concern because he said anyone not paying their GTC would get "whacked" by one of his boom lieutenants.

TSgt Luis "Back in the CRW" Acevedo: Just back from CRW and undergoing shock therapy to get the CRW out of him. Puerto Rican Fitness Love Machine that rides his bike 20 miles to work. Jackie Chan told him that "HE CAN'T UNDERSTAND THE WORDS THAT ARE COMING OUT OF HIS MOUTH"

A1C Dominic Amadeo: Local boy just qualified and hangs out with Burns in the desert. He has turned out to be TSgt Acevedo's favorite person and will take over the squadron PT program soon. Can remember movie quotes from spaghetti westerns but nothing from the dash 9.

MSgt Greg Atkins: Retiring in August and heading to Oklahoma with hopes of teaching AF JROTC. He is still trying to grasp the concept of why air refueling is called "aerial air refueling" so he submitted an ATP-56 change for the new term Boomtastic Boom Refueling. Recently traded in his Corvette because he didn't like the payments or money digging women that came with it.

SSgt Eric Baldock: lives in Vacaville and was welcomed to Travis by having his car stolen. Put in for OTS thinking he'll get a new car when he graduates and is currently working on having more grey hair than Chief Zahn. The supervisors would like for him to make up his damn mind on if he wants to separate, go to OTS, guard/reserve or become a pornstar.

TSgt Scott Beasley: went to become an FTU instructor and all around great guy but we'll find his faults in due time. He is another fitness freak and has a kid that runs a faster mile than half the people in the squadron.

SrA Steven Bejarano: married and going thru IBU. Got arrested for sneaking into a club when he was 20 which is most likely how he met his wife. If he lets his hair grow out he looks just like a Chia Pet. Part of the cool Motorcycle Helmet Suction-Cup Mohawk Club with Russ Hobbs.

SrA Aaron Burk: He has had five different jobs in the AF and still has a 3 level. Stands at an impressive height of 4 feet 5 inches and some have confused him as a midget. After seeing him drunk we think he is a prodigy child to Hank the Angry Dwarf.

Amn Josh “Bugeye” Burns: Qualified one day and in the desert the next. Local boy that refuses to answer his phone but we managed to get through by disguising our voice and calling from his dad’s (retired Wg CCC) office phone.

SrA Kelly “Boopie” Chiolan (Shalawn, Chow Lan, Chow mein, etc.): Jersey girl that used to date Ron Espinoza which doesn’t say much for Kelly. She owns every award in the squadron and acts like the perfect girl but we know she’ll drink every person in the squadron under the table if given the chance. If she is drinking with Meitz...then that is a challenge to see.

SSgt James Cain: Avid skydiver that loves jumping out of perfectly good airplanes. We caught James with his pack on trying to open door 1L during a flight. Rumor was he thought about going to the AFA as an enlisted jump instructor which meant a ton of cadets going “Oh shit!” when they pulled their rip cord and saw four strings with a big blanket saying “LOL!”.

A1C Darren Cully: He is so quiet in the squadron that we have no freakin’ clue what to write about him in the boom signal. He’ll probably shock us all by turning up in yet another military sex scandal or shock us even more by completing his CDCs in the next 15 years. One of the many squadron airmen driving \$30K cars.

SSgt Alfonso Duenez: Had a new baby boy and moved over to Air Ops from Training Flight. He had some minor complications with his PRK eye procedure and goes though eye drops faster than a hobo on a ham sandwich and probably eats more ham sandwiches than a hungry hobo.

SSgt Zach Fleming: Mr. Football and local little league coach. We asked Zach why he likes coaching so much and he simply replied, “I just love playing with young kids and their balls”.

SSgt Brian “Computer Guy” Gerrard: Just call me Hawaii Dot Com. Brian proved that mixing alcohol with patio furniture is a bad thing however you get all kinds of new friends like the entire chain of command starting from the wing commander.

A1C Kevin Gregory: If the Air Force ever needs a KC-10 ice shield or F-16 antenna Kevin has a spare one in his living room. We think he talked to Russ Hobbs who told him in the xBox version of air refueling you got extra points for destroying crap on a plane.

MSgt Brian Ennis: Keen sense of style and the Italian Stallion of OGV aka Mr. Incredibles. He wears so much gold that the customs inspector gave him a permanent tax waiver for bringing jewelry into the country.

MSgt Gary “Houdini” Hall: Firefighter off duty and part-time Disneyland employee between boom tours. He said he went down to fight southern California fires but turns up he was just filling in for the train conductor at Disneyland on the train that the kids ride.

SMSgt Dana “Hutch” Hutchinson Just left the 6th as “Chief Boom”/Ops Superintendent and made it to OGV after saying he was moving there for 2 years. He has a pornstar mustache and a “unique” art collection that has to be hidden whenever he has house guests. His office was such a mess when he left that a new squadron was built because it was more time efficient than cleaning out his desk.

SrA Pavel Del Monte: Pretty Boy-Rico Suave, perfectionist and loyalist who likes to wear 5 hats and loves to shop or is it likes to shop...don’t ask don’t tell. He has feet that aborigines would die for. Do not ever wrestle him because he will break you.

SrA Jarrod Gaines: Recent arrival going thru initial qualification and ex KC-10 hydro troop. Taller than Aaron Burk and will always keep the plane FMC while TDY. Training flight was concerned that if he busted a checkride he would make a bunch of excuses and just write “CND” on his Form 8 because with KC-10 MX that is completely acceptable.

SrA Mike “Muscles” Goirl: The gentle giant that likes looking in the mirror and changes outfits more than a woman before going out. He’ll probably wind up starting his own late night fitness infomercial titled “Get Fit With Mighty Joe Young”. Mike learned the hard way that falling asleep will make some of your eyebrow disappear.

SrA Russ “Matt Damon” Hobbs: African Native born in Zimbabwe but is whiter than Casper. Final Fantasy Nut which he will tell you not to confuse with World of Warcraft. He spends every waking hour playing video games including his pre-flight time. Got in trouble for trying to hook his xBox 360 controller to the boom flight control stick because he said it would help him fly the boom better and not suck at refueling.

SrA Jessica Hall: prior 135 Boom from Fairchild. Happily dating Jesse Eagles in the 9th though somehow knows Josh Burns entire life history.

A1C “Keeney Weenie” Keeney: another pretty boy and dating Rachel Wentland. He thinks they are just “good” friends but Rachel is already picking out white flight suits for the big day. The OG Chief gave him a lecture about not completing his CDCs and it must have really soaked in because they still aren’t done.

SrA Shawn “Evel Kinevel” Lacey: Looking to crosstrain this year due to motorcycle accident a few years back. The doctors worked 6 hours to remove his head from his ass after he bought a brand new sport bike after never riding one then crashed it shortly thereafter. This kid is lucky to be alive and in the Air Force, but at least we know who the permanent motorcycle safety rep is!

TSgt Jaydee Langley: Redskins fan and self proclaimed “hardass” evaluator and has used the axe many times though the older booms think the only axe he uses is that cheap ass body cologne they sell at Wal-Mart. Will most likely open his own bar to support his Crown Royal habit.

SrA Mike “Ladiesman217” Meitz: best primary anyone could have and trying to initiate a hostile takeover of the Budweiser factory in Fairfield to help him save drinking money. Don’t ask him about the 2008 Brussels Hooka Wars or else he’ll freak.

SrA Brooklynne Mosely: Had orders to the Predator but later denied so she headed over to IBU where she won the 2008 Best Attitude Award. She’ll most likely publish her memoirs after she retires that will get more publicity than the New York Governor scandal.

SrA Joshua Nears: three toed tree sloth and laid back to say the least. Thinks that losing weight just involves getting a bigger flight suit.

SrA Joseph Orndorff: Whiskey shooter that likes playing in the street. He is easily frazzled when working on the desk and loves eating junk food at all hours of the day. Most likely will have no teeth by the time he is 25. He recently got selected for TCN duty so the workers he watches will feel better seeing that someone is actually skinnier than them.

SSgt Jeremy Pratt: New daddy, shitty scheduler and professional scammer.enough said! As long as he keeps the flight supervisors happy and on a tax-free run every now and then he isn’t leaving that desk. He is lucky Goirl didn’t kick his ass for shaving off some of his eyebrow and the supervisors are pissed because we lost money on that fight.

SSgt Sean Scott: Working in tactics and the tactics paid off because he managed to tactically drag out a PT exemption waiver for 3 years. Has two kids and seems to always be in a good mood. He spits more than a camel and looks just like a miniature Buddha

SSgt Dustin Sharpmack: He finally got braces to get rid of the gap in his teeth that would make the Grand Canyon proud and looks just like Gomer Pile from Full Metal Jacket. Dustin scared the shit out of us by having a minor stroke but was pretty content that it got him out of squadron clean up. Now all the young booms are calling in on clean-up days saying they had a stroke too.

SrA Alex Shaw. She is DNIF so much even the Predator people didn't want her. She is working on starting her own soap opera series and using up all our Kleenex. Rumor has it that Paris Hilton said "damn you have a lot of boyfriends" to her.

SSgt Jason "Kilmer" Shultz: Married to the former Christy Kilmer (FTU). Keep the alcohol away from him or else he turns into Hank the Angry Dwarf from Howard Stern. We're waiting for the day when we see him riding bitch on Christy's Harley and wearing assless chaps.

SrA Ryan "Guido" Sickle: He has really cool fashionable sunglasses that cover his entire head. We were joking about him getting a Chihuahua named "Pinky" to carry around but he already has one. That is how Raider fans roll. The following events took place when he got selected to go to IBU: hell froze over, all men woke up with a 12" penis and supermodel girlfriends, and AMC mandated the Hillary Clinton morale patch.

MSgt Nick Slahor: Married to AFR Numbered AF Command Chief and drinks more coffee than the entire Navy. He is hiding out at Det 1 and paving the way for new booms. He has a calm demeanor to him but his ass chewing would scare Charlie Manson.

SSgt Edward Soto: Pronounced "So Tho" and proud father of two that recently pulled up to the squadron in a custom chopper. He is trying to start a new TV series called "Pimp My Plane". Pilots got pissed at him because he lowered a KC-10 while TDY and they dragged a wing though it looked bitchin' with custom 80" dubs.

SSgt Jessica Stockwell: Will try to trump any cargo knowledge the senior instructors try to impart on her by saying, "I'm married to C-17 Loadmaster". Jersey girl that we know has a hidden temper and has pink braces with "I'm right you're wrong" stenciled on them. Jessica is kind enough to share leadership of the base with the wing commander.

SSgt Josh Swann: OTS and UNT select but wanted F15s. Felt like he wasn't close enough to the action so he wants to see it from the other side. We've told him to bitch slap any instructor that tells him to coach the receiver pilot into the receptacle and ignore the PDIs.

MSgt Rob Tabor: FTU WTF catch phrase guy and will most likely be using the phrase in the context of "WTF! I got non-volunteered...but I've only been at Travis since 1995..WTF!"

SSgt Jason Trussel: Future Geek Squad employee if the CRW will ever release their grasp on him. We haven't heard much from Jason since he went to the CRW but rumor has it when the air is calm you can hear him cry, "When am I coming back to the squadron..."

A1C Katie Tynes: going thru D-level, married and rough around the edges. She'll most likely be in her supervisor's office within the next year for excessive speeding tickets on her motorcycle.

MSgt. "Mr. Remedy" Upchurch: former AWACS guy and Fantasy Football freak. Andrew loves it when we do taxi exercises and go in circles. He'll call out bogeys if he's stuck holding for more than 15 minutes in the local pattern

A1C Rachel “Paris” Wentland: Local girl from Lodi and proclaimed spoiled brat. She has to get a tax-free run every month to pay her hair stylist and manicurist. If a cat fight ever breaks out in the squadron she’ll be the instigator and come out on top with perfect nails. She found out that having a truck that gets 12mpg isn’t financially lucrative when the cheapest gas is \$3.85.

SSgt Steven Wentz: Somehow got married to SARM girl while he was in the desert and she was in the states. STAN/EVAL gossip queen who likes to hunt...and what he hunts after a few beers is not classified as a species in any wild game book.

Inbounds:

A1C Brett Browne: showed up without a car or driver’s license and is working on the car since we’re charging him \$5 a gallon to drive him around. We overheard him asking the boom scheduler if there are any space-A flights to Mayberry.

A1C McMillan: left a great first impression by busting his initial EP test and checkride. This kid isn’t 21 so we’re setting up camp at the class six till he is to buy beer for that screw up.

SSgt Trussel: She was the OG “computer chic” but cross trained to be a boom. We guess she got jealous of her husband’s per-diem and days off. Since married people rarely have sex the whole issue about the boom pod being used as the “boom boom room” won’t be a problem.

A1C Kate Ingram: Former linguist that will most likely get drunk and go Uzbeki on someone’s ass that pisses her off.

Departures:

SSgt James Wells: Passed away due to a freak accident and will be missed by all of us. We’ll always drink a beer in your name and share your stories so you’ll always be with us on every TDY.

A1C Ron Espinoza: Ron finally got to leave the military when they said there wasn’t big enough hard drive to hold all the e-file copies from his troubles since he started FTU. He went down to Florida to live the high life...which probably means swindling some retired woman out of her cash.

SrA Amber Lyon: Got out to go back to school down in southern California. She could probably work at Hooter’s for one year and make enough to retire.

TRAVIS AFB, CA

70 ARS

“HOME OF THE ORCA’S”

Greetings from the Golden Gate Wing, home of the 70th Air Refueling Squadron. The Boom section in the 70th continues to grow in size due to the closure of the 940th ARW at Beale AFB, and the addition of a few Booms from active duty. Since the last Boom Signal, we have had a couple of our Booms go off to OCS and return to us as Pilots. TSgt Sheldon Butler, now 1Lt Butler and SSgt Eric Purtz, now 1Lt Purtz are both doing an exceptional job as our newest “stick boys”.

AIR RESERVE TECHNICIANS

CMSgt Joe Lambertus: (Chief Boom) It’s not just a job; it’s like being a big f_____ baby sitter.

SMSgt Keith: “Rainbow Kid” Stephens: Don’t let the name Rainbow Kid throw you off, he’s not gay, just happy to be here.

MSgt A.J. “Iceman” Baxter: A.J. is on parole from our scheduling section, now working in training.

MSgt Don “poopy pants” Davis: I can’t really go into why we call him poopy pants, just use your imagination.

TRADITIONAL RESERVEST’S

SMSgt Dave Donaldson: (Reserve NCOIC) Dave is still in the business of guarding California’s finest criminals.

MSgt Corbet “Mongo” Cadwell: Not much I can say about Corbet due to him being a hell of a lot bigger than me.

MSgt Tony Calhoun: Tony is one of our newest MSgt’s/flight leaders.

MSgt Don “Sticky” Mora: Don is also one of our newest MSgt’s/flight leaders.

MSgt Bob “Trucker” Upton: Bob tried his hand at being a trucker for a short time, and found that sometimes it’s just easier being a Reservist

TSgt Susan House: Susan is newly married to SSgt Jim House and currently going to school to get her Bachelor’s degree in god knows what.

TSgt Leon “Wren” Limon: Leon is currently working in Law Enforcement some were in the bay area, protecting the good from the bad. (Or so he says)

TSgt Matt Fisher: Matt is doing very well in life, new job, new child, and a new *VESPA*.

TSgt Mike Hinton: Mike is relatively new to the squadron, came to us from one of the active duty squadrons. Mike is currently dual qualified as a KC-10 Boom Operator as well as a C-17 Loadmaster employed by Boeing.

TSgt Alan “Stretch” Greene: Alan landed himself a sweet job in Sacramento as an air traffic controller with the FAA.

TSgt Jim Hardee: Jim is new to us from the 940th at Beale AFB. Jim has just completed FTU and is now trying to get qualified in Cargo.

SSgt Robert Rossman: Robert is currently working as an instructor at FTU.

SSgt Ryan Phillips: Ryan has been with us for about a year and a half, and has been qualified in the aircraft for approximately 6 months.

SSgt James Whittaker: James is another of our super Booms, protecting Northern California from prison escapes.

SSgt Jon “Pretty Boy” Pratte: Jon came to us from the Army Reserves in Florida.

SSgt Michael “Doctor” Bob: Michael is currently attending college to become a Proctologist.

SSgt Brandon Heyman: Brandon came to us from the Fresno ANG where he worked in Civil Engineering.

SSgt Ryan “K-9” Korhuniak: Ryan had enough of Active Duty and decided to try the Reserve thing. Ryan was previously a KC-135 Boom Operator at McConnell AFB.

SSgt Mark Short: Mark just took a job working at the Shell refinery in Richmond. Now that we have an in with Shell, high gas prices are a thing of the past.

SSgt Jeremy Frady: What can I say, Jeremy will be Jeremy.

SrA Aaron Spencer: Aaron is newly qualified in the aircraft with one deployment under his belt.

SrA Daniel “Eddie Munster” Fortier: Daniel is new to the squadron; he comes to us from Dyess AFB where he worked in transportation.

SrA Skye Peterson: Skye is new to the squadron, straight off the streets of Concord CA.

ORCA RETIREMENTS

CMSgt Celeste Barcelo: Celeste officially retired in 2007.

MSgt Chad Courtney: Chad officially retired in 2006.

MSgt Erik Sandvik: Erik officially retired in 2007.

TSgt Jeff Odell: Jeff officially retired in 2007.

TYNDALL AFB, FL

601 AOC

AIR REFUELING CONTROL TEAM

Greetings and Hallucinations from the 601 Air Operations Center! 2007 was another “busy” year here in “America’s Command Post,” or “America’s Air Operations Center,” (whatever they’re calling it these days) and the Power-Point poisoning has reached lethal levels. Can anybody out there loan us a trailer full of printer paper for this afternoon’s briefing? Is being an AGR worth all of this?!? Shear madness. Anywhoo, here are the current players for the Air Refueling Control Team at Team Tyndall:

TSgt Shane Smith: A KC-135 type and the brains of the outfit. Shane was previously chained up at McConnell AFB and is a Kansas native. Sheep and Sunflowers. Wow. Shane has a pension for emailing everyone dirty little secrets about himself EVERYTIME he walks away from his desk. This has been going on for months now...

TSgt Luke Mullins: Masqueraded as a KC-10 boom at McGuire before coming to Tyndall. After three years of listening to all the -135 stories and adventures from his co-workers, he decided to renounce Shamu (though he still claims he’s a Gucci Boom; sad really) and come over from the dark side to fly on a “real man’s” airplane and freeze his a** off with the rest of us. Luke has just finished -135 training and flies with the Birmingham Boys every now and then.

MSgt John Williams: Found himself wandering the wilderness after getting BRAC’ed at Portland and ended up joining the fight in 601st at Tyndall. John-Bob doesn’t get to fly any more, and some say that’s best – he’s getting pretty old and shaky. Best to put him where he can’t really do much harm. We have him shredding old Power-Point presentations in the back room. We hope the “King of BRAC” is less likely to get us BRAC’ed from the shredder room.

We were lucky to have several top-notch helpers come through this year. These guys did 4 month rotations in Hell’s Power-Point Kitchen and survived to tell the tale. They also got a free t-shirt and a bowl of soup:

MSgt (SMSgt Select!) Paul Greene: From El Forko Grande, affectionately known to us as Mr. Sunshine. Paul left his mark here; no deodorizer can erase it.

MSgt Mark Harmon: From McGuire AFB, escaped from the CRG and hung out with us for a while. He’ll never be the same. By the time Mark left in May, all he could say was, “It’ll never work, we’re all gonna die!”

MSgt Ricardo Matheus: A fixture here from Meridian the past year. He was here so long they gave him the job, which he promptly refused. Apparently, gettin’ BRAC’ed at Meridian was better than working here. But that didn’t mean he was gonna leave. We hear he still has a condo and a bar stool on the beach.

TSgt Ryan Perry: Another KC-10 dude from McGuire, is our last but not least. Ryan was classified a category 5 by the time he left and we are still picking up the pieces. A mover and a shaker.

WICHITA, KS

BOEING – INTEGRATED DEFENSE SYSTEMS

WICHITA MODIFICATION AND DEVELOPMENT CENTER

Greetings from the Air Capital! We've been extremely busy this year supporting our Global International Tanker Transport team customers – Italy and Japan. Many of our recent firsts include: The first KC-767A contact with a B-52 including fuel transfer, F-15 day and night contacts with fuel offload. And Wing Air Refueling Pod contacts with A-4's. Contrary to what you've heard in the press, we have received FAA supplemental type certification of the Japan Tanker and have delivered two aircraft to the Japanese customer. We are currently training them to fly the most stable and best flying boom in the world!

Rickey “Grandpa” Kahler – Boeing Chief Boom Operator. The “Big Kahuna” of refueling flight test is just as sharp as ever.

Dennis Struve – Japan program project Boom Operator and USAF Reservist. Dennis stays busy going to school, spending time with his kids and girl friend Emily.

Sean “Dragolosepher” Martin - Sean has been with us for several months now he is our resident Drogue expert. Still flying as a Reservist and holding down all the responsibilities associated with being “Chief”. Recently Sean has experience in some new flight maneuvers, one of the tests was so much fun he thought he would repeat it.

Jon “Phil” Deal – Phil, the newest addition to the team, just moved to Wichita from OKC. Wife Jamie and beautiful baby girl Parke are getting settled in and getting used to the flight test schedule. He's also working on his MBA in all his spare time and trying to get used to living in the city again.

Larry “I can't believe I'm back at Boeing” Watson – For those of you who don't know Larry retired from Boeing last year. This year Larry “was pried off the Ponderosa” returning to Boeing to help us out with all of our ongoing work.

Paul “Maverick” Pillar – Maverick deserted the boom operators in their time of need and moved to a flight test engineer position. As a flight test engineer Maverick got to ride in the A-4 during our first drogue contacts “Jester's dead”. He's still keeping busy with the Fastback, motorcycle, flying as a private pilot and teaching classes for Embry-Riddle. Planned to start a doctorate this year but has been too lazy. He and his son (who's moving to live full-time in Wichita this July) are looking for a nice airplane to add to the stable.

THE BOOMER'S PRAYER

THE BOOMER'S CREED

THE BOOM OPERATOR'S PRAYER

MAY THE WEATHER BE SMOOTH AND THE BOW WAVE SLIGHT,

MAY THE RECEPTACLE BE LARGE AND HAVE A PLETHORA OF LIGHTS.

MAY CARGO AND PAX BE NOT ABOARD,

MAY WE NEVER HAVE TO USE THE PARACHUTE RIP-CORD.

THIS WE ASK FROM THE POWER ABOVE,

JUST LET US DO WHAT ALL BOOMER'S LOVE,

TO DIRECT THE BOOM WITH PRECISION, AND A TOUCH THAT IS SLIGHT

TO GET THE CUSTOMER ENOUGH GAS TO FINISH THEIR FLIGHT

OR TO PUT IT SIMPLY,

SO WE CAN JUST ILLUMINATE THE "BOOM ENGAGED LIGHT"

THE BOOM OPERATOR'S CREED

Only a Boom Operator realizes to what great extent an entire aircrew depends upon them as an individual. To a non-flyer this is not understandable and sometimes difficult for us to comprehend, but so it is so.

An aircraft in flight is in a different world unto itself, and in consideration of the protracted and distant operations of aircraft, the Air Force must place responsibility and trust in the hands of those who take aircraft into flight.

In each aircraft there are men and women who, in the hour of emergency and peril on the air, can turn to each other. These men and women are ultimately responsible to themselves and to each other for all aspects of the operation of their aircraft. They are the Aircrew. They are in the aircraft.

This is perhaps one of the most difficult and demanding assignments in the Air Force. There is not an instant during their assignment in the Air Force that a Boom Operator can escape the grasp of responsibility. Their privileges in view of their obligations are almost ludicrously small, nevertheless, it is the spur which has given the Air Force some of its greatest unsung Heroes – the men and women who are In-Flight Refueling Specialists.

It is the duty, which richly deserves the proud and time-honored title of – Boom Operator.

APPENDIX 3

BOOM COIN/CARD RULES

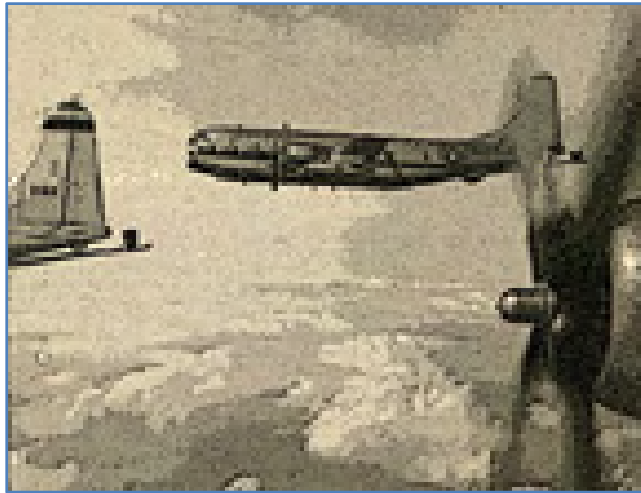

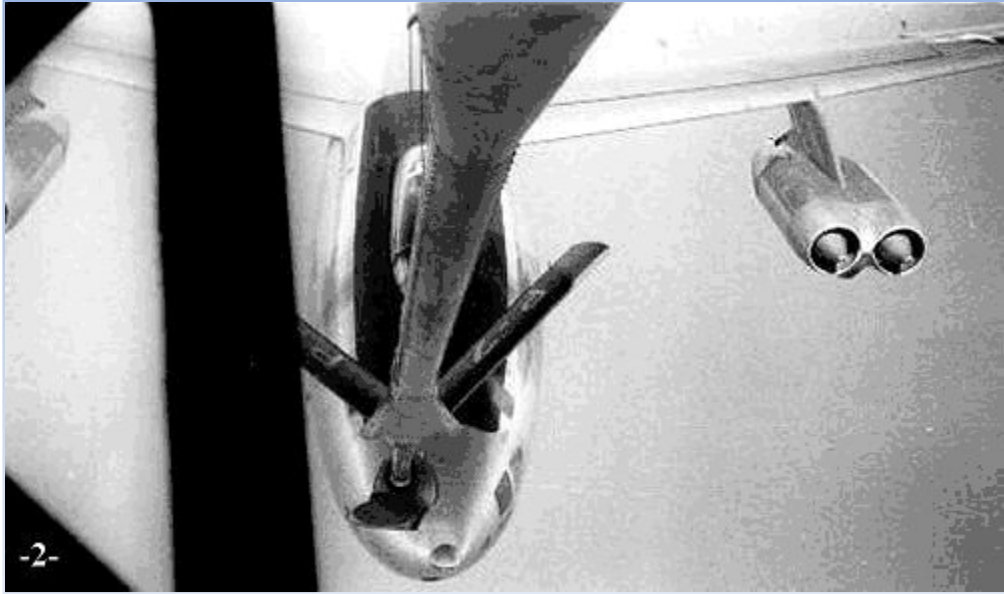

Boom Operator's Association Coin/Card Rules

1. Rules of the Boom Coin/Card challenge must be explained to all new Coin/Card holders.
2. If a Boom Operator has never received a Coin/Card, then they cannot be expected to adhere to the challenge rules. This burden of proof is placed on the individual challenged.
3. The Boom Coin & Boom Card are interchangeable.
4. The Coin/Card will not be defaced (i.e., drilling, machining, etc.).
5. An individual can be challenged anytime, anywhere. You must produce a Boom Coin/Boom Card within 15-seconds of being challenged.
6. When challenging, the individual must state whether the challenge is for a single drink or for a round of drinks.
7. Failure to produce a Boom Coin/Boom Card when challenged, or within the time limit results in the challenged individual buying a drink or round of drinks. If all those that are challenged produce a Card/Coin then the challenger is obligated to buy a drink or a round of drinks. Once the challenged has bought, you cannot continue to challenge that individual.
8. Under no circumstances can a Boom Coin/Card be handed to another individual. This is considered giving it away. You must barter with that person to regain possession of your Coin/Card. You must "Ground" the Coin/Card by placing it down on a flat surface. Then, and only then may another pick it up to examine it. This is not considered giving your Coin/Card away.
9. The individual who picks up the Coin/Card is honor bound to place it back where they got it. You cannot be challenged while your Coin/Card is in someone else's possession.
10. A lost Boom Coin/Boom Card does not relieve the holder of their responsibilities.
11. These rules apply to any Boom Operator or "Honorary Boom Operator". Local rules can be used; however, apply to local Boom Operators only.
12. The Boom Coin/Boom Card should be controlled at all times. Giving a Coin/Card to anyone is like opening the Association to anyone. It is considered an HONOR to be a Boom Operator and have a Coin/Card. Let's keep it that way.
